Brightly Burning Alexa Donne, 2018-05-01 “One of the most anticipated YA debuts of 2018, *Brightly Burning* is a gothic, romantic mystery with hints of *Jane Eyre*, *Marissa Meyer*, and *Kiera Cass*.” —Entertainment Weekly “*Brightly Burning* delivers a brooding gothic mystery and a swoony romance, all set in space. Donne’s atmospheric, twisty update of a cherished classic will keep you up late into the night!” —Elly Blake, NYT bestselling author of the *Frostblood Saga* Stella Ainsley leaves poverty behind when she quits her engineering job aboard the *Stalwart* to become a governess on a private ship. On the *Rochester*, there’s no water ration, more books than one person could devour in a lifetime, and an AI who seems more friend than robot. But no one warned Stella that the ship seems to be haunted, nor that it may be involved in a conspiracy that could topple the entire interstellar fleet. Surrounded by mysteries, Stella finds her equal in the brooding but kind nineteen-year-old Captain Hugo. When several attempts on his life spark more questions than answers, and the beautiful Bianca Ingram appears at Hugo’s request, his unpredictable behavior causes Stella’s suspicions to mount. Without knowing who to trust, Stella must decide whether to follow her head or her heart. Alexa Donne’s lush and enthralling reimagining of the classic *Jane Eyre*, set among the stars, will seduce and beguile you.

Rid your world of ineffective graphs, one exploding 3D pie chart at a time. There is a story in your data—Storytelling with Data will give you the skills and power to tell it!

WordPress Complete - Sixth Edition Karol Krol,2017-08-31 Learn how to build a beautiful and feature-rich website or blog with WordPress all on your own. About This Book Learn how to build a WordPress site quickly and effectively, and how to create content that's optimized for publication on the web. Learn the basics of working with WordPress themes and plugins, and even create your own. Beginner-friendly layout and advice you can apply from day 1. Packed with screenshots and examples. Who This Book Is For This book is for anyone who wants to learn how to create a functional website, without having to hire a developer or a designer. The best thing about WordPress—the open source software that we're going to be using—is that it has a minimal learning curve and that everyone can master it quickly. No specific website building experience is required. Having said that, this book will also appeal to everyone who wants to get a bit more in-depth with WordPress development and start working on their own plugins and themes. What You Will Learn What WordPress is, where to get it, and how to launch your website quickly using it. How to publish your first content (a blog post or article). What the most important sub-pages of a quality website are, and how to create them in WordPress. How to upload multimedia content such as images, audio, and video. How to install and work with plugins and widgets. Where to find quality themes and how to install them. How to develop your own WordPress plugins and themes. In Detail WordPress Complete, Sixth Edition is a practical guide for everyone who wants to start their journey as an online publisher, website owner, or even a website developer. It takes you step-by-step through the process of planning out and building your site, and offers loads of screenshots and examples along the way. It's also a beginner's guide to theme and plugin development. This book begins with the basics of WordPress, followed by the different components that you as a developer will need to use to work swiftly and efficiently. The book starts by introducing WordPress to new readers in this field. You are then shown how to set it up, implement a blog, and use plug-ins and widgets. You'll use themes to make any website look and feel better and more

original. You also learn how to create your own themes and perform testing to ensure your website is bug-free. You will also acquire some idea of how to use WordPress for non-blog-like websites. By the end of the book, you will feel confident enough to design high-quality websites and will be familiar with the ins and outs of WordPress. Style and approach This is a step-by-step tutorial, where we show you how you build a professional-grade website from the ground up, adding more and more complex features as we move on.

The Graphic Design Process Anitra Nottingham,Jeremy Stout,2019-11-14 One of the main challenges students face upon entering design school is little knowledge of the field, its terminology and best practices. Unsurprisingly, most new students have never fully developed a concept or visual idea, been in a critique, or have been asked to explain their work to others. This book demystifies what design school is really like and explains what will be experienced at each stage, with particular focus on practical advice on topics like responding to design briefs and developing ideas, building up confidence and understanding what is expected. · Student work is critiqued to show how projects are really assessed · Profiles highlight how professional designers themselves address client briefs · Tips for real-life problems are outlined, like getting stuck and dealing with critical feedback Written by experienced instructors, this is the perfect guide for those starting their design education.

The Circus Train Amita Parikh,2022-12-06 International Bestseller and #1 LibraryReads Pick Water for Elephants meets The Night Circus in this World War II debut about a magnificent travelling circus, a star-crossed romance, and one girl's coming-of-age during the darkest of times. "A powerful reminder that to live is not just to survive, but to be seen and known for ourselves." —Pam Jenoff, author of The Orphan's Tale When all is lost, how do you find the courage to keep moving forward? 1938. Lena Papadopoulos has never quite found her place within the circus, even as the daughter of the extraordinary headlining illusionist, Theo. Brilliant and curious, Lena—who uses a wheelchair after a childhood bout with polio—yearns for the real-world magic of science and medicine, her mind stronger than the limitations placed on her by society. Then her unconventional life takes an exciting turn when she rescues Alexandre, an orphan with his own secrets and a mysterious past. As World War II escalates around them, their friendship blossoms into something deeper while Alexandre trains as the illusionist's apprentice. But when Theo and Alexandre are arrested and made to perform in a town for Jews set up by the Nazis, Lena is separated from everything she knows. Forced to make her own way, Lena must confront her doubts and dare to believe in the impossible—herself.

Madame Saqui Lisa Robinson,2020-03-24 A stunning picture book biography about the tightrope walker who dazzled Paris as she danced across the sky with impeccable balance and unparalleled skill during the French Revolution. In revolutionary France, a girl named Marguerite Lalanne longed to perform above large crowds on a tightrope, just like her acrobatic parents. Sneaking off to the fairgrounds for secret tightrope walking lessons, Marguerite finessed her performance skills, ultimately performing for crowds as a young rope dancer. And eventually, Marguerite would perform as Madame Saqui, waltzing and pirouetting across- and never falling off- countless ropes above adoring crowds. A nouvelle chérie de Paris, Madame Saqui cemented her place in circus history, winning the adoration of the French people and royalty alike, including Emperor Napoleon Bonaparte. This remarkable biography unveils the inspiring story of a trailblazing woman who revolutionized the circus world-- without ever missing a step.

Create Your Own Website The Easy Way Alannah Moore,2016-06-02 Every small business or organisation needs a website, whether it is a simple online portfolio or a complex online shop. David King Rick Poyner,2020-01-01 Exploring an unjustly overlooked figure in 20th-century British visual culture This book offers a comprehensive overview to the work and legacy of David King (1943-2016), whose fascinating career bridged journalism, graphic design, photography, and collecting. King launched his career at Britain's Sunday Times Magazine in the 1960s, starting as a designer and later branching out into image-led journalism. He developed a particular interest in revolutionary Russia and began amassing a collection of graphic art and photographs--ultimately accumulating around 250,000 images that he shared with news outlets. Throughout his life, King blended political activism with his graphic design work, creating anti-Apartheid and anti-Nazi posters, covers for books on Communist history, album artwork for The Who and Jimi Hendrix, catalogues on Russian art and society for the Museum of Modern Art in Oxford, and typographic covers for the left-wing magazine City Limits. This well-researched and finely illustrated publication ties together King's accomplishments as a visual historian, artist, journalist, and activist.

online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
