Lean Branding Laura Busche, 2019-03-01 Every day, thousands of passionate developers come up with new startup ideas but lack the branding know-how to make them thrive. If you count yourself among them, Lean Branding is here to help. This practical toolkit helps you build your own robust, dynamic brands that generate conversion. You'll find over 100 DIY branding tactics and inspiring case studies, and step-by-step instructions for building and measuring 25 essential brand strategy ingredients, from logo design to demo-day pitches, using The Lean Startup methodology's Build-Measure-Learn loop. Learn exactly what a brand is—and what it isn't Build a minimal set of brand ingredients that are viable in the marketplace: brand story, brand symbols, and brand strategy Measure your brand ingredients by using meaningful metrics to see if they meet your conversion goals Pivot your brand ingredients in new directions based on what you've learned—by optimizing rather than trashing Focus specifically on brand story, symbols, or strategy by following the Build-Measure-Learn chapters that apply

Value Proposition Design Alexander Osterwalder, Yves Pigneur, Gregory Bernarda, Alan Smith, 2015-01-28 The authors of the international bestseller Business Model Generation explain how to create value propositions customers can't resist Value Proposition Design helps you tackle the core challenge of every business — creating compelling products and services customers want to buy. This highly practical book, paired with its online companion, will teach you the processes and tools you need to create products that sell. Using the same stunning visual format as the authors' global bestseller, Business Model Generation, this sequel explains how to use the "Value Proposition Canvas" to design, test, create, and manage products and services customers actually want. Value Proposition Design is for anyone who has been frustrated by new product meetings based on hunches and intuitions; it's for anyone who has watched an expensive new product launch fail in the market. The book will help you understand the patterns of great value propositions, get closer to customers, and avoid wasting time with ideas that won't work. You'll learn the simple process of designing and testing value propositions, that perfectly match customers' needs and desires. In addition the book gives you exclusive access to an online companion on Strategyzer.com. You will be able to assess your work, learn from peers, and download pdfs, checklists, and more. Value Proposition Design is an essential companion to the "Business Model Canvas" from Business Model Generation, a tool embraced globally by startups and large corporations such as MasterCard, 3M, Coca Cola, GE, Fujitsu, LEGO, Colgate-

Palmolive, and many more. Value Proposition Design gives you a proven methodology for success, with value propositions that sell, embedded in profitable business models.

Business Model Generation Alexander Osterwalder, Yves Pigneur, 2013-02-01 Business Model Generation is a handbook for visionaries, game changers, and challengers striving to defy outmoded business models and design tomorrow's enterprises. If your organization needs to adapt to harsh new realities, but you don't yet have a strategy that will get you out in front of your competitors, you need Business Model Generation. Co-created by 470 Business Model Canvas practitioners from 45 countries, the book features a beautiful, highly visual, 4-color design that takes powerful strategic ideas and tools, and makes them easy to implement in your organization. It explains the most common Business Model patterns, based on concepts from leading business thinkers, and helps you reinterpret them for your own context. You will learn how to systematically understand, design, and implement a game-changing business model--or analyze and renovate an old one. Along the way, you'll understand at a much deeper level your customers, distribution channels, partners, revenue streams, costs, and your core value proposition. Business Model Generation features practical innovation techniques used today by leading consultants and companies worldwide, including 3M, Ericsson, Capgemini, Deloitte, and others. Designed for doers, it is for those ready to abandon outmoded thinking and embrace new models of value creation: for executives, consultants, entrepreneurs, and leaders of all organizations. If you're ready to change the rules, you belong to the business model generation!

Ditch That Textbook Matt Miller, 2015-04-13 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting by the textbook implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In Ditch That Textbook, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. Ditch That Textbook is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

Create Your Own Website The Easy Way Alannah Moore,2016-06-02 Every small business or organisation needs a website, whether it is a simple online portfolio or a complex online shop. Expert web design teacher Alannah Moore makes this subject accessible for everyone, even those with no technical or design experience. Avoiding technical language, Alannah provides a summary of the web platforms available, covering, among others, WordPress, Squarespace, Weebly and Shopify. From these the reader can choose the right platform for them, and very quickly get up and running. Drawing on her vast experience of what a novice website builder really needs to know, Alannah covers all the topics they will come across in their online experience: how to choose a good domain name; what content you need for your site; how to work with images and even create your own logo. The reader will also learn how to integrate social media and a blog, so they are set up and in control of their virtual presence from every aspect. This is the perfect book for anyone who doesn't want to pay for an expensive web designer. In Alannah's safe and capable hands, they will find the process of building their site easy and enjoyable, and they'll soon have a successful online presence.

