The Funeral Presbyterian Church (U.S.A.), 1986-01-01 This liturgical resource will help guide pastors and other church workers as they help church members through the bereavement process. The Presbyterian Supplemental Liturgical Resource (SLT) series includes liturgies that were used on a trial basis in preparation for the development of the Book of Common Worship. Though superseded by the Book of Common Worship, SLR resources remain valuable, both for the variety of liturgical texts they contain and for the commentary on the text, which contains rich historical, theological, and practical background.

Conduct Gospel-Centered Funerals Brian Croft, Phil A. Newton, 2014-06-03 Bring Gospel Hope in the Midst of Death The phone rings: “Pastor, can you do my mother’s funeral?” Or, “Please help us—our baby just died.” Death comes unexpectedly, giving you two to three days of time to prepare a sermon—in the midst of caring for a grieving family. This helpful book walks a pastor through the logistics of memorial services, burials, and working with funeral homes—using the four P’s: Plan, Prepare, Preach, and Perform. It shows how to magnify Christ and the gospel in the midst of all the details, demands, and sorrow that surrounds the death of a loved one. The Practical Shepherding series of books provides pastors and ministry leaders with advice and practical help to do the work of pastoral ministry in a local church. In *Conduct Gospel-Centered Funerals*, experienced pastors Brian Croft and Phil A. Newton offer readers a concise guide to conducting funerals that glorify God and offer a timely message of hope.

As a teenager, Michael Curry served as a part of the "Youth Presence" at General Convention 1979. While there, he met Barbara Harris, not yet a priest. The story of their friendship is one that tracks the history of the Episcopal Church over the intervening years. In this volume, the two talk about a wide range of topics—their families and the strong women who shaped them, the vocation of the priesthood and the episcopacy, and social justice, among others—in a conversation facilitated and edited by Fredrica Harris Thompsett.

**To Say a Few Words** Michael A. Cymbala, 2014-08-31 This little booklet is designed for anyone who faces the difficult and important task of offering words of remembrance at a Catholic Funeral. Both experienced and inexperienced speakers will benefit from this easy-to-read resource. It offers a simple, practical, and—most importantly—discreet way of informing anyone asked “to say a few words” at a Catholic service on the rules that are involved, while also offering practical advice on how to deliver the remarks in an artful and respectful manner. The Catholic Church’s policies on the use of family-designated speakers at funerals, wakes, and memorial services and the importance of their putting their remarks in a Christian context are both directly and politely addressed. The booklet emphasizes the sacred elements of the occasion, offering speakers the opportunity to understand their role as something more serious than a toastmaster or even a comedian. Practical suggestions abound on how to form and deliver a concise and appropriate address well suited to a religious gathering. Three sample sets of remarks are included to give speakers a sense of what is possible and appropriate in different situations and venues. This booklet is also available as an e-book for those who are traveling or otherwise not available to obtain a printed copy in time to prepare their remarks.
