**Wallet Activism** Tanja Hester, 2021-11-16 2022 NATIONAL INDIE EXCELLENCE AWARDS FINALIST — SOCIAL/POLITICAL CHANGE 2022 ASJA ANNUAL WRITING AWARD WINNER — SERVICE 2022 NAUTILUS BOOK AWARDS GOLD MEDALIST — SOCIAL CHANGE & SOCIAL JUSTICE 2022 AXIOM BUSINESS BOOK AWARD GOLD MEDALIST — PHILANTHROPY/NONPROFIT/SUSTAINABILITY How do we vote with our dollars, not just to make ourselves feel good, but to make a real difference? Wallet Activism challenges you to rethink your financial power so can feel confident spending, earning, and saving money in ways that align with your values. While we call the American system a democracy, capitalism is the far more powerful force in our lives. The greatest power we have—especially when political leaders won't

move quickly enough—is how we use our money: where we shop, what we buy, where we live, what institutions we entrust with our money, who we work for, and where we donate determines the trajectory of our society and our planet. While our votes and voices are essential, too, Wallet Activism helps you use your money for real impact. It can feel overwhelming to determine “the right way” to spend: a choice that might seem beneficial to the environment may have unintended consequences that hurt people. And marketers are constantly lying to you, making it hard to know what choice is best. Wallet Activism empowers us to vote with our wallets by making sense of all the information coming at us, and teaching us to cultivate a more holistic mindset that considers the complex, interrelated ecosystems of people and the planet together, not as opposing forces. From Tanja Hester, Our Next Life blogger and author of Work Optional, comes the mindset-shifting guide to help you put your money where your values are. Wallet Activism is not a list of dos and don'ts that will soon become outdated, nor does it call for anti-consumerist perfection. Instead, it goes beyond simple purchasing decisions to explore: The impacts a financial decision can have across society and the environment How to create a personal spending philosophy based on your values Practical questions to quickly assess the “goodness” of a product or an entity you may buy from The ethics of earning money, choosing what foods to eat, employing others, investing responsibly, choosing where to live, and giving money away For anyone interested in leaving the world better than you found it, Wallet Activism helps you build habits that will make your money matter.

**OBSERVE to UNMASK** Pushpendra Mehta, 2020-07-28 Readers' Favorite (5-Star Review): Observe to Unmask: 100 Small Things to Know People Better by Pushpendra Mehta is a tidy little book with big, helpful insights into the human heart and psyche. Pushpendra Mehta has written a must-read book for anyone on a quest to understand people better, including themselves, and benefit from these insights for a happier and more fulfilling life...Read this book - and learn from one of the best. - Stacey Chillemi, Founder of The Complete Herbal Guide, Writer, Huff Post and Thrive Global Pushpendra Mehta, writer, marketer, and mentor, has been an observer of human behavior all his life. Inspired by Sir Arthur Conan Doyle's memorable fictional detective character, Sherlock Holmes, Pushpendra realized people drop subtle clues to their true nature, which is often hidden behind masks. The more he watched and studied, the better able he was to discern who people truly were. In 2019, he answered a question-What small thing can tell you a lot about a person?-that was posted on Quora, a popular question-and-answer website. His answer received over 1 million views. This unexpected response led him to write Observe to Unmask, in which he explains what we can learn about people based on their conversations (including social media posts), interests, behavior, emotions, thoughts, and more. Packed with intriguing insights, Observe to Unmask is useful in understanding not only the people in our personal and professional lives, but can act as a guide for self-reflection and improvement. Short and easy to read, it is a book you will turn to again and again, always finding something new and worthwhile. Observe to Unmask will sharpen your ability to draw conclusions quickly and accurately from the smallest

observations. It will help you develop positive relationships or harmonious associations that work for you and make you happier; assist you in comprehending an individual's backstory; prevent you from being exploited, abused, manipulated, or lied to; aid you in distancing yourself from negative or toxic people, or avoiding them as much as possible.

**Devil Does Care** Pravin Shekar, 2016-11-01 The devil lies in the details. When the details are missed, the devil comes out. It is the same with your marketing budget. Spending oodles of money on marketing and branding activities is not the only way for a cash-crunched entrepreneur to win clients. Try Outlier marketing! Why did you start up? Get in business? What are you selling? Why do you want to spend money on “branding activities”? Do you have an unlimited marketing budget? These

are questions you must ask yourself, as they all address one word: PURPOSE. Outlier marketing deals with a simple tenet: what you do must get the ROI you expect. If not, it is a waste of time and money. There's so much we can do, with what is around and within us. Devil Does Care provides examples, ideas and a direction for you to do more with less! Make things happen. Grow the OUTLIER way.

Kiyosaki, New York Times bestselling author of Rich Dad, Poor Dad The Millionaire Real Estate Agent explains: Three concepts that drive production Economic, organizational, and lead generation models that are the foundations of any high-achiever's business How to Earn a Million, Net a Million, and Receive a Million in annual income

*Inside the Box* Drew Boyd,Jacob Goldenberg,2013-06-11 “The ‘inside-the-box approach’ can reveal key opportunities for innovation that are hiding in plain sight” (Daniel H. Pink, author of Drive). The traditional attitude toward creativity in the American business world is to “think outside the box”—to brainstorm without restraint in hopes of coming up with a breakthrough idea, often in moments of crisis. Sometimes it works, but it's a problem-specific solution that does nothing to engender creative thinking more generally. Inside the Box demonstrates Systematic Inventive Thinking (SIT), which systemizes creativity as part of the corporate culture. This counterintuitive and powerfully effective approach to creativity requires thinking inside the box, working in one's familiar world to create new ideas independent of specific problems. SIT's techniques and principles have instilled creative thinking into such companies as Procter & Gamble, Johnson & Johnson, and other industry leaders. Inside the Box shows how corporations have successfully used SIT in business settings as diverse as medicine, technology, new product development, and food packaging. Dozens of books discuss how to make creative thinking part of a corporate culture, but none takes the innovative and unconventional approach of Inside the Box. With “inside the box” thinking, companies of any size can become sufficiently creative to solve problems even before they develop and to innovate on an ongoing basis. It's a system that works! “Boyd and Goldenberg explain the basic building blocks for creativity and by doing so help all of us better express our potential” (Dan Ariely, author of Predictably Irrational).
