**The Art of Asking** Amanda Palmer,2014-11-11 Rock star, crowdfunding pioneer, and TED speaker Amanda Palmer knows all about asking. Performing as a living statue in a wedding dress, she wordlessly asked thousands of passersby for their dollars. When she became a singer, songwriter, and musician, she was not afraid to ask her audience to support her as she surfed the crowd (and slept on their couches while touring). And when she left her record label to strike out on her own, she asked her fans to support her in making an album, leading to the world's most successful music Kickstarter. Even while Amanda is both celebrated and attacked for her fearlessness in asking for help, she finds that there are important things she cannot ask for-as a musician, as a friend, and as a wife. She learns that she isn't alone in this, that so many people are afraid to ask for help, and it paralyzes their lives and relationships. In this groundbreaking book, she explores these barriers in her own life and in the lives of those around her, and discovers the emotional, philosophical, and practical aspects of The Art of Asking. Part manifesto, part revelation, this is the story of an artist struggling with the new rules of exchange in the twenty-first century, both on and off the Internet. The Art of Asking will inspire readers to rethink their own ideas about asking, giving, art, and love.

**Art and Merchandise in Keith Haring's Pop Shop** Amy Raffel, 2020-12-30 As one of the first academic monographs on Keith Haring, this book uses the Pop Shop, a previously overlooked enterprise, and artist merchandising as tools to reconsider the significance and legacy of Haring's career as a whole. Haring developed an alternative approach to both the marketing and the social efficacy of art: he controlled the sales and distribution of his merchandise, while also promulgating his belief in accessibility and community activism. He proved that mass-produced objects can be used strategically to form a community and create social change. Furthermore, looking beyond the 1980s, into the 1990s and 2000s, Haring and his shop prefigured artists' emerging, self-aware involvement with the mass media, and the art world's growing dependence on marketing and commercialism. The book will be of interest to scholars or students studying art history, consumer culture, cultural studies, media studies, or market studies, as well as anyone with a curiosity about Haring and his work, the 1980s art scene in New York, the East Village, street art, art activism, and art merchandising.
