Beginning Microsoft Word Business Documents James J. Marshall, 2007-02-01 Even relatively experienced users of Microsoft Word are often frustrated when trying to create specialized documents such as newsletters, brochures, grant applications and proposals. While templates are available on the Internet, these rarely include instructions or show how to modify and customize the template. This book walks the reader through the creation of new business documents and the modification of templates, building on included samples. The reader gains a clear grasp of where to start, what to include, why charts are helpful - and how to create them - and the best ways to use fonts to show clear organization.

Inbound Content Justin Champion, 2018-04-16 Develop and implement an effective content strategy tailored to your business's needs Inbound Content is a step-by-step manual for attracting the right people, turning them into leads, and

closing them into customers. Today, everyone knows that content is king. It's how we engage, how we inform, and how we pass the time; content is everywhere, and if you're not leveraging its power to promote your business, you've already been left behind. Having a website and social media is not enough; if you truly want to take advantage of unprecedented levels of connectedness, you have to create content that draws customers in. It's not about blindly expanding reach, it's about reaching out to the right audience. Today's marketplace is no longer about chasing the sale—with the right approach to content, your customers will come to you. Your content must be valuable, relevant, and consistent—but how should it be implemented at the actual content-creation level? This book shows you how to develop a unified strategy, create compelling content tailored to your needs, and utilize that content to its greatest advantage in order to build your brand. Discover the power of storytelling and generate effective content ideas Plan a long-term content strategy and a content creation framework Create great content, promote it, measure it, and analyze its performance Extend your content's value, become a more effective writer, and develop a growth mentality Effective content is worth its weight in marketing gold. It stands out from the noise, and to the customer, looks like an oasis in a desert of clickbait and paid reviews. Inbound Content shows you how to plan, build, and implement your content strategy for unprecedented engagement and sales.

Researching and Writing Dissertations Roy Horn, 2012-02-01 From finding a topic to writing and reviewing your work, *Researching and Writing Dissertations* is an essential tool for anyone working on a dissertation or business report. Making Effective Business Decisions Using Microsoft Project Advisicon, Tim Runcie, Doc Dochtermann, 2012-12-28
A guide to Microsoft Project that focuses on developing a successful project management strategy across the organization to drive better decisions. Making Effective Business Decisions Using Microsoft Project goes far beyond the basics of managing projects with Microsoft Project and how to set up and use the software. This unique guide is an indispensable resource for anyone who operates within a Project Management Operation (PMO) or is affected by the adoption of project management within an organization. Its focus is to provide practical and transitional information for those who are charged with making decisions and supporting corporate and strategic objectives, and who face cost and resource constraints. Because more and more companies are aligning project management with their business strategies, the book not only provides guidance on using Microsoft Project and teaching project management skills, but also includes important information on measuring results and communicating with the executive branch. It also provides valuable guidance in using SharePoint Server for social networking and working within a team. Clearly written and presented, the book: Covers work management using Microsoft Project at multiple levels within an organization Focuses on using Microsoft Project 2010 to integrate and support overall organizational strategies Includes hundreds of graphics, screen shots, and annotations that make it the most accessible and usable guide available on the subject Making Effective Business Decisions Using Microsoft Project is a valuable reference for project managers at all levels, and it sets a new standard for training manuals used by businesses that teach courses on project management using Microsoft Project.
