Big Podcast - Grow Your Podcast Audience, Build Listener Loyalty, and Get Everybody Talking About Your Show David Hooper, 2019-03-12 Is it worth doing a podcast if nobody listens? You started your podcast because you want to: - Spread an important message - Share your passion - Make money But your podcast hasn't quite taken off like you thought it would. What happened? This book is for podcasters who can't quite figure out what they're doing wrong (and are ready to do things right). You'll learn: - Why your "natural personality" may be repelling to people and how to make it attract listeners to your podcast like a magnet (See p198) - What to do when a company tries to "lowball" you on advertising fees (do nothing, except send them the email on p424) - It's easy to screw up an interview. To be sure you don't run into any problems, use my "guest contract" on p311. - A six-word "trick" (learned from a 20-year radio veteran) that will instantly make you a better host (it's on p210) - 9 reasons to kill an interview before it happens - ignore these "red flags" and you'll be sorry (p299) - What Victoria's Secret models know about podcasting (even though you never hear them talk) - this lesson starts on p208! - Nervous on the mic? You have lots of company - 75% of podcasters to be exact. I give you a 5-step way to cure your "stage fright" on p229. - If you're scared of getting bad reviews, don't worry - I have three simple ways to handle critics on p236 (two of which can turn critics into fans) - Why copying top podcasters may be killing your podcast (I share the story on p116) and how to develop a podcasting style that works for you (and will attract more listeners) - My 3-step "episode teaser" formula - it's boring, but it works (get it on p110) - Thinking of doing a "daily" podcast? You must read p103 before you start. - Want to impress a guest? See the chapter starting on p321 for my 3-step followup "ritual" that will make being on your podcast unforgettable (and encourage guests to promote your episodes) And that's just the start ... This book contains my complete system on how to attract listeners, deliver your message effectively, and build a big podcast. You can't build a big podcast on hope. But you can build a big podcast. And if you're ready to do just that, read this book.

Likeonomics Rohit Bhargava,2012-04-25 How to become a trusted resource for consumers in a society of constant manipulation People decide who to trust, what advice to heed, and which individuals to forge personal or transactional relationships with based on a simple metric of believability. Success, in turn, comes from understanding one basic principle: how to be more trusted. Likeonomics offers a new vision of a world beyond Facebook where personal relationships, likeability, brutal honesty, extreme simplicity, and basic humanity are behind everything from multi-million dollar mergers to record-breaking product sales. There is a real ROI to likeability, and exactly how big it is will amaze you. Likeonomics provides real-world case studies of brands and individuals that have used these principles to become wildly successful, including: An iconic technology brand that awakened a revolution among their employees by standing for something bigger

than their products A Portuguese singer who used YouTube to rack up more than 30 million views and launch her professional career. A regional team of financial advisors that went from being last in the nation among 176 branches to first, and stayed there for 13 of the next 15 years A tiny professional sports talent agent who achieved the impossible by landing the #1 drafted player in the NFL draft as a client through the power of relationships Author Rohit Bhargava is a founding member of the world's largest group of social media strategists at Ogilvy, where he has led marketing strategy for clients including Intel, Pepsi, Lenovo, Seiko, Unilever, and dozens of other large companies With Likeonomics as a guide, readers will get unconventional advice on how to stand out in a good way, avoid the hype and strategic traps of social media, and appeal to customers in a way that secures your company as a trusted and believable resource.

Risen Motherhood (Deluxe Edition) Emily A. Jensen,Laura Wifler,2022-10-25 THIS HIGHLY GIFTABLE DELUXE EDITION OF THE BESTSELLER INCLUDES THREE ALL-NEW CHAPTERS Motherhood is hard. In a world of five-step lists and silver-bullet solutions to become perfect parents, mothers are burdened with mixed messages about who they are and what choices they should make. If you feel pulled between high-fives and hard words, with culture's solutions only raising more questions, you're not alone. But there is hope. You might think that Scripture doesn't have much to say about the food you make for breakfast, how you view your postpartum body, or what school choice you make for your children, but a deeper look reveals that the Bible provides the framework for finding answers to your specific questions about modern motherhood. Emily Jensen and Laura Wifler help you understand and apply the gospel to common issues moms face so you can connect your Sunday morning faith to the Monday morning tantrum. Discover how closely the gospel connects with today's motherhood. Join Emily and Laura as they walk through the redemptive story and reveal how the gospel applies to your everyday life, bringing hope, freedom, and joy in every area of motherhood.

