**Creative Cloth Explorations** Patti Medaris Culea,2011-02-09 Introduces new, creative techniques for the fiber journaler, scrapbooker, doll maker, beader, and sewer through fairy-inspired projects. This book is the fifth installment on making creative cloth fiber arts from popular art doll designer, fiber artist, and workshop instructor Patti Culea, following *Creative Cloth Doll Making*, *Creative Cloth Doll Faces*, *Creative Cloth Doll Couture*, and *Creative Cloth Beaded Dolls*. This book builds on the previous four by delving into how to make fun and elaborate-looking projects using the same old materials in a new and unique way. Readers will learn to make flat figures, fabric books, and a fairy-style fan. Culea covers the basics and provides new techniques—such as using Shiva paint sticks and stencils, working with silk rods and waste, and using lace and trims as a frame—while teaching you to how create a flat figure doll, memory journal with embellished cloth pages, and a beautiful fan. Professional tips, ideas for embellishments, cutting-edge techniques, and complete patterns for all the projects are included.

**Aizai the Forgotten: The Soul Wanderers** Mary-Jean Harris,2016-08-24 Seventeen-year old Wolfdon dreams of travelling to Aizai, a forgotten realm connected to our world by invisible sol-lines. He begins his search as a word-warrior in his hometown in France in the late 17th century, hunting for rare books that mention Aizai. One obscure book, by the philosopher Paulo de la Costa Santamiguero, has given him a lead to start his journey—to go to the northern coast of Spain where a portal to Aizai supposedly exists. With a noble horse he borrows from an astrologer and armed with a strange magical device, Wolfdon travels to a place that surpasses even his vivid imagination, with walking statues, animals with glowing gems of power, beautiful towers and misty valleys, and Aizians whose magic is innate to their souls. He meets many peculiar characters, from the cryptic Philosophers of the Eastern Empyrean to beautiful Aizians and dark magicians. Though death and danger loom ever near, nothing can dim the brightness of Aizai kindling within Wolfdon's heart. Yet as he strives to discover Aizai's secrets and fate, a frightening truth becomes perilously near, and may cost Wolfdon everything, including the future.

**Freckle Juice** Judy Blume,2024-11-05 More than anything in the world, Andrew wants freckles. His classmate Nicky has freckles -- they cover his face, his ears, and the whole back of his neck. (Once sitting behind him in class, Andrew counted eighty-six of them, and that was just a start! One day after school, Andrew screws up enough courage to ask Nicky where he got his freckles. And, as luck would have it, who should overhear him but giggling, teasing Sharon (who makes frog faces at everybody!) Sharon offers Andrew her secret freckle juice recipe -- for fifty cents. That's a lot of money to Andrew -- five whole weeks allowance! He spends a sleepless night, torn between his desire for freckles and his reluctance to part with such a substantial sum of money. Finally, the freckles win, and Andrew decides to accept Sharon's offer. After school, Andrew rushes home (with the recipe tucked into his shoe for safekeeping). He carefully begins to mix the strange combination of ingredients -- and immediately runs into some unforeseen problems. How Andrew finally manages to achieve a temporary set of freckles -- and then isn't sure he really wants them -- makes a warm and hilarious story.
