13 Ways to Tell Your Ancestor Stories (2nd Edition) Dr. Bill Smith,2013-02-22 13 Sections suggest a variety of ways to tell your ancestor stories; each section has a Planning Worksheet to assist you in doing it most effectively. The content of our telling of ancestor stories includes your life as well as the lives of your two parents, four grandparents, eight great-grandparents, sixteen great-great grandparents, etc., and their sibling, aunts, uncles and cousins. Ancestor stories include the social context in which these folks lived, their clothes, their farms or ranches, their religion (or not), their occupations, their loves and antagonisms, their education (or not), their friends and neighbors, and the mundane details of their daily lives. Preservation and interpretation of your ancestor stories will occur most effectively if each of us use multiple approaches to telling our ancestor stories to our families and interested others. This is the purpose of this book.

Learning by Design and Second Language Teaching Gabriela C. Zapata,2022-04-20 Learning by Design and Second Language Teaching establishes theoretical, research, and practice connections between the multiliteracies framework Learning by Design and L2 teaching and learning. A comprehensive introductory chapter presents the theoretical tenets of the approach and is followed by four chapters devoted to the establishment of connections between the framework and L2 instruction, information on evidence-based pedagogical practices and suggestions for their implementation, and task examples that can be adapted for use in a variety of educational contexts. Each chapter links theory and research to practical steps instructors can take to select authentic materials and create tasks in each of the framework's knowledge processes with the objective of developing L2 students' performance in the interpersonal (speaking), interpretive (reading and listening), and presentational (writing) modes of communication. A selection of guidance charts, figures, templates, and extra digital resources are included within the text to support learning and teaching. The book will be of interest to graduate students and in-service and future L2 teachers in all levels of instruction. Chapter 1, Chapter 2 and Chapter 3 of this book are freely available as a downloadable Open Access PDF under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license available at <http://www.taylorfrancis.com>.
