Ditch That Textbook Matt Miller,2015-04-13 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting by the textbook implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In Ditch That Textbook, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. Ditch That Textbook is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

TikTok D. Bondy Valdovinos Kaye, Jing Zeng, Patrik Wikstrom, 2022-06-16 Since its acquisition and rebranding in 2018, TikTok has become one of the fastest growing platforms in the world. Moreover, it's the first Chinese-developed platform to find mainstream international success, carving its own niche in the global short video industry. In the first comprehensive exploration of TikTok, Kaye, Zeng, and Wikström provide a history of the emergent genre of short video and situate the platform within the cultures and controversies that have accompanied its dramatic growth. They provide an extensive overview of TikTok's functions and uses, the diverse markets in which the platform operates, and the issues of governance that have impacted its expansion. Once thought to be 'just for kids', the authors illustrate how TikTok is further transforming platform cultures and the dynamics of broader creative industries. TikTok, the authors argue, represents an evolutionary step in the way culture is produced and consumed on digital platforms. This timely book is essential reading for students and scholars in media and communication studies and for anyone who has been captivated by the global growth of TikTok and short video.

Near & Far Heidi Swanson, 2015-09-15 Known for combining natural foods recipes with evocative, artful photography, New York Times bestselling author Heidi Swanson circled the globe to create this mouthwatering assortment of 120 vegetarian dishes. In this deeply personal collection drawn from her well-worn recipe journals, Heidi describes the fragrance of flatbreads hot off a Marrakech griddle, soba noodles and feather-light tempura in Tokyo, and the taste of wild-picked greens from the Puglian coast. Recipes such as Fennel Stew, Carrot & Sake Salad, Watermelon Radish Soup, Brown Butter Tortelli, and Saffron Tagine use healthy, whole foods ingredients and approachable techniques, and photographs taken in

Morocco, Japan, Italy, France, and India, as well as back home in Heidi's kitchen, reveal the places both near and far that inspire her warm, nourishing cooking.

The Bullet Journal Method Ryder Carroll, 2021-12 THE NEW YORK TIMES BESTSELLER Transform your life using the Bullet Journal Method, the revolutionary organisational system and worldwide phenomenon. The Bullet Journal Method will undoubtedly transform your life, in more ways than you can imagine' Hal Elrod, author of The Miracle Morning In his long-awaited first book, Ryder Carroll, the creator of the enormously popular Bullet Journal organisational system, explains how to use his method to: * TRACK YOUR PAST: using nothing more than a pen and paper, create a clear, comprehensive, and organised record of your thoughts and goals. * ORDER YOUR PRESENT: find daily calm by prioritising and minimising your workload and tackling your to-do list in a more mindful and productive way. * PLAN YOUR FUTURE: establish and appraise your short-term and long-term goals, plan more complex projects simply and effectively, and live your life with meaning and purpose. Like many of us, Ryder Carroll tried everything to get organised - countless apps, systems, planners, you name it. Nothing really worked. Then he invented his own simple system that required only pen and paper, which he found both effective and calming. He shared his method with a few friends, and before long he had a worldwide viral movement. The system combines elements of a wishlist, a to-do list, and a diary. It helps you identify what matters and set goals accordingly. By breaking long-term goals into small actionable steps, users map out an approachable path towards continual improvement, allowing them to stay focused despite the crush of incoming demands. But this is much more than a time management book. It's also a manifesto for what Ryder calls intentional living: making sure that your beliefs and actions align. Even if you already use a Bullet Journal, this book gives you new exercises to become more calm and focused, new insights on how to prioritise well, and a new awareness of the power of analogue tools in a digital world. *** This book has been printed with three different colour designs, black, Nordic blue and emerald. We are unable to accept requests for a specific cover. The different covers will be assigned to orders at random. ***

Cambion's Law Erin Fulmer,2024-02 When the masks come off, only one law matters... Half-human. Half-succubus. All work and no play. Ambitious prosecutor Lily Knight fights like a demon in the courtroom, but she's as dangerous to herself as others. Touch-starved by choice, she refuses to live beholden to any lover. Innocent doesn't describe Sebastian Ritter's craving for dominance in bedroom and boardroom. But one brush of his fingers over her skin tells Lily that he didn't commit the horrific crime he's charged with. With her life and secrets on the line, Lily races to find the real culprit. From the infuriating incubus who taught her to tempt and take, to intrigues and indiscretions at a masked cabaret, each unraveling thread entangles her further in a perilous game of seduction and lies. To survive, she must embrace her power, unleash her hunger, and surrender control...at the risk of becoming the monster she fears most of all. Cambion's Law offers trope-flipping paranormal suspense, modern noir fantasy, and dark romantic tension with a slow burn, subversive power dynamic grounded in mutual consent. Perfect for fans of Book of Azrael, Ninth House, and TV's Jessica Jones or Lucifer.

