Lawn Care Business Bidding Tips, Upsells, and Disasters to Avoid Steve Low, 2012-10-01 Learning how to bid lawn care and landscaping jobs, when you are just getting your business started, is a huge task. Most of the times, those in the know aren't going to share with you all the lessons they've learned and the tips they have picked up over the years. But I will. I operate one of the largest lawn care business forums on the internet, The Gopher Lawn Care Business Forum. On that site I

have interviewed thousands upon thousands of lawn care business owners over the past decade. Throughout this process, I have learned a lot. All that I have learned, I want to share with you. The goal of this book is to give you, the lawn care business owner, a working knowledge of the entire bidding process for most of the jobs you are going to be called upon to bid. To give you a better idea on how to go about bidding jobs, services you can upsell, how to upsell, and how to perform those jobs. This book is somewhat large at close to 600 pages but I really wanted to include a lot of information. Read it at your own pace and later you can use it for years to come as a reference manual. Keep going back to this book over time, to get more ideas on how to improve your business. After your reading, I feel confident you and your business are going to be in a better place. If you would like to read more about how to improve your lawn care or landscaping business, check out my many books on the topic. Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*
