The Circus Train Amita Parikh,2022-12-06 International Bestseller and #1 LibraryReads Pick Water for Elephants meets The Night Circus in this World War II debut about a magnificent travelling circus, a star-crossed romance, and one girl's coming-of-age during the darkest of times. "A powerful reminder that to live is not just to survive, but to be seen and known for ourselves." —Pam Jenoff, author of The Orphan's Tale When all is lost, how do you find the courage to keep moving forward? 1938. Lena Papadopoulos has never quite found her place within the circus, even as the daughter of the extraordinary headlining illusionist, Theo. Brilliant and curious, Lena—who uses a wheelchair after a childhood bout with polio—yearns for the real-world magic of science and medicine, her mind stronger than the limitations placed on her by society. Then her unconventional life takes an exciting turn when she rescues Alexandre, an orphan with his own secrets and a mysterious past. As World War II escalates around them, their friendship blossoms into something deeper while Alexandre trains as the illusionist's apprentice. But when Theo and Alexandre are arrested and made to perform in a town for Jews set up by the Nazis, Lena is separated from everything she knows. Forced to make her own way, Lena must confront her doubts

and dare to believe in the impossible—herself.

How To Profit From Creating Your Hot Online Selling Digital Product Kristy Jenkins,2015-06-11 How to Get Started Selling Your Own Digital products Selling digital products is a great source of income for entrepreneurs—it's a semi passive income source because efforts are required for marketing your created products to attract traffic to your online Moneysites and provide customer support for them, unless such supporting services are being outsourced. It may seem like a pretty intimidating idea if you have never created your own product, but it really doesn't have to be that complicated, and in this ebook, we'll take a look at what is involved with creating your very own hot selling digital product. While there are endless possibilities when it comes to creating and selling digital products, there are a few types of products that tend to be the most common. This ebook will offer various in depth understanding to various options. If it's possible to make money by promoting other people's products as an affiliate, why would you want to go to the trouble of creating your own product? Well, there are several reasons to this , one of the most significant is the unlimited income potential and you will have full control over all the details of the product and its pricing, which is not the case if you are promoting a product as an affiliate. Many of the most successful technopreneurs have made it Big online and usually are with their own digital products. Having your own exclusive product is great for branding yourself as an authority on a particular subject. Think about it, which other businesses will allow you to work where, when and how you want? In case if you are wondering that this journey might involve thousands of dollars to invest and risk? Well, that has never crossed my mind as digital product business has little to NO RISK. There will be some expenses involved to register some domain names, get web hosting and perhaps outsource some content. But all in all, it will not exceed the price of an iPhone or a digital tablet as long you start with small steps. Another reason why you should start a digital product business is that it's a completely automated business. You set everything up once and simply drive traffic, all repeated sales income automatically will be deposited into your payment gateway account on 24/7 365 days, all at its own operation.
