Snow Globe Wishes Erin Dealey,2019-09-15 2019 Top 20 Goodreads Choice Awards As the worst snow storm of the year rolls in, one family hunkers down together in a cozy blanket fort for the night. A little girl makes a wish on a snow globe and, in the morning, the sun rises on a winter wonderland--beckoning all outside. And what if, on this snow-filled day, families shake their busy lives and everyone goes out to play? A lyrical holiday story about wishes and community and snow--lots and lots of snow.

The Snow Globe Family Jane O'Connor,2006-09-07 Oh, when will it snow again? wonders the little family who lives in the snow globe. They long for a swirling snowstorm—if only someone in the big family would pick up the snow globe and give it a great big shake. Baby would love to. She alone notices the little family. She gazes longingly at their snowy little world, but the snow globe is up way too high for her to reach. Then, when a real snowstorm sends the big children outside sledding in the moonlight, Baby finds herself alone in the parlor. . . . Will the snow globe family at last get a chance to go sledding too? As readers follow the parallel adventures of both families, big and little, they will take special pleasure in the miniature world of the snow globe, where the skating pond is the size of a shiny quarter and a snowman is no bigger than a sugar cube.
