Broken Lenses Emily Bernath,2019-06-04 Broken Lenses reveals the truth of who God made people to be and the freedom that results from living out that truth. A rape survivor, Emily Bernath's life quickly turned away from having everything to feeling hopelessness and worthlessness. It was during that time of being open about her experience that it became apparent to her just how many other people experience those same feelings and so easily allow things that aren't true about them define who they are. Broken Lenses stems from a passion to take outreach to the next level. Inside, Emily identifies some of the most popular lies people believe about themselves and pulls out the 12 biggest Biblical truths

Christians should embrace in their own lives, such as “I am lovable” and “I am not a failure.” With her scientific background and tell-it-how-it-is approach, Emily analyzes and connects each truth to God’s word through a few key lessons for each truth. She calls out the ways in which the enemy prevents people from believing these truths about themselves and what it looks like to truly embrace each of these truths. Ultimately, *Broken Lenses* helps readers achieve a more intimate relationship with God and the freedom that He desires each of his children to live in.

Plum Rains Andromeda Romano-Lax, 2018-06-05 In a tour-de-force tapestry of science fiction and historical fiction,

Andromeda Romano-Lax presents a story set in Japan and Taiwan that spans a century of empire, conquest, progress, and destruction. 2029: In Japan, a historically mono-cultural nation, childbirth rates are at an all-time low and the elderly are living increasingly longer lives. This population crisis has precipitated the mass immigration of foreign medical workers from all over Asia, as well as the development of finely tuned artificial intelligence to step in where humans fall short. In Tokyo, Angelica Navarro, a Filipina nurse who has been in Japan for the last five years, works as caretaker for Sayoko Itou, a moody, secretive woman about to turn 100 years old. One day, Sayoko receives a present: a cutting-edge robot “friend” that will teach itself to anticipate Sayoko’s every need. Angelica wonders if she is about to be forced out of her much-needed job by an inanimate object—one with a preternatural ability to uncover the most deeply buried secrets of the humans around it. Meanwhile, Sayoko becomes attached to the machine. The old woman has been hiding secrets of her own for almost a century—and she’s too old to want to keep them anymore. What she reveals is a hundred-year saga of forbidden love, hidden identities, and the horrific legacy of WWII and Japanese colonialism—a confession that will tear apart her own life and Angelica’s. Is the helper robot the worst thing that could have happened to the two women—or is it forcing the changes they both desperately needed?

The Jinni Key Bethany Atazadeh,2019-12-03 She holds the key to his heart, and he wants it back. When Arie reveals her Gift, she thinks the worst is over. But she couldn't be more wrong. The only one who can save her now is a mermaid named Rena. Rena is the youngest daughter of the Sea King, and she's dreamed of the surface for years. But her first visit on her 16th birthday isn't what she expects. She watches a Jinni fall from the sky—and chooses to save him, despite her mother's warnings that all Jinn are evil. Once she meets Gideon, she can't get him out of her mind. And maybe, with a little help from Arie and some magic of her own, she doesn't have to... The Jinni Key is a loose Little Mermaid retelling. Set in a world that humans share with mermaids, dragons, and the elusive Jinn, this is not the fairytale you remember... If you enjoy fantasy worlds, magical races, and surprising spins on classic fairy tales, then you'll love this enchanting retelling of The Little

Mermaid. WHAT READERS ARE SAYING: There was very little that I predicted, when there was a moment of loss I truly felt it, and I loved the unique spins she placed on the well-known THE LITTLE MERMAID tale. Rachael Martin (Goodreads Reviewer) I went into this story super excited to find out more about Rena and Arie, and I was left unable to wait for the next book! I seriously read this book in one sitting (which left everything aching, but so worth it!). I absolutely loved The Stolen Kingdom, and book two did not disappoint. The Jinni Key's world-building was actually one of my favorites, so complex and detailed and very fun. Sarah Sutton (Goodreads Reviewer) I couldn't even put the book down because I had to know what happened... These are the kind of retellings that I love because while the base story is weaved in there lightly the story doesn't rely on The Little Mermaid. It goes so far past that and you are invested in everything that is happening... Katelyn Spedden (Goodreads Reviewer) There is so much action going on in this book and as the story moved on, the stakes kept getting higher and higher - I couldn't put it down (read it in a few hours) and I can't wait to read the next book in the series! Elira Barnes (Goodreads Reviewer) This was an amazing second book! All of Bethany's hard work paid off ten fold! I loved how all the relationships developed and all the animal moments. I especially love Rena and her quirky personality. She makes an amazing POV character. Andrea Roberts (Goodreads Reviewer) Once again, Bethany Atazadeh takes some risks with this Little Mermaid retelling and mixes in a lot of original story and world elements, along with engaging characters to make it an intriguing and magical read that I was sad to see end. Janine (Goodreads Reviewer) I loved finding out what happens next. I'm excited and am definitely going to read the third book. Captivating story. Kaylee White (Goodreads Reviewer) THE STOLEN KINGDOM SERIES READING ORDER: Book 1: The Stolen Kingdom: An Aladdin retelling Book 2: The Jinni Key: A Little Mermaid retelling Book 3: The Cursed Hunter: A Beauty and the Beast retelling Book 4: The Enchanted Crown: A Sleeping Beauty retelling THE QUEEN'S RISE SERIES (a connected trilogy in The Stolen Kingdom Universe) Book 1: The Secret Gift Book 2: The Secret Shadow Book 3: The Secret Curse
