Fair Play: Reese's Book Club Eve Rodsky, 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband,

asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

Excel for Budgeting M.L. Humphrey, Microsoft Excel is a fantastic tool for both business and personal use. And one of the most powerful uses of Excel for individuals is in tracking your finances. This guide will walk you through how to create an Excel workbook that will allow you to track your monthly expenses, your cash and credit card spending by category, look at the next three months of income and expenses, as well as look at the bigger picture and calculate your assets, liabilities, net worth, and liquid net worth. By the time you're done using this guide you will have created a tracking workbook that you can use on an ongoing basis to measure your financial health and help reach your financial goals. This workbook is based on the principles outlined in Budgeting for Beginners, but you don't need to have read that book to use this one. You should, however, have a basic understanding of how to use Microsoft Excel. keywords: excel for budgeting, excel for money management, personal finance, track spending, assets, liabilities

The 12 Week Year Brian P. Moran, Michael Lennington, 2013-05-15 The guide to shortening your execution cycle down from one year to twelve weeks Most organizations and individuals work in the context of annual goals and plans; a twelve-month execution cycle. Instead, The 12 Week Year avoids the pitfalls and low productivity of annualized thinking. This book redefines your year to be 12 weeks long. In 12 weeks, there just isn't enough time to get complacent, and urgency increases and intensifies. The 12 Week Year creates focus and clarity on what matters most and a sense of urgency to do it now. In the end more of the important stuff gets done and the impact on results is profound. Explains how to leverage the power of a 12 week year to drive improved results in any area of your life Offers a how-to book for both individuals and organizations seeking to improve their execution effectiveness Authors are leading experts on execution and implementation Turn your organization's idea of a year on its head, and speed your journey to success.

The Feminist Financial Handbook Brynne Conroy, 2018-10-15 A modern woman's guide to making and managing money with practical advice and real-life success stories from the founder of FemmeFrugality.com. Numbers may not care about

your gender—but numbers are hardly the driving force behind your financial future. Getting ahead can be difficult when systemic oppression has placed hurdles between you and your aspirations. But it's far from impossible. The Feminist Financial Handbook provides real women the resources and motivation they need to live their wealthiest lives. Author Brynne Conroy shares practical advice on saving, financial planning and more while delving into issues that disproportionately affect women, like the wage gap or the long road to economic recovery after experiencing domestic violence. The Feminist Financial Handbook features stories and advice from women of all walks of life who have been there, worked through the struggle, and achieved personal success. Atomic Habits James Clear, 2018-10-16 The #1 New York Times bestseller. Over 20 million copies sold! Translated into 60+ languages! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Lucky Bitch Denise Duffield-Thomas, 2018-03-20 Can you learn to be lucky? Self-made millionaire Denise Duffield-Thomas not only believes this is possible, she knows it's possible. From being broke, hating her office job and generally having a life that made her completely miserable, Denise went on to travel the world and make all of her dreams come true within the space of a few years. She attracted more than half a million dollars-worth of free travel, scholarships, prizes and bank errors in her favour, and in this book she reveals how you can do the same. Whether you're already lucky and want to

attract even more into your life, or you feel like your luck is just about to run out, Lucky Bitch will show you how to take action in areas of your life that are lacking in magic. With her trademark humour and encouragement, Denise gives clear and effective instructions based on the principles of the Law of Attraction to get you closer to living your dream life. You'll also learn the 'Ten Lucky Bitch Commandments' and how to use them to create luck in all areas of life, including business and money. This book has already changed the lives of tens of thousands of women. Now it has the potential to change yours. If you've been asking for an answer or a miracle, this book is it! 9781788171342

Creating More Effective Graphs Naomi B. Robbins, 2005 A succinct and highly readable guide to creating effective graphs The right graph can be a powerful tool for communicating information, improving a presentation, or conveying your point in print. If your professional endeavors call for you to present data graphically, here's a book that can help you do it more effectively. Creating More Effective Graphs gives you the basic knowledge and techniques required to choose and create appropriate graphs for a broad range of applications. Using real-world examples everyone can relate to, the author draws on her years of experience in graphical data analysis and presentation to highlight some of today's most effective methods. In clear, concise language, the author answers such common questions as: What constitutes an effective graph for communicating data? How do I choose the type of graph that is best for my data? How do I recognize a misleading graph? Why do some graphs have logarithmic scales? In no time you'll graduate from bar graphs and pie charts to graphs that illuminate data like: Dot plots Box plots Scatterplots Linked micromaps Trellis displays Mosaic plots Month plots Scatterplot matrices . . . most of them requiring only inexpensive, easily downloadable software. Whether you're a novice at graphing or already use graphs in your work but want to improve them, Creating More Effective Graphs will help you develop the kind of clear, accurate, and well-designed graphs that will allow your data to be understood.
