Sunderland, Industrial Giant Marie Gardiner,2017-11-24 Sunderland was once one of Britain's industrial giants. Famous for its shipyards, mines and glass-making, it thrived at a time when its country needed it most. After the Second World War the town saw incredible change, as the heavy industry that seemed so permanent, faded and died. How do you cope with the loss of centuries of working tradition? These are the stories of the people who worked through this evolution, watched their town change around them and become a city - the people who saw the end of one era and the beginning of a challenging new one.

Make Your Mess Your Memoir Anna David,2020-06 These days, there's no better business tool than a book. But most people don't know how to write one-or even where to start. Turns out the best place is the messy middle. Anna David knows this more than anyone. When the New York Times bestselling author of seven books got sober and sold a book about her recovery to the biggest publisher in the world, she thought she'd made it. Then she learned the hard way that trying to make a living by selling books to traditional publishers was a cruel joke-and that accepting the unacceptable was no way to live. The publishing industry was ripe for disrupting. But first David had to make a mess and then learn from it. After years of struggle and self-discovery, she ended up not only mentoring and publishing hundreds of bestselling authors but also thriving personally and professionally. Now she's sharing what she's learned-and showing others how to do the same. In this page-turning and useful memoir-meets-manual, David reveals her personal lows (doing cocaine by herself while contemplating suicide), her career lows (a past-his-prime celebrity hurling a phone at her as she wrote his biography) and how her life today wouldn't be possible without those experiences. With deft humor and unique insight, David demonstrates how much early childhood programming can set us up to repeat our own dysfunctional patterns-until we're ready to shift our behavior. The last quarter of the book is a practical guide so that readers can make their own mess into a message-and memoir.

We Are Here to Stay: Voices of Undocumented Young Adults Susan Kuklin,2019-01-08 With refreshing candor, photos and interviews usher us into the lives of eleven undocumented young people bravely speaking out. "Maybe next time they hear someone railing about how terrible immigrants are, they'll think about me. I'm a real person." Meet nine courageous young adults who have lived in the United States with a secret for much of their lives: they are not U.S. citizens.

They came from Colombia, Mexico, Ghana, Independent Samoa, and Korea. They came seeking education, fleeing violence, and escaping poverty. All have heartbreaking and hopeful stories about leaving their homelands and starting a new life in America. And all are weary of living in the shadows. *We Are Here to Stay* is a very different book than it was intended to be when originally slated for a 2017 release, illustrated with Susan Kuklin's gorgeous full-color portraits. Since the last presidential election and the repeal of DACA, it is no longer safe for these young adults to be identified in photographs or by name. Their photographs have been replaced with empty frames, and their names are represented by first initials. We are honored to publish these enlightening, honest, and brave accounts that encourage open, thoughtful conversation about the complexities of immigration — and the uncertain future of immigrants in America.

Jab, Jab, Jab, Right Hook Gary Vaynerchuk, 2013-11-26 New York Times bestselling author and social media expert Gary Vaynerchuk shares hard-won advice on how to connect with customers and beat the competition. A mash-up of the best elements of *Crush It!* and *The Thank You Economy* with a fresh spin, *Jab, Jab, Jab, Right Hook* is a blueprint to social media marketing strategies that really works. When managers and marketers outline their social media strategies, they plan for the “right hook”—their next sale or campaign that’s going to knock out the competition. Even companies committed to jabbing—patiently engaging with customers to build the relationships crucial to successful social media campaigns—want to land the punch that will take down their opponent or their customer’s resistance in one blow. Right hooks convert traffic to sales and easily show results. Except when they don’t. Thanks to massive change and proliferation in social media platforms, the winning combination of jabs and right hooks is different now. Vaynerchuk shows that while communication is still key, context matters more than ever. It’s not just about developing high-quality content, but developing high-quality content perfectly adapted to specific social media platforms and mobile devices—content tailor-made for Facebook, Instagram, Pinterest, Twitter, and Tumblr.

Fuss-Free Vegan Sam Turnbull, 2017-10-17 Being vegan doesn't have to mean living off kale and quinoa, or spending your money on fancy and expensive ingredients. And it definitely doesn't have to mean feeling limited for choices of what to eat!

What if “vegan food” could mean cheesy nachos and pizza, hearty burritos, gooey spinach and artichoke dip, decadent chocolate cake or even crème brûlée? Well, it can. In *Fuss-Free Vegan*, Sam Turnbull shows you that “vegan” does not equal unappetizing dishes, complicated steps, ingredients you have never heard of, or even food that tastes healthy. Instead, she gives you drool-worthy yet utterly fuss-free recipes that will bring everyone together at the table, vegans and non-vegans alike, in a chorus of rave reviews. This is the cookbook Sam wishes she had when she went vegan: one that recreates and veganizes the dishes she loved most in her pre-vegan days, like fluffy pancakes and crispy bacon, cheesy jalapeño poppers and pizza pockets, creamy Caesar salad and macaroni and cheese, rich chocolate brownies and holiday-worthy pumpkin pie, to name just a few. (And there’s no hummus recipe in sight.) Say goodbye to searching endlessly around for that one special ingredient that you can’t even pronounce, or cooking dishes that don’t deliver on their promise of yumminess; instead, say hello to ingredients you can pick up at your local grocery store, step-by-step techniques, and Sam’s enthusiastic voice cheering you on throughout this fun, approachable cookbook. With 101 tried-and-tested, one-of-a-kind vegan recipes for every meal, from breakfasts to lunches to dinners, and even snacks, desserts, appetizers and vegan staples, as well as handy menu plans and tips to amp up the recipes and your vegan life, Sam Turnbull and *Fuss-Free Vegan* are your ultimate guides in the new vegan kitchen.