Logo Design Love David Airey,2009-12-20 There are a lot of books out there that show collections of logos. But David Airey's "Logo Design Love" is something different: it's a guide for designers (and clients) who want to understand what this mysterious business is all about. Written in reader-friendly, concise language, with a minimum of designer jargon, Airey gives a surprisingly clear explanation of the process, using a wide assortment of real-life examples to support his points. Anyone involved in creating visual identities, or wanting to learn how to go about it, will find this book invaluable. - Tom Geismar, Chermayeff & Geismar In *Logo Design Love*, Irish graphic designer David Airey brings the best parts of his wildly popular blog of the same name to the printed page. Just as in the blog, David fills each page of this simple, modern-looking book with gorgeous logos and real world anecdotes that illustrate best practices for designing brand identity systems that last. David not only shares his experiences working with clients, including sketches and final results of his successful designs, but uses the work of many well-known designers to explain why well-crafted brand identity systems are important, how to create iconic logos, and how to best work with clients to achieve success as a designer. Contributors include Gerard Huerta, who

designed the logos for Time magazine and Waldenbooks; Lindon Leader, who created the current FedEx brand identity system as well as the CIGNA logo; and many more. Readers will learn: Why one logo is more effective than another How to create their own iconic designs What sets some designers above the rest Best practices for working with clients 25 practical design tips for creating logos that last

The Eleventh Trade Alyssa Hollingsworth,2018-09-18 From debut author Alyssa Hollingsworth comes a story about living with fear, being a friend, and finding a new place to call home. They say you can't get something for nothing, but nothing is all Sami has. When his grandfather's most-prized possession—a traditional Afghan instrument called a rebab—is stolen, Sami resolves to get it back. He finds it at a music store, but it costs \$700, and Sami doesn't have even one penny. What he does have is a keychain that has caught the eye of his classmate. If he trades the keychain for something more valuable, could he keep trading until he has \$700? Sami is about to find out. The Eleventh Trade is both a classic middle school story and a story about being a refugee. Alyssa Hollingsworth tackles a big issue with a light touch. 2020 UKLA Award Winner

Pinterest Marketing: 80k to 14+ Million in 3 Months Kerrie Legend, 2019-03-24 Pin great images. Check. Use quality keyword phrases. Check. Follow boards and profiles that your audience will love. Check. You've done everything the experts have said to do, but are only getting marginal traffic on your website on Pinterest. What about amplification? How do you reach over 1 million, 5 million, or even 10 million viewers on a regular basis? *Pinterest Marketing: 80k to 14+ Million in 3 Months* focuses not just on the basic aspects of growing your blog into a business, but also how to amplify your Pinterest reach so that your website receives hundreds of thousands of viewers daily, growing your email list and makes the conversion from visitor to happy customer. Find out exactly how to reach over 10 million monthly viewers regularly with the 3 key things Kerrie Legend discovered in testing over 10 accounts and working with bloggers and writers just like you. There are three critical things that took accounts from growing in followers from single digits a day to over a hundred daily, increased monthly views, and brought higher conversion to domain pins. Pinterest has been through a lot of changes in the past year. It's growing. It's evolving, and looking at an IPO in 2019. And you can use this powerful search engine to grow and evolve your business as well, from one that is constantly marketing on the outbound to focusing on inbound marketing. If your email newsletter list is suffering or you're not growing as fast as you'd like with your business, this is the book for you. Why Pinterest? Pinterest is an incredible search engine tool that is perfect for bloggers and marketers to grow their businesses online. The trouble is, most website owners either do not have their Pinterest account set up correctly or are not using Pinterest to gain followers, grow their blog and get free website traffic. Imagine a situation or your life if you could... Grow your online traffic and social media following like you couldn't imagine in just an hour a week. Constantly draw in new clients and customers (not to mention traffic) who are excited to hear what you have to say and are more than willing to share it with their friends and followers. A blogger's dream, right?! Become the online leader in your area of expertise. Be the go-to person for in-the-know. Have a social media following that you can rely on to engage with you. To buy your products, services, etc. Have business growth without spending money on ads. Have orders come in and be able to pinpoint exactly where the traffic is coming from. Have extra hours in your day to create amazing content, engage with your audience and spend time enjoying life away from your blog, knowing it will continue growing even while you aren't working (maybe even sleeping!). Practically everything you do will become automated, and you can sit back, smile and go do other fun things. Kerrie Legend developed a course on Pinterest and is sharing her expertise on this amazing online resource so bloggers, authors, and marketers like you can benefit and grow. Learn how to design pins, automate using 3rd party services like Buffer, Tailwind, other authorized platforms, and use pins and boards strategically to get viral attention for your website.
