The 12 Week Year Brian P. Moran, Michael Lennington, 2013-05-15 The guide to shortening your execution cycle down from one year to twelve weeks Most organizations and individuals work in the context of annual goals and plans; a twelve-month execution cycle. Instead, *The 12 Week Year* avoids the pitfalls and low productivity of annualized thinking. This book redefines your year to be 12 weeks long. In 12 weeks, there just isn't enough time to get complacent, and urgency increases and intensifies. *The 12 Week Year* creates focus and clarity on what matters most and a sense of urgency to do it now. In the end more of the important stuff gets done and the impact on results is profound. Explains how to leverage the power of a 12 week year to drive improved results in any area of your life Offers a how-to book for both individuals and organizations seeking to improve their execution effectiveness Authors are leading experts on execution and implementation Turn your organization's idea of a year on its head, and speed your journey to success.

Building a Second Brain Tiago Forte, 2022-06-14 Building a second brain is getting things done for the digital age. It's a ... productivity method for consuming, synthesizing, and remembering the vast amount of information we take in, allowing us to become more effective and creative and harness the unprecedented amount of technology we have at our disposal--

Getting Things Done David Allen, 2015-03-17 The book *Lifhack* calls *The Bible of business and personal productivity*. A completely revised and updated edition of the blockbuster bestseller from 'the personal productivity guru'—Fast Company Since it was first published almost fifteen years ago, David Allen's *Getting Things Done* has become one of the most influential business books of its era, and the ultimate book on personal organization. "GTD" is now shorthand for an entire way of approaching professional and personal tasks, and has spawned an entire culture of websites, organizational tools, seminars, and offshoots. Allen has rewritten the book from start to finish, tweaking his classic text with important perspectives on the new workplace, and adding material that will make the book fresh and relevant for years to come. This new edition of *Getting Things Done* will be welcomed not only by its hundreds of thousands of existing fans but also by a whole new generation eager to adopt its proven principles.

Star Daughter Shveta Thakrar, 2020-08-11 *Chosen as a 2020 Kids' Indie Next pick * A Locus Reading List recommendation * An Andre Norton Nebula Award Finalist* "Shveta Thakrar's prose is as beautiful as starlight."—New York Times bestselling author Holly Black This gorgeously imagined YA debut blends shades of Neil Gaiman's *Stardust* and a

brehtaking landscape of Hindu mythology into a radiant contemporary fantasy. The daughter of a star and a mortal, Sheetal is used to keeping secrets. Pretending to be “normal.” But when an accidental flare of her starfire puts her human father in the hospital, Sheetal needs a full star’s help to heal him. A star like her mother, who returned to the sky long ago. Sheetal’s quest to save her father will take her to a celestial court of shining wonders and dark shadows, where she must take the stage as her family’s champion in a competition to decide the next ruling house of the heavens—and win, or risk never returning to Earth at all. Brimming with celestial intrigue, this sparkling YA debut is perfect for fans of Roshani Chokshi and Laini Taylor.

The Power of Habit Charles Duhigg, 2012-02-28 NEW YORK TIMES BESTSELLER • MORE THAN 3 MILLION COPIES SOLD • This instant classic explores how we can change our lives by changing our habits. “Few [books] become essential manuals for business and living. The Power of Habit is an exception.”—Financial Times A WALL STREET JOURNAL AND FINANCIAL TIMES BEST BOOK OF THE YEAR In *The Power of Habit*, award-winning business reporter Charles Duhigg takes us to the thrilling edge of scientific discoveries that explain why habits exist and how they can be changed. Distilling vast amounts of information into engrossing narratives that take us from the boardrooms of Procter & Gamble to the sidelines of the NFL to the front lines of the civil rights movement, Duhigg presents a whole new understanding of human nature and its potential. At its core, *The Power of Habit* contains an exhilarating argument: The key to exercising regularly, losing weight, being more productive, and achieving success is understanding how habits work. As Duhigg shows, by harnessing this new science, we can transform our businesses, our communities, and our lives. With a new Afterword by the author

Redeeming Productivity Reagan Rose, 2022-10-04 Feeling overwhelmed and unproductive? The answer isn’t to do more. What image forms in your mind when you think of productivity? An assembly line? Spreadsheets? Business suits or workplace uniforms? In the ancient world, productivity didn’t conjure images like these. Instead, it referred to crop yield and fruit bearing. This agrarian imagery helps us understand productivity through a biblical lens. Jesus taught, By this my Father is glorified, that you bear much fruit (John 15:8). Who doesn’t want to have a truly productive life—to bear much fruit? But how does this happen in the places we hold dear—the home, workplace, and in our communities? We often feel overworked and overrun, defeated and discouraged. The world says be productive so that you can get all you can out of this life. The Bible says be productive so you can gain more of the next life. In *Redeeming Productivity*, author Reagan Rose explores how God’s glory is the purpose for which He planted us. And he shows how productivity must be firmly rooted in the gospel. Only through our connection to Christ—the True Vine—are we empowered to produce good fruit. This book shows how we can maintain the vitality of that connection through simple, life-giving disciplines. Readers will discover manageable applications

like giving God the first fruits of our days. Additionally, Reagan discusses how our perspective on suffering is transformed as we see trials as God's pruning for greater productivity.

