**Sorry Not Sorry** Alyssa Milano, 2021-10-26 Alyssa Milano's sharply observed, uproarious, and deeply intimate ode to the life she has lived and the issues that matter most. Alyssa Milano, actress and activist, delivers here a collection of powerful personal essays that get to the heart of her life, career, and all-out humanitarianism. These essays are unvarnished and elegant, funny and heartbreaking, and utterly real. A timely book that shows in almost real time the importance of taking care of others, it also gives a gut-punch-level wake-up call in an era where the noise is a distraction from what really needs to happen, if we want to live in a better world. These are stories of growing up in celebrity, of family and of friends, of connections and breaking apart. They have teeth on the page and come from the heart. And they are stories that offer a direct line into the thoughts and life of one of the most visible, hard-working humanitarians we have. A bestselling children's book author, Alyssa's finally giving her fans worldwide what they really want to hear directly from her about: the life she has lived, the things she's seen and experienced, and the way she lives in and with the world.

*The Declaration* Gemma Malley, 2012 Sixteen-year-old Anna should not have been born. It is the year 2140 and people can live for ever. No one wants another mouth to feed, so she lives in a Surplus Hall, where unwanted children go to learn valuable lessons . . . at least she wasn't put down at birth. One day, a new inmate arrives. Anna's life is thrown into chaos. He says things about her parents and the Outside that couldn't possibly be true . . . Or could they? Thrilling, passionate and beautifully written, this dystopian novel is perfect for fans of *The Hunger Games*

*The Summer Proposal* Vi Keeland, 2022-01-10 A new, sexy standalone from #1 New York Times Bestseller, Vi Keeland. The first time I met Max Yearwood was on a blind date. Max was insanely gorgeous, funny, and our chemistry was off the charts. He also had the biggest dimples I'd ever laid eyes on. Exactly what I needed after my breakup. Or so I thought... Until my real date arrived. Turned out, Max wasn't who I was there to meet. He only pretended to be until my real date showed up. To say I was disappointed would be an understatement. Before he left, he slipped me a ticket to a hockey game a few blocks away, in case things didn't work out on my actual date. I tossed the ticket into my purse and went about trying to enjoy the man I was supposed to meet. But my real blind date and I had no connection. So on my way home, I decided to take a chance and stop by the game. When I arrived, the seat next to me was empty. Disappointed again, I decided to leave at the end of the period. Just before the buzzer, one of the teams scored, and the entire arena went crazy. A player's face flashed up on the

Jumbotron. He was wearing a helmet, but I froze when he smiled. You guessed it: Dimples. Apparently, my fake blind date hadn't invited me to watch hockey with him, he'd invited me to watch him play. And so began my adventure with Max Yearwood. He was everything I needed at the time—fun, sexy, up for anything, and only around for a few months since he'd signed with a new team three-thousand miles away. Max proposed we spend the summer helping me forget my ex. It sounded like a good plan. Things couldn't get too serious when we had an expiration date. Right? Though, you know what they say about the best-laid plans.

*Fool Me Twice* Carrie Aarons, 2020-03-09 When my best friend died of cancer just before her eighteenth birthday, she left her coveted bucket list to me. The things she already crossed off? Skinny dipping, going to Paris, completing the local hot wing challenge, road tripping to the ocean, and sending out a message in a bottle. So, it falls on me to finish it for her, to honor her memory. In the next year, it's my mission to: 1. Dye my hair 2. Have sex 3. Camp out in a tent 4. Go bungee jumping 5. Get revenge on Lincoln Kolb. Most are doable, some terrify me, and then there is the last item on the list. When the raven-haired football god dumped my best friend during senior year of high school, she was devastated. The jerk with charm for days found out she was sick, and betrayed her in the worst way possible. But he doesn't know me, I went to school a town over. Now, to fulfill my promise, I'm the newest freshman on the campus where he is the big man. If there is one thing, aside from cheap beer, that a jock can't pass up, it's a shiny new girl. So when I catch his eye, play hard to get, and then fall into his bed, I know my scheme is working to perfection. But what Lincoln can't see coming is the beatdown I have planned for his ice-cold heart. Unfortunately, what I never saw coming was the one he had planned for mine.

