Beginning Microsoft Word Business Documents James J. Marshall, 2007-02-01 Even relatively experienced users of Microsoft Word are often frustrated when trying to create specialized documents such as newsletters, brochures, grant applications and proposals. While templates are available on the Internet, these rarely include instructions or show how to modify and customize the template. This book walks the reader through the creation of new business documents and the modification of templates, building on included samples. The reader gains a clear grasp of where to start, what to include, why charts are helpful - and how to create them - and the best ways to use fonts to show clear organization.

Inbound Content Justin Champion, 2018-04-16 Develop and implement an effective content strategy tailored to your business's needs Inbound Content is a step-by-step manual for attracting the right people, turning them into leads, and

closing them into customers. Today, everyone knows that content is king. It's how we engage, how we inform, and how we pass the time; content is everywhere, and if you're not leveraging its power to promote your business, you've already been left behind. Having a website and social media is not enough; if you truly want to take advantage of unprecedented levels of connectedness, you have to create content that draws customers in. It's not about blindly expanding reach, it's about reaching out to the right audience. Today's marketplace is no longer about chasing the sale—with the right approach to content, your customers will come to you. Your content must be valuable, relevant, and consistent—but how should it be implemented at the actual content-creation level? This book shows you how to develop a unified strategy, create compelling content tailored to your needs, and utilize that content to its greatest advantage in order to build your brand. Discover the power of storytelling and generate effective content ideas Plan a long-term content strategy and a content creation framework Create great content, promote it, measure it, and analyze its performance Extend your content's value, become a more effective writer, and develop a growth mentality Effective content is worth its weight in marketing gold. It stands out from the noise, and to the customer, looks like an oasis in a desert of clickbait and paid reviews. Inbound Content shows you how to plan, build, and implement your content strategy for unprecedented engagement and sales.

Researching and Writing Dissertations Roy Horn, 2012-02-01 From finding a topic to writing and reviewing your work, *Researching and Writing Dissertations* is an essential tool for anyone working on a dissertation or business report. This new edition is now suitable for students studying the CIPD Level 7 Advanced units Investigating a Business Issue and Using Information in HR but is equally relevant for all non-CIPD students too.