Hyperfocus Chris Bailey, 2018-08-28 By the author of *How To Calm Your Mind*, a practical guide to managing your attention—the most powerful resource you have to get stuff done, become more creative, and live a meaningful life Our attention has never been as overwhelmed as it is today. Many of us recognize that our brains struggle to multitask. Despite this, we feel compelled to do so anyway while we fill each moment of our lives to the brim with mindless distraction. Hyperfocus provides profound insights into how you can best take charge of your attention to achieve a greater sense of purpose and productivity throughout the day. The most recent neuroscientific research reveals that our brain has two powerful modes that can be unlocked when we use our attention effectively: a focused mode (hyperfocus), which is the foundation for being highly productive, and a creative mode (scatterfocus), which enables us to connect ideas in novel ways. Hyperfocus helps you access each of the two mental modes so you can concentrate more deeply, think more clearly, and work and live more deliberately every day. Chris Bailey examines such topics such as: identifying and dealing with the four key types of distraction and interruption; establishing a clear physical and mental environment in which to work; controlling motivation and working fewer hours to become more productive; taking time-outs with intention; multitasking strategically; and learning when to pay attention and when to let your mind wander wherever it wants to. By transforming how you think about your attention, Hyperfocus reveals that the more effectively you learn to take charge of it, the better you'll be able to manage every aspect of your life.

Heaven Official's Blessing: Tian Guan Ci Fu (Novel) Vol. 1 Mo Xiang Tong Xiu, 2021-12-14 NEW YORK TIMES BEST SELLER! The blockbuster danmei/Boys' Love novels from China that inspired the animated series! This epic historical fantasy about a prince and the mysterious man by his side is now in English, for the very first time. Born the crown prince of a prosperous kingdom, Xie Lian was renowned for his beauty, strength, and purity. His years of dedicated study and noble

deeds allowed him to ascend to godhood. But those who rise may also fall, and fall he does--cast from the heavens and banished to the world below. Eight hundred years after his mortal life, Xie Lian has ascended to godhood for the third time, angering most of the gods in the process. To repay his debts, he is sent to the Mortal Realm to hunt down violent ghosts and troublemaking spirits who prey on the living. Along his travels, he meets the fascinating and brilliant San Lang, a young man with whom he feels an instant connection. Yet San Lang is clearly more than he appears... What mysteries lie behind that carefree smile? This Chinese xianxia fantasy novel series built around the romanticized love between two men (danmei) is the newest work from author Mo Xiang Tong Xiu, and has spawned an ongoing multimedia franchise that's beloved across the world--including the animated series (donghua) that amassed 100+ million views in just its first month. The Seven Seas English-language edition will include covers from 封面设计 (tai3_3), and exclusive, all-new interior illustrations from ZeldaCW.

Sprint Jake Knapp,John Zeratsky,Braden Kowitz,2016-03-08 From inside Google Ventures, a unique five-day process for solving tough problems, proven at thousands of companies in mobile, e-commerce, healthcare, finance, and more. Entrepreneurs and leaders face big questions every day: What's the most important place to focus your effort, and how do you start? What will your idea look like in real life? How many meetings and discussions does it take before you can be sure you have the right solution? Now there's a surefire way to answer these important questions: the Design Sprint, created at Google by Jake Knapp. This method is like fast-forwarding into the future, so you can see how customers react before you invest all the time and expense of creating your new product, service, or campaign. In a Design Sprint, you take a small team, clear your schedules for a week, and rapidly progress from problem, to prototype, to tested solution using the step-by-step five-day process in this book. A practical guide to answering critical business questions, Sprint is a book for teams of any size, from small startups to Fortune 100s, from teachers to nonprofits. It can replace the old office defaults with a smarter, more respectful, and more effective way of solving problems that brings out the best contributions of everyone on the team—and helps you spend your time on work that really matters.

168 Hours Laura Vanderkam,2011-05-31 It's an unquestioned truth of modern life: we are starved for time. We tell ourselves we'd like to read more, get to the gym regularly, try new hobbies, and accomplish all kinds of goals. But then we give up because there just aren't enough hours to do it all. Or if we don't make excuses, we make sacrifices- taking time out from other things in order to fit it all in. There has to be a better way...and Laura Vanderkam has found one. After interviewing dozens of successful, happy people, she realized that they allocate their time differently than most of us. Instead of letting the daily grind crowd out the important stuff, they start by making sure there's time for the important stuff. When plans go wrong and they run out of time, only their lesser priorities suffer. Vanderkam shows that with a little examination

and prioritizing, you'll find it is possible to sleep eight hours a night, exercise five days a week, take piano lessons, and write a novel without giving up quality time for work, family, and other things that really matter.

The Story of Little Black Sambo Helen Bannerman,1923-01-01 The jolly and exciting tale of the little boy who lost his red coat and his blue trousers and his purple shoes but who was saved from the tigers to eat 169 pancakes for his supper, has been universally loved by generations of children. First written in 1899, the story has become a childhood classic and the authorized American edition with the original drawings by the author has sold hundreds of thousands of copies. Little Black Sambo is a book that speaks the common language of all nations, and has added more to the joy of little children than perhaps any other story. They love to hear it again and again; to read it to themselves; to act it out in their play.
