Botanical Colour at Your Fingertips Rebecca Desnos, 2016 Do you love plants? Do you love crafting? Would you like to dye your own fabric, yarn or clothing? Learn the relaxing art of botanical dyeing with natural dyes, Rebecca Desnos. Connect with nature and open your eyes to the colour potential of plants. Discover how to: produce a wide palette of colours, including pink from avocados, yellow from pomegranates and coral from eucalyptus leaves; extract dye from just about any plant from the kitchen, garden or wild; use the ancient method of soya milk mordanting to achieve rich and long-lasting colour on plant fibres, such as cotton and linen; produce reliable colours that withstand washing and exposure to light.

**The Kindle Publishing Bible** Tom Corson-Knowles, 2013 How To Sell More Kindle Ebooks In 7 Days I Believe Kindle Publishing Should Be Fun, Profitable And Very, Very Easy If you want your book to become a Kindle best seller I can show you how! In this best selling book with over 25,000 copies sold, you will learn how to: Increase Your Book's Amazon And Google Search Traffic By 423% In 30 Minutes If you're a self-published author without a large platform or following, you will never be able to promote more than the published authors with huge marketing budgets. But you can outrank them on Amazon search every time! Why? Because 99% of Kindle authors don't know how to increase their search engine rankings in Amazon and Google. But I do - and I'm going to show you how in this book (it won't cost you a dime to implement these strategies). Most authors (even the ones with publishers and big marketing budgets) have no idea how to do keyword research, tag their book, add the right search keywords when they publish their book or insert keywords in their book description without it sounding like it was written by a robot. For New Authors: Step-By-Step Instructions With Picture Tutorials If you're a first-time Kindle publisher or technologically challenged then this book is for you! I even had my Grandma Ann Knowles follow the instructions step by step and she gave it a big thumbs up for easy to use instructions. The playing field has been leveled with ebook publishing - and if my Grandma can do it I guarantee you can too! For Existing Authors: How To Sell More Books In 5 Days Than You Did Last Month I'm going to share with you my KDP Select Free Promotion Marketing Formula for getting tens of thousands of readers to download your book in just 5 days. All you have to

do is read the Marketing Formula instructions and follow them (it takes about 3 hours of work to get thousands of new readers). How To Sell On Kindle Using Your Book Description If you think your book is going to sell itself think again! If you're a fiction author or novelist, you have to show your readers the story and engage them in it or they won't buy a book from an unknown author. And if you're a non-fiction author, you have to tell potential readers how your book is going to help them solve their problem fast or they'll click away without buying. I'm going to show you the Show And Tell system for selling more books on Kindle by giving you readers what they want and overcoming objections in your book description! Kindle marketing isn't about having a big marketing budget or publisher behind you - but you still need exposure and a great offer. This book will help you with get more exposure with Amazon search and other great marketing tips. You also have to make buying your book an irresistible offer so that when browsers get done reading your book description they say, I have to buy this book! You can't do that without a strategic plan and a well-written book description. Bonus! Video interviews with best-selling Kindle authors as they share their coveted book marketing strategies. About The Author My poetry was first published at age 16 in Teen Ink magazine and I started writing books at age 19 but had no idea how to get my message out to anyone other than my friends and family. Finally, I discovered Amazon's Kindle Publishing platform and published my first book on Kindle on February 10, 2012. Since then, I've sold tens of thousands of ebooks on Kindle and now earn a full-time income as a part-time Kindle author. I've since helped hundreds of self-published authors like myself sell more books on Kindle. If I can do it you can too! Learn how to sell more books on Amazon today. Scroll up and grab your copy today.

*Business Model Generation* Alexander Osterwalder,Yves Pigneur,2013-02-01 Business Model Generation is a handbook for visionaries, game changers, and challengers striving to defy outmoded business models and design tomorrow's enterprises. If your organization needs to adapt to harsh new realities, but you don't yet have a strategy that will get you out in front of your competitors, you need Business Model Generation. Co-created by 470 Business Model Canvas practitioners from 45 countries, the book features a beautiful, highly visual, 4-color design that takes powerful strategic ideas and tools,

and makes them easy to implement in your organization. It explains the most common Business Model patterns, based on concepts from leading business thinkers, and helps you reinterpret them for your own context. You will learn how to systematically understand, design, and implement a game-changing business model--or analyze and renovate an old one. Along the way, you'll understand at a much deeper level your customers, distribution channels, partners, revenue streams, costs, and your core value proposition. Business Model Generation features practical innovation techniques used today by leading consultants and companies worldwide, including 3M, Ericsson, Capgemini, Deloitte, and others. Designed for doers, it is for those ready to abandon outmoded thinking and embrace new models of value creation: for executives, consultants, entrepreneurs, and leaders of all organizations. If you're ready to change the rules, you belong to the business model generation!

