Chicks and Salsa Aaron Reynolds,2014-06-10 With whimsical illustrations by Paulette Bogan, Aaron Reynolds has created a hilarious picture book about one rooster's quest for culinary delight. What happens at Nuthatcher Farm when the chickens get tired of the same old chicken feed? The rooster hatches a plan, of course! With a pinch of genius, a dash of resourcefulness, and a little pilfering from the farmer's garden, the chickens whip up a scrumptious snack of chips and salsa. When the rest of the barnyard gets a whiff of the spicy smells and want to join in, it can mean only one thing . . . FIESTA! But when the big day arrives, all their spicy southwestern supplies are gone! It seems that Mr. and Mrs. Nuthatcher have caught on to the flavor craze as well, and the only thing left for the animals to do is to try a new culinary style-oooh la la!

Fruit Cake Jason Schreiber,2020-11-10 Jason's love of shaking up tradition is evident. Adding fruits to bolster flavors in familiar baked goods is groundbreaking . . . steering us to experiment, try new combinations of flavors, and expand our

baking vocabulary. — From the foreword by Martha Stewart There are many superlatives that can be used to describe Jason Schreiber as a person, a baker, a cake designer, an artist, and now a writer. But here's my favorite: Jason is simply delightful. This book will not only teach you how to bake better, it will make you feel good. — Ron Ben-Israel, cake designer and television host This exquisitely designed cookbook offers an update to the fruit cake, that retro Christmas classic. The book's most stunning feature is photographs of cake slices, cupcakes, and other baked goods arranged in repeating patterns and in a brown, orange, and gold color palette that offers a fitting nod to the '70s, the fruit cake's heyday. — Booklist Schreiber debuts with an inspiring collection of recipes for cakes enriched with fruit that will be a revelation for fruitcake skeptics. A sharp design comprising easy-to-follow ingredient grids and modern-vintage-feel photography adds a polished touch. This will tantalize bakers seeking a modern approach to classic desserts. — Publishers Weekly [A] fun, inspiring collection of cakes . . . there is something for everyone. Bakers will enjoy the quirky writing style and delicious flavors. — Library Journal The vibrant cakes, muffins, pastries, and sweets that fill the pages of Jason Schreiber's new cookbook *Fruit Cake* will make you forget about the old doorstep studded with dried fruit and try your hand at baking something more fanciful. — Food & Wine Everyone loves a traditional dessert, especially during the festive season. But these creative recipes put a fresh, fruity spin on much-loved favourites. . . . Taking familiar baking recipes, Schreiber adds unexpected fillings to create flavour combinations as diverse as the stories behind them: think pomegranate molasses cake, blueberry ginger muffins and passionfruit lime pavlova. — Stylist (UK)

Creepy Pair of Underwear! Aaron Reynolds, 2017-08-15 From the celebrated team behind *Creepy Carrots!*, Aaron Reynolds and Caldecott Honor winner Peter Brown, comes a hilarious (and just a little creepy) story of a brave rabbit and a very weird pair of underwear. Jasper Rabbit is NOT a little bunny anymore. He's not afraid of the dark, and he's definitely not afraid of something as silly as underwear. But when the lights go out, suddenly his new big rabbit underwear glows in the dark. A ghoulish, greenish glow. If Jasper didn't know any better he'd say his undies were a little, well, creepy. Jasper's not scared obviously, he's just done with creepy underwear. But after trying everything to get rid of them, they keep coming back!
