Abduzeedo Inspiration Guide for Designers Fabio Sasso, 2011-05-19 Brazilian designer Fábio Sasso, who has wildly popular design blog Abduzeedo, has created the definitive guide to design. This book features interviews with designers and offers tutorials on various design styles, an extension of what he does with his site abduzeedo.com. Each chapter addresses a particular style, e.g., Vintage, Neo-surrealism, Retro 80s, Light Effects, Collage, Vector, and starts off with an explanation about the style and techniques that go into that style. Next, the Abduzeedo Design Guide shows images from different visual artists illustrating each style. Fábio interviews a master of each style, such as, in the case of Retro Art, James White. Then he wraps up the chapter with a tutorial showing the elements and techniques for creating that style in Photoshop. Meant for beginning to intermediate designers as well as more experienced designers looking for inspiration, the book focuses on styles that can be applied both to web or print.

Oscar's American Dream Barry Wittenstein, 2020-10-13 If you want to see 20th century American history unfold before your eyes, stand on a city street corner and watch it change! It all starts when an immigrant named Oscar opens a barber shop... When Oscar lands on Ellis Island, he has only a suitcase and a down payment in his hands. And he has a dream-- to own his own barbershop. After it opens on the corner of Front St. and Second Ave, Oscar's barbershop becomes a beloved local fixture... until the day Oscar decides to move on and become a subway conductor. Over the years, this barbershop will change hands to become a lady's clothing store, then a soup kitchen. A coffee shop follows, then the space becomes an army recruitment center, then a candy shop. As the years pass and the world changes, the proud corner store stands tall, watching American history unfold around it. Barry Wittenstein and debut husband-and-wife illustration team Kristen and Kevin Howdeshell tell the rich, fascinating story of key moments in American history, as reflected through the eyes--and the patrons--of the corner store.