**Value Proposition Design** Alexander Osterwalder, Yves Pigneur, Gregory Bernarda, Alan Smith, 2015-01-28 The authors of the international bestseller Business Model Generation explain how to create value propositions customers can't resist. Value Proposition Design helps you tackle the core challenge of every business — creating compelling products and services customers want to buy. This highly practical book, paired with its online companion, will teach you the processes and tools you need to create products that sell. Using the same stunning visual format as the authors' global bestseller, Business Model Generation, this sequel explains how to use the "Value Proposition Canvas" to design, test, create, and manage products and services customers actually want. Value Proposition Design is for anyone who has been frustrated by new product meetings based on hunches and intuitions; it's for anyone who has watched an expensive new product launch fail in the market. The book will help you understand the patterns of great value propositions, get closer to customers, and avoid wasting time with ideas that won't work. You'll learn the simple process of designing and testing value propositions, that perfectly match customers' needs and desires. In addition the book gives you exclusive access to an online companion on Strategyzer.com. You will be able to assess your work, learn from peers, and download pdfs, checklists, and more. Value Proposition Design is an essential companion to the "Business Model Canvas" from Business Model Generation, a tool embraced globally by startups and large corporations such as MasterCard, 3M, Coca Cola, GE, Fujitsu, LEGO, Colgate-Palmolive, and many more. Value Proposition Design gives you a proven methodology for success, with value propositions that sell, embedded in profitable business models.

*Edupreneur: How To Monetise Your Expertise and Profitably Educate Your Market* Sarah Cordiner, 2017-09 Education is the new currency. Regardless of what business or industry you are in; if you wish to sell what you have to others, your commercial survival depends on you becoming the EDUPRENEUR. Consumers are tired of sales pitches and promises, and instead are seeking information and knowledge. By giving it to them you get to demonstrate your capability and expertise as much as they get to experience it - making you choice number 1 for their needs. Edupreneurs strategically share their

expertise in a way that provides unprecedented global reach, immeasurable impact on the lives of others, and unlimited income potential. Every single person on Earth has an abundant and unique set of skills, experiences, and knowledge that could be turned into commercially profitable products and services. In this book, Sarah Cordiner will take you through the fundamentals of monetising your expertise and profitably sharing what you know with the world. Whether you are an absolute beginner in creating and selling information and education-based products and services, or are up-levelling to a serious education-based business operation; this book will help you get there. Inside this book: How to commercialise your skills, knowledge, and expertise and start profiting from what is already in your head. How to create your own unique 'funnel of service', so that you no longer need to 'sell', and instead have your customers coming eagerly to you for your advice and expertise. A deep dive into the 10 stages of designing and building a highly successful information or education-based business so that you maximise your impact and income. How to price your informational and educational products and services; including courses, consulting, workshops and more. Where and how to sell your educational products for maximum exposure and sales - particularly online courses. The critical elements of an online education based business. What online tools, apps and products you need and how they all fit together for maximum profitability, scalability, and automation. How to use your expertise to become a well-known leader in your industry.

Design with Canva Lateefah Raji, 2021-04-22 Design with Canva is a book carefully written to help you understand how to design with Canva. In this book, I explore all the tools on Canva. I also explained how you can design with CANVA from zero in a succinct but comprehensive way, so you can use this book to learn graphic design from the basics. At the end of this book, you'd be able to use Canva to design.

*Holiday on Park* Racquel Henry, 2019-10-25 A second chance holiday romance short story set in Orlando, Florida.

**The Book of Answers** Carol Bolt, 2018-10-23 25 years and over 1 million copies in print: An updated, repackaged edition of the bestselling divination tool and party favorite - ask a yes or no question, open the book, find your answer. Should you ask your boss for a raise? Call that cutie you met at a party? Sell your Google stock? Tell your best friend her boyfriend's cheating? The answer to these questions (and hundreds of others) is in this fun and weirdly wise little book that's impossible to put down. It's simple to use: just hold it closed in your hands and concentrate on your question for a few seconds. While visualizing or speaking your question, place one palm down on the book's front and stroke the edge of the pages back to front. When you sense the time is right, open to the page your fingers landed on and there is your answer! Fun, satisfying, and a lot less time-consuming than asking everyone you know for advice.

*Ocean Heart* Ally Aldridge, 2020-12-01 Being a mermaid brings a new depth to 'it's complicated.' High school teen Mariah's life is anything but simple. Between a crush on her best friend and a rivalry brewing with the swim team star, her powers awaken early. When Mariah's guardian meddles in her life with magic, she causes more harm than good. The soul

reapers are coming and there's a werewolf hungry for merblood. All secrets wash ashore sooner or later, and Mariah's about to discover hers. Mixing a messy love life with deadly powers will whip up a storm of trouble. Can Mariah contain it or will she be swept up in its wake? A gripping story about a mermaid, self acceptance, and romance that literally sparks.
