The Circus Train Amita Parikh,2022-12-06 International Bestseller and #1 LibraryReads Pick Water for Elephants meets The Night Circus in this World War II debut about a magnificent travelling circus, a star-crossed romance, and one girl's coming-of-age during the darkest of times. "A powerful reminder that to live is not just to survive, but to be seen and known for ourselves." —Pam Jenoff, author of The Orphan's Tale When all is lost, how do you find the courage to keep

moving forward? 1938. Lena Papadopoulos has never quite found her place within the circus, even as the daughter of the extraordinary headlining illusionist, Theo. Brilliant and curious, Lena—who uses a wheelchair after a childhood bout with polio—yearns for the real-world magic of science and medicine, her mind stronger than the limitations placed on her by society. Then her unconventional life takes an exciting turn when she rescues Alexandre, an orphan with his own secrets and a mysterious past. As World War II escalates around them, their friendship blossoms into something deeper while Alexandre trains as the illusionist's apprentice. But when Theo and Alexandre are arrested and made to perform in a town for Jews set up by the Nazis, Lena is separated from everything she knows. Forced to make her own way, Lena must confront her doubts and dare to believe in the impossible—herself.

Building a StoryBrand 2.0 Donald Miller,2025-01-07 When you apply the StoryBrand framework your brand will stand out. Developing that framework to clarify your message and grow your business is about to get a whole lot simpler. . . Since the original publication of Building a StoryBrand, over one million business leaders have discovered Donald Miller's powerful StoryBrand framework, and their businesses are growing. Now, the classic resource for connecting with customers has been fully revised and updated, making it an even more powerful tool to prepare you to engage customers. In a world filled with constant, on-demand distractions, it has become very hard for business owners to effectively cut through the noise to reach their customers. Without a clear, distinct message, customers will not understand what you can do for them and won't engage. In Building a StoryBrand 2.0, Donald Miller not only deepens his teaching on how to use his seven universal story elements—he'll provide you with one of the most powerful and cutting-edge tools to help with your brand messaging efficacy and output. The StoryBrand framework is a proven process that has helped thousands of companies engage with their existing customers, giving them the ultimate competitive advantage. Now you can have access to the perfected version, making it more essential. Whether you are the marketing director of a multibillion-dollar company, the owner of a small business, a politician running for office, or the lead singer of a rock band, Building a StoryBrand 2.0 will forever transform the way you talk about who you are, what you do, and the unique value you bring to your customers.

The Business of Being a Writer Jane Friedman,2018-03-16 "Destined to become a staple reference book for writers and those interested in publishing careers." —Publishers Weekly Writers talk about their work in many ways: as an art, as a calling, as a lifestyle. Too often missing from these conversations is the fact that writing is also a business. Those who want to make a full- or part-time job out of writing are going to have a more positive and productive career if they understand the basic business principles underlying the industry. This book offers the business education writers need but so rarely receive. It is meant for early-career writers looking to develop a realistic set of expectations about making money from their work. or for working writers who want a better understanding of the industry. Writers will gain a comprehensive picture of how the publishing world works—from queries and agents to blogging and advertising—and will learn how they can best position themselves for success over the long term. Jane Friedman has more than two decades of experience in the publishing industry, with an emphasis on digital media strategy for authors and publishers. She is encouraging without sugarcoating, blending years of research with practical advice that will help writers market themselves and maximize their writing-related income—and leave them empowered, confident, and ready to turn their craft into a career. "Friedman's 20-plus years in the industry, launching and managing the social media presence of Writer's Digest, along with her expertise in business strategies for authors and publishers, combine to create an invaluable compendium of practical advice." —Library Journal (starred review)

High on Design Robert Klanten,Santiago Rodriguez Tarditi,Gestalten,2020 Today, weed is en vogue and has evolved into a good-looking business. High on Design showcases the new brands, designs and creators behind this revolution. While cannabis is a recreational drug still strongly associated with Western subculture, it has recently become a huge industry.

Over the past few years, consuming the herb and using its derivatives have become legal in several countries, and a wave of entrepreneurs has come through, looking to generate and bank on a new generation of consumers. Through insightful texts, High on Design reflects on the novel aesthetics, people, and trends of contemporary cannabis culture, and provides a wider view of the phenomenon. Addiction, crime, science, the marketing of weed as a booster of creativity and a medical aid, and the use of hemp in clothing are all considered.

Building Web Apps with WordPress Brian Messenlehner,Jason Coleman,2014-04-08 WordPress is much more than a blogging platform. As this practical guide clearly demonstrates, you can use WordPress to build web apps of any type—not mere content sites, but full-blown apps for specific tasks. If you have PHP experience with a smattering of HTML, CSS, and JavaScript, you'll learn how to use WordPress plugins and themes to develop fast, scalable, and secure web apps, native mobile apps, web services, and even a network of multiple WordPress sites. The authors use examples from their recently released SchoolPress app to explain concepts and techniques throughout the book. All code examples are available on GitHub. Compare WordPress with traditional app development frameworks Use themes for views, and plugins for backend functionality Get suggestions for choosing WordPress plugins—or build your own Manage user accounts and roles, and access user data Build asynchronous behaviors in your app with jQuery Develop native apps for iOS and Android, using wrappers Incorporate PHP libraries, external APIs, and web service plugins Collect payments through ecommerce and membership plugins Use techniques to speed up and scale your WordPress app
