Thin Within Judy Halliday,Arthur Halliday,2005-04-17 I want to lose weight, but dieting just doesn't seem to work. I've tried everything, and I'm still three sizes too big. Help! I hate the way my body looks. Sound familiar? Like many women and men, perhaps you have tried virtually every weight-loss plan that exists only to give up in disappointment and despair. Have you faithfully counted fat grams and calories? Have you subjected yourself, week after week, to the humiliation of hearing what your current weight should be compared to what it is? Have you exercised excessively, given up your favorite foods, and felt guilty when you've failed to meet your weight goals? Time tested for more than 30 years, Thin Within is the original hunger-fullness plan. Tens of thousands of participants in the program have joyfully reported the release of unwanted weight. More importantly, they have maintained that weight with a new and incomparable peace with themselves and with the One who designed them. Thin Within makes it possible to: Identify and resolve issues that cause you to eat more than your body needs Leave diets behind forever Discover and enjoy those foods that promote health and vitality Experience the abundant life as you reach and maintain your natural God-given size

How to Memorize the Bible William Evans,2015-04-20 Although written in 1919, Dr. Evans' scripture memorization techniques are still used today. Most books and websites that attempt to sell memorization techniques are largely using Dr. Evan's ideas. His techniques for memorizing the Bible are simple, clear, practical and have immediate benefit. They work regardless of your age. Without memory the soul of man would be a poor, destitute, naked being, with an everlasting blank spread over it, except the fleeting ideas of the present moment.-Watts. It may be safely said that memory is the basis of all

knowledge, that without it neither science nor art is a possible thing. This being true, the more a man remembers the greater is the amount of his knowledge and the greater the foundation for further study and research. Cicero said: Memory is the depository of all knowledge. Memory is the treasurer of the mind.
