The Third Door Alex Banayan,2018-06-05 FORBES #1 CAREER BOOK TO READ IN 2018 The larger-than-life journey of

an 18-year-old college freshman who set out from his dorm room to track down Bill Gates, Lady Gaga, and dozens more of the world's most successful people to uncover how they broke through and launched their careers. The Third Door takes readers on an unprecedented adventure—from hacking Warren Buffett's shareholders meeting to chasing Larry King through a grocery store to celebrating in a nightclub with Lady Gaga—as Alex Banayan travels from icon to icon, decoding their success. After remarkable one-on-one interviews with Bill Gates, Maya Angelou, Steve Wozniak, Jane Goodall, Larry King, Jessica Alba, Pitbull, Tim Ferriss, Quincy Jones, and many more, Alex discovered the one key they have in common: they all took the Third Door. Life, business, success... it's just like a nightclub. There are always three ways in. There's the First Door: the main entrance, where ninety-nine percent of people wait in line, hoping to get in. The Second Door: the VIP entrance, where the billionaires and celebrities slip through. But what no one tells you is that there is always, always... the Third Door. It's the entrance where you have to jump out of line, run down the alley, bang on the door a hundred times, climb over the dumpster, crack open the window, sneak through the kitchen—there's always a way in. Whether it's how Bill Gates sold his first piece of software or how Steven Spielberg became the youngest studio director in Hollywood history, they all took the Third Door.

Email Marketing Best Practices for Beginners Mey Irtz, 2021-05-06 E-mail marketing is hands down the most powerful and effective form of online marketing. Nothing comes close. Seriously. Even search marketing with all its hype and tried-and-proven success can't even hold the candle to just how effective list marketing can be. It's easy to see why, survey after survey, marketing firms keep putting e-mail marketing at or near the top of their advertising preferences. Here are the

reasons why. Through e-mail marketing, you can get in front of the eyeballs of your audience members anytime anywhere. That's right. You can be at a beach in the Bahamas somewhere writing an e-mail update. Plug that in to your e-mail service provider and your audience, regardless of where they may be in the world and regardless of what they're doing, are sure to get your e-mail. After all, most people check their e-mail inboxes. Isn't that awesome? This enables you to sell more products. Since you have a de facto relationship with people who voluntarily got on your mailing list, you are able to keep the conversation going. You don't get just one bite at the apple in trying to get list members to buy.
