A Universal Template for Research Position and Life Experience Papers Dale Drakeford,2005-03 The self-descriptive title, A Universal Template For Research Position and Life Experience Papers, implies that there is a position that writers take in even the simplest of essays. As such, Template provides an opportunity to accomplish two tasks at once: consider the definitive differences between Research, Position, and Experience papers, and explore the issues that impound and empower contemporary urban education. Dale Benjamin Drakeford provides an interactive workshop to guide student writing on any social science subject. Agreeing with many scholars that public and free pedagogy is indispensable, the author also argues that there is no wrong or right in scholastic debate, only correct presentation of objective thoughts or non-objective attitudes. This the author says, is what is sometimes forgotten in the heat of getting ideas on paper. Hence, Template provides structure for planning papers, and in-process cues for staying on task to complete them with proper formality.

Chasing the Bear Lars Anderson,2019-09-03 A dual biography of two coaching legends -- Bear Bryant and Nick Saban -- who built the Alabama Crimson Tide into a true football dynasty. Both Bear Bryant and Nick Saban are undeniable kings of college football, two coaches at Alabama who have each won more national championships -- six apiece -- than anyone else in the history of the game. CHASING THE BEAR examines how they did it, revealing along the way their similarities in style, background, football philosophy, and recruiting methods, while providing readers a rare inside look at two of the greatest leaders in the history of sports. Bear Bryant and Nick Saban never met, but they have more in common than either of them realize. Both grew up in small towns -- Bryant in Moro Bottom, Arkansas, a dot on the map, and Saban from Monongah, West Virginia, population five hundred. As a child, Saban pumped gas at his father's service station, washing and waxing cars and doing anything he could to help the business. Bryant's father suffered from multiple physical ailments, which forced Bryant to work to keep the family farm going. Both men knew the value of hard work from the time they were young boys, and both understood that there were no shortcuts to success. But both dreamed of escaping their hometowns, and both used football as the means to do so. Separated by two generations, Bear Bryant and Nick Saban are mythic figures linked by a school, a town, and a barroom debate centering on one question: Which is the greatest college coach of all time?
