Value Proposition Design Alexander Osterwalder, Yves Pigneur, Gregory Bernarda, Alan Smith, 2015-01-28 The authors of the international bestseller *Business Model Generation* explain how to create value propositions customers can't resist. *Value Proposition Design* helps you tackle the core challenge of every business — creating compelling products and services customers want to buy. This highly practical book, paired with its online companion, will teach you the processes and tools you need to create products that sell. Using the same stunning visual format as the authors' global bestseller, *Business Model Generation*, this sequel explains how to use the "Value Proposition Canvas" to design, test, create, and manage products and services customers actually want. *Value Proposition Design* is for anyone who has been frustrated by new product meetings based on hunches and intuitions; it's for anyone who has watched an expensive new product launch fail in the market. The book will help you understand the patterns of great value propositions, get closer to customers, and avoid wasting time with ideas that won't work. You'll learn the simple process of designing and testing value propositions, that perfectly match customers' needs and desires. In addition the book gives you exclusive access to an online companion on Strategyzer.com. You will be able to assess your work, learn from peers, and download pdfs, checklists, and more. *Value Proposition Design* is an essential companion to the "Business Model Canvas" from *Business Model Generation*, a tool embraced globally by startups and large corporations such as MasterCard, 3M, Coca Cola, GE, Fujitsu, LEGO, Colgate-Palmolive, and many more. *Value Proposition Design* gives you a proven methodology for success, with value propositions that sell, embedded in profitable business models.

Logo Design Workbook Sean Adams, Noreen Morioka, Terry Lee Stone, 2006-03-01 *Logo Design Workbook* focuses on creating powerful logo designs and answers the question, What makes a logo work? In the first half of this book, authors Sean Adams and Noreen Morioka walk readers step-by-step through the entire logo-development process. Topics include developing a concept that communicates the right message and is appropriate for both the client and the market; defining how the client's long-term goals might affect the look and needs of the mark; choosing colors and typefaces; avoiding common mistakes; and deciphering why some logos are successful whereas others are not. The second half of the book comprises in-depth case studies on logos designed for various industries. Each case study explores the design brief, the relationship with the client, the time frame, and the results.