TikTok Tips For Affiliate Marketers Raymond Wayne,2022-12-30 TikTok is a recently released social networking app that has become immensely popular. The young adult and teen demographics seem to be the most attracted to it. TikTok is a popular social media app with over 12 million daily users because it allows users to easily make and share short videos in a variety of formats with their friends, family, and followers. Affiliate marketers can benefit from the platform because it facilitates the creation of shareable, interesting content. Making videos that people actually want to watch is step one in

developing an effective marketing plan for TikTok. Because videos on TikTok can be any length, unlike on YouTube or Instagram, businesses using the site need to create clips that are just a minute or two long at the most (or shorter). Marketers can increase the number of views their videos receive on TikTok by using trending hashtags related to their products and services. You don't need to wait to be accepted as a content creator on TikTok in order to start earning money with the app. TikTok's Content Creator Fund is only available to those who match certain criteria. You will not be kept waiting, which is excellent news. Including a LinkTree link in your bio is a great way to drive organic traffic to a website, online storefront, or landing page where you can promote your affiliate links and maybe make a sale. If you have multiple resources, link to your website and create a landing page with other links to your business assets. From one link your followers can access a variety of links or a landing page with one call to action. The social media app TikTok is centered around short video loops. As well as socializing and advertising, it has a wide range of practical applications. In affiliate marketing, one business endorses another in exchange for financial compensation and work well with TikTok community. Have fun supporting other creators and engaging with them. Build relationships with TikTokers in your field and show your interest in their success. All ships rise in a high tide. Be a fan too! Find TikTok accounts that you love for personal and business reasons. Comment, engage with them, and be part of what makes the TikTok community unlike any other social networking platform. and you can learn on the steps on monetizing your TikTok following with useful affiliate links TikTok is one of many tools you can use to build a platform, support your other platforms, and engage a new audience. It's a simple and fun way to share content and help people find your resources

Colin is a former journalist and broadcaster who now runs the communications training company Comsteria Limited which provides smartphone video and podcast production training, media relations training and crisis PR advice. Gary and Colin have a natural rapport and an extensive knowledge of social media as it applies to small and medium business use. 'Embrace The Space' isn't just about

understanding Facebook or Twitter, it's about an attitude; understanding what makes you special, understanding your customers and having fun. Written during summer 2020 this is a fresh, inspirational look at what it takes to succeed with social media in a post lockdown world.

Experimenting with Emerging Media Platforms Dan Pacheco,2023-06-01 Experimenting with Emerging Media Platforms teaches students in media tracks - journalism, advertising, film, and public relations - how to independently field test and evaluate emerging technologies that could impact how media is produced, consumed, and monetized in the future. Taking a unique trial-and-error approach, the author encourages students to go against their desire for perfection and instead plunge into exercises with the full expectation that they will fail many times before they succeed. Through focused assignments, this book provides pointers on how to familiarize oneself with current technology, including extended reality (XR, VR, AR, and MR), open-source coding, photogrammetry, aerial imagery using drones, automation, and artificial intelligence. Readers are invited to create and test their own hypotheses and work outside of their comfort zones to reach conclusions on how a technology could enhance storytelling for a particular audience. Through experimentation guided by workbook exercises, case studies from students and media practitioners, practical tips, and reminders about ethical decision-making, students will learn how to work like explorers and civic hackers to enact change in the media landscape. Readers are invited to share their final field test results online through the book's companion website and social media channels, where the author will post links to further reading, coding templates for simple projects, and short video tutorials. Built around an established course being taught by the author and informed by over 20 years' experience in media industries, Experimenting with Emerging Media Platforms is essential reading for aspiring media professionals and students undertaking courses such as Emerging Media, Media Innovation, and Media Startups. For additional resources, please see the companion website: www.emergingmediaplatforms.com.

Multipolarity After Ukraine Aldo Ferrari, Eleonora Tafuro Ambrosetti,2023-03-02 One year after the full-scale invasion of Ukraine, the war has exacerbated the rift between Russia and the collective West. While Western governments have been steadfast in punishing Russia for the invasion, other countries around the world have been more ambiguous, at times even choosing to side with Moscow politically or economically. These dynamics have revived the idea of a shift towards multipolarity along an anti-Western trajectory. Are we really heading in that direction? Are we facing increasing fragmentation due to the war or a re-consolidation of longstanding alliances? What principles underlie the formation of these blocs? What are the consequences of these dynamics for global security and the global economy? This Report aims to shed light on these questions, while also outlining the war's possible future implications for the Russian Federation, the West, and the international order.

You can use online tools like Smallpdf, iLovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have

restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
