Perfect for fans of Nicola Yoon and Jenny Han, with crossover appeal for readers of Jasmine Guillory and Talia Hibbert romances. Lenore Bennett has always been a force. But it's a lot of pressure to be her ancestors' wildest dreams when Lenore's not even sure what

her dreams are yet. When her family embarks on a post-graduation Mediterranean cruise, her friend Tessa is sure Lenore's in for a whirlwind romance. He's a hopeless romantic and a golden boy with a ten-year plan. In short, he's irritating as hell. But as they get to know each other during the picturesque stops across Europe, Alex may be able to help Lenore find something else she's been looking for, even if she doesn't want to admit it to herself: love.

Castaway Mountain Saumya Roy, 2021-09-07 \*One of NPR's Books We Love 2021\* 'I came to see the mountains as an outpouring of our modern lives,' Roy writes, 'of the endless chase for our desires to fill us.' Readers of *Behind the Beautiful Forevers* will be drawn to this harrowing portrait. —Publishers Weekly *Castaway Mountain* deserves every accolade. A stunning achievement. —Kiran Desai, Booker Prize Winner, author of *Inheritance of Loss*. All of Mumbai's possessions and memories come to die at the Deonar garbage mountains. Towering at the outskirts of the city, the mountains are covered in a faint smog from trash fires. Over time, as wealth brought Bollywood knock offs, fast food and plastics to Mumbaikars, a small, forgotten community of migrants and rag-pickers came to live at the mountains' edge, making a living by re-using, recycling and re-selling. Among them is Farzana Ali Shaikh, a tall, adventurous girl who soon becomes one of the best pickers in her community. Over time, her family starts to fret about Farzana's obsessive relationship to the garbage. Like so many in her community, Farzana, made increasingly sick by the trash mountains, is caught up in the thrill of discovery—because among the broken glass, crushed cans, or even the occasional dead baby, there's a lingering chance that she will find a treasure to lift her family's fortunes. As Farzana enters adulthood, her way of life becomes more precarious. Mumbai is pitched as a modern city, emblematic of the future of India, forcing officials to reckon with closing the dumping grounds, which would leave the waste pickers more vulnerable than ever. In a narrative instilled with superstition and magical realism, Saumya Roy crafts a modern parable exploring the consequences of urban overconsumption. A moving testament to the impact of fickle desires, *Castaway Mountain* reveals that when you own nothing, you know where true value lies: in family, community and love. *We Spread* Iain Reid,2022-09-27 The author of the “evocative, spine-tingling, and razor-sharp” (Bustle) I’m Thinking of Ending Things that inspired the Netflix original movie and the “short, shocking” (The Guardian) Foe returns with a new work of suspense following an elderly woman trapped in a mysterious facility. Penny, an artist, has lived in the same apartment for decades, surrounded by the artifacts and keepsakes of her long life. She is resigned to the mundane rituals of old age, until things start to slip. Before her longtime partner passed away years earlier, provisions were made for a room in a unique long-term care residence, where Penny finds herself after one too many “incidents.” Initially, surrounded by peers, conversing, eating, sleeping, looking out at the beautiful woods that surround the house, all is well. She even begins to paint again. But as the days start to blur together, Penny—with a growing sense of unrest and distrust—starts to lose her grip on the passage of time and on her place in the world. Is she succumbing to the subtly destructive effects of aging or is she an unknowing participant in something more unsettling? At once compassionate and uncanny, told in spare, hypnotic prose, Iain Reid’s “exquisite novel of psychological suspense” (Publishers Weekly, starred review) explores questions of conformity, art, productivity, relationships, and what, ultimately, it means to grow old.

But everyone around me is keeping their own secrets, whispering lies into my ears like promises, and one of them is about to turn my entire world upside down. I thought I had it all figured out. I thought I had the answers. I thought I knew who I was. The truth is, I didn't even know the half of it. There's a reason these vampires are still after me.
