Slow Burn City Rowan Moore,2016-03-10 With a new introduction for the paperback. London is a supreme achievement of civilization. It offers fulfilments of body and soul, encourages discovery and invention. It is a place of freedom, multiplicity and co-existence. It is a Liberal city, which means it stands for values now in peril. London has also become its own worst enemy, testing to destruction the idea that the free market alone can build a city, a fantastical wealth machine that denies too many of its citizens a decent home or living. In this thought-provoking, fearless, funny and subversive book, Rowan Moore shows how London's strength depends on the creative and mutual interplay of three forces: people, business and state. To find responses to the challenges of the twenty-first century, London must rediscover its genius for popular action and bold public intervention. The global city above all others, London is the best place to understand the way the world's cities are changing. It could also be, in the shape of a living, churning city of more than eight million people, the most powerful counter-argument to the extremist politics of the present.

The Jinni Key Bethany Atazadeh,2019-12-03 She holds the key to his heart, and he wants it back. When Arie reveals her Gift, she thinks the worst is over. But she couldn't be more wrong. The only one who can save her now is a mermaid named Rena. Rena is the youngest daughter of the Sea King, and she's dreamed of the surface for years. But her first visit on her

16th birthday isn't what she expects. She watches a Jinni fall from the sky—and chooses to save him, despite her mother's warnings that all Jinn are evil. Once she meets Gideon, she can't get him out of her mind. And maybe, with a little help from Arie and some magic of her own, she doesn't have to... The Jinni Key is a loose Little Mermaid retelling. Set in a world that humans share with mermaids, dragons, and the elusive Jinn, this is not the fairytale you remember... If you enjoy fantasy worlds, magical races, and surprising spins on classic fairy tales, then you'll love this enchanting retelling of The Little Mermaid. WHAT READERS ARE SAYING: There was very little that I predicted, when there was a moment of loss I truly felt it, and I loved the unique spins she placed on the well-known THE LITTLE MERMAID tale. Rachael Martin (Goodreads Reviewer) I went into this story super excited to find out more about Rena and Arie, and I was left unable to wait for the next book! I seriously read this book in one sitting (which left everything aching, but so worth it!). I absolutely loved The Stolen Kingdom, and book two did not disappoint. The Jinni Key's world-building was actually one of my favorites, so complex and detailed and very fun. Sarah Sutton (Goodreads Reviewer) I couldn't even put the book down because I had to know what happened... These are the kind of retellings that I love because while the base story is weaved in there lightly the story doesn't rely on The Little Mermaid. It goes so far past that and you are invested in everything that is happening... Katelyn Spedden (Goodreads Reviewer) There is so much action going on in this book and as the story moved on, the stakes kept getting higher and higher - I couldn't put it down (read it in a few hours) and I can't wait to read the next book in the series! Elira Barnes (Goodreads Reviewer) This was an amazing second book! All of Bethany's hard work paid off ten fold! I loved how all the relationships developed and all the animal moments. I especially love Rena and her quirky personality. She makes an amazing POV character. Andrea Roberts (Goodreads Reviewer) Once again, Bethany Atazadeh takes some risks with this Little Mermaid retelling and mixes in a lot of original story and world elements, along with engaging characters to make it an intriguing and magical read that I was sad to see end. Janine (Goodreads Reviewer) I loved finding out what happens next. I'm excited and am definitely going to read the third book. Captivating story. Kaylee White (Goodreads Reviewer) THE STOLEN KINGDOM SERIES READING ORDER: Book 1: The Stolen Kingdom: An Aladdin retelling Book 2: The Jinni Key: A Little Mermaid retelling Book 3: The Cursed Hunter: A Beauty and the Beast retelling Book 4: The Enchanted Crown: A Sleeping Beauty retelling THE QUEEN'S RISE SERIES (a connected trilogy in The Stolen Kingdom Universe) Book 1: The Secret Gift Book 2: The Secret Shadow Book 3: The Secret Curse