*The Alcohol Experiment* Annie Grace, 2019-12-26 From the bestselling author of *This Naked Mind* It's YOUR body It's YOUR mind It's YOUR choice

**Slow Burn City** Rowan Moore, 2016-03-10 With a new introduction for the paperback. London is a supreme achievement of civilization. It offers fulfilments of body and soul, encourages discovery and invention. It is a place of freedom, multiplicity and co-existence. It is a Liberal city, which means it stands for values now in peril. London has also become its own worst enemy, testing to destruction the idea that the free market alone can build a city, a fantastical wealth machine that denies too many of its citizens a decent home or living. In this thought-provoking, fearless, funny and subversive book, Rowan Moore shows how London's strength depends on the creative and mutual interplay of three forces: people, business and state. To find responses to the challenges of the twenty-first century, London must rediscover its genius for popular action and bold public intervention. The global city above all others, London is the best place to understand the way the world's cities are changing. It could also be, in the shape of a living, churning city of more than eight million people, the most powerful counter-argument to the extremist politics of the present.

*Dance Like No One's Watching* Vanessa Jones, 2021-04-15 The show must go on. It's back to show business as usual at

Duke's Academy of Performing Arts. Things are finally working out for Nettie, with her voice restored, her gorgeous boyfriend, Fletch, by her side and the lead role in the college musical. That is, until Fletch is offered the opportunity of a lifetime miles away from London and a TV company invades Dukes, pitting Nettie against old enemy Jade Upton and pulling her friends apart. As she tries to juggle the impossible pressure to perform and following her heart, Nettie discovers secrets about her mother that make her question everything she ever knew. Will Fletch come back? Will the stage ever feel like home? And will she ever find out the truth about her mother? Nettie is determined to find out. *Dance Like No One's Watching* by Vanessa Jones will show that Nettie is not helpless, and we'd better listen.

**Start with Why** Simon Sinek, 2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. *START WITH WHY* asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. *START WITH WHY* shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

*Mean Baby* Selma Blair, 2023-05-09 Selma Blair has played many roles: Ingenué in *Cruel Intentions*. Preppy ice queen in *Legally Blonde*. Muse to Karl Lagerfeld. Advocate for the multiple sclerosis community. But before all of that, Selma was known best as ... a mean baby. In a memoir that is as wildly funny as it is emotionally shattering, Blair tells the captivating story of growing up and finding her truth. Blair is a rebel, an artist, and it turns out: a writer.—Glennon Doyle, Author of the #1 New York Times Bestseller *Untamed* and Founder of Together Rising The first story Selma Blair Beitner ever heard about herself is that she was a mean, mean baby. With her mouth pulled in a perpetual snarl and a head so furry it had to be rubbed to make way for her forehead, Selma spent years living up to her terrible reputation: biting her sisters, lying spontaneously, getting drunk from Passover wine at the age of seven, and behaving dramatically so that she would be the center of attention. Although Selma went on to become a celebrated Hollywood actress and model, she could never quite shake the periods of darkness that overtook her, the certainty that there was a great mystery at the heart of her life. She

often felt like her arms might be on fire, a sensation not unlike electric shocks, and she secretly drank to escape. Over the course of this beautiful and, at times, devastating memoir, Selma lays bare her addiction to alcohol, her devotion to her brilliant and complicated mother, and the moments she flirted with death. There is brutal violence, passionate love, true friendship, the gift of motherhood, and, finally, the surprising salvation of a multiple sclerosis diagnosis. In a voice that is powerfully original, fiercely intelligent, and full of hard-won wisdom, Selma Blair's *Mean Baby* is a deeply human memoir and a true literary achievement.

*A Northern Lad* Graham Sutcliffe, 2014-09-03 This is the story of a child of the post war baby boom growing up in those far off non-PC days of the fifties and early sixties. The scene is a northern textile town, a town thrown up by the industrial revolution. A town whose seemingly permanent way of life was about to vanish for ever, as the post imperial world arrived. The book ends as the author leaves, tantalisingly close to that threatened day of reckoning that would see the place change forever. He would never return as anything more than a casual visitor. The tale is told tongue in cheek. It pokes fun at much and embroiders much, rather than keeping to the strict facts and figures. In this way school teachers and the like are often described rather unkindly and their pupils are mostly shown as awkward and uncouth. This is definitely not a story of the swinging sixties; this is about a northern town where the mini-skirt wouldn't appear until long after Londoners abandoned it.

*Meaning at Work* Susan Lahey,Danny Gutknecht,2017-04-10 We've reached a stage in the evolution of work where meaning is crucial to competition. Scientists, academics, and business consulting elites are all weighing in on this problem. But today's solutions aren't working and are destined to fail because, structurally, they are trying to solve the problem the wrong way. How does an organization respond to the growing demand for meaningful work? Of course, people need meaning at work. But it's organizational meaning that is the key to unlocking both individual and collective potential. In this book, the author takes us on a journey through the insights of Carl Jung, Abraham Maslow, Joseph Campbell, anthropology, biology, and neuroscience to understand what meaning is, how it works and what can be done to engage it. *Meaning at Work* is the first articulation of a process that enables everyone to participate in organizational meaning-

making.