Ditch That Textbook Matt Miller,2015-04-13 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting by the textbook implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

Disgraceland Jake Brennan,2019-10-01 From the creator of the popular rock 'n' roll true crime podcast, *Disgraceland* comes an off-kilter, hysterical, at times macabre book inspired by true stories from the highly entertaining underbelly of music history. You may know Jerry Lee Lewis married his thirteen-year-old cousin but did you know he shot his bass player in the chest with a shotgun or that a couple of his wives died under extremely mysterious circumstances? Or that Sam Cooke was shot dead in a seedy motel after barging into the manager's office naked to attack her? Maybe not. Would it change your view of him if you knew that, or would your love for his music triumph? Real rock stars do truly insane things and invite truly insane things to happen to them; murder, drug trafficking, rape, cannibalism and the occult. We allow this behavior. We are complicit because a rock star behaving badly is what's expected. It's baked into the cake. Deep down, way down, past all of our self-righteous notions of justice and right and wrong, when it comes down to it, we want our rock stars to be bad. We know the music industry is full of demons, ones that drove Elvis Presley, Phil Spector, Sid Vicious and that consumed the Norwegian Black Metal scene. We want to believe in the myths because they're so damn entertaining. *Disgraceland* is a collection of the best of these stories about some of the music world's most beloved stars and their crimes. It will mix all-new, untold stories with expanded stories from the first two seasons of the *Disgraceland* podcast. Using figures we already recognize, *Disgraceland* shines a light into the dark corners of their fame revealing the fine line that separates heroes and villains as well as the danger Americans seek out in their news cycles, tabloids, reality shows and soap operas. At the center of this collection of stories is the ever-fascinating music industry--a glittery stage populated by gangsters, drug dealers, pimps, groupies with violence, scandal and pure unadulterated rock 'n' roll entertainment.

Everything Happens for a Reason Kate Bowler,2018-02-06 NEW YORK TIMES BESTSELLER • “A meditation on sense-making when there’s no sense to be made, on letting go when we can’t hold on, and on being unafraid even when we’re terrified.”—Lucy Kalanithi “Belongs on the shelf alongside other terrific books about this difficult subject, like Paul Kalanithi’s *When Breath Becomes Air* and Atul Gawande’s *Being Mortal*.”—Bill Gates NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE Kate Bowler is a professor at Duke Divinity School with a modest Christian upbringing, but she specializes in the study of the prosperity gospel, a creed that sees fortune as a blessing from God and misfortune as a mark of God’s disapproval. At thirty-five, everything in her life seems to point toward “blessing.” She is thriving in her job, married to

her high school sweetheart, and loves life with her newborn son. Then she is diagnosed with stage IV colon cancer. The prospect of her own mortality forces Kate to realize that she has been tacitly subscribing to the prosperity gospel, living with the conviction that she can control the shape of her life with “a surge of determination.” Even as this type of Christianity celebrates the American can-do spirit, it implies that if you “can’t do” and succumb to illness or misfortune, you are a failure. Kate is very sick, and no amount of positive thinking will shrink her tumors. What does it mean to die, she wonders, in a society that insists everything happens for a reason? Kate is stripped of this certainty only to discover that without it, life is hard but beautiful in a way it never has been before. Frank and funny, dark and wise, Kate Bowler pulls the reader deeply into her life in an account she populates affectionately with a colorful, often hilarious retinue of friends, mega-church preachers, relatives, and doctors. Everything Happens for a Reason tells her story, offering up her irreverent, hard-won observations on dying and the ways it has taught her to live. Praise for Everything Happens for a Reason “I fell hard and fast for Kate Bowler. Her writing is naked, elegant, and gripping—she’s like a Christian Joan Didion. I left Kate’s story feeling more present, more grateful, and a hell of a lot less alone. And what else is art for?”—Glennon Doyle, #1 New York Times bestselling author of Love Warrior and president of Together Rising

Free Podcast Website Template Introduction

In the digital age, access to information has become easier than ever before. The ability to download Free Podcast Website Template has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Free Podcast Website Template has opened up a world of possibilities. Downloading Free Podcast Website Template provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the

click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Free Podcast Website Template has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Free Podcast Website Template. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Free Podcast Website Template. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Free Podcast Website Template, users should also consider the potential

security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Free Podcast Website Template has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Free Podcast Website Template Books

What is a Free Podcast Website Template PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Free Podcast Website Template PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools.
