**Ask a Manager** Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even

better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

*A Return to Arms* Sheree L. Greer, 2016-03-15 When Toya meets Folami and joins the activist collective RiseUP!, she thinks she’s found her life’s purpose. Folami’s sensuality and her passion for social justice leave Toya feeling that, at last, she’s met someone she can share all parts of her life with. But when a controversial police shooting blurs the lines between the personal and the political, Toya is forced to examine her identity, her passions, and her allegiances. Folami, a mature and dedicated activist, challenges Toya’s commitment to the struggle while threatening to pull her back into the closet to maintain the intense connection they share. However, Nina, a young, free-spirited artist, invites Toya to explore the intersections between sexual and political freedom. With the mounting tensions and social unrest threatening to tear the community apart, can Toya find a safe place to live and love while working to uplift her people?

**Public Assistance Program and Policy Guide** Fema,2019-05-06 April 2018 Full COLOR 8 1/2 by 11 inches The Public Assistance Program and Policy Guide provides an overview of the Presidential declaration process, the purpose of the Public Assistance (PA) Program, and the authorities authorizing the assistance that the Federal Emergency Management Agency provides under the PA Program. It provides PA policy language to guide eligibility determinations. Overarching eligibility requirements are presented first and are not reiterated for each topic. It provides a synopsis of the PA Program implementation process beginning with pre-declaration activities and continuing through closeout of the PA Program award. When a State, Territorial, or Indian Tribal Government determines that an incident may exceed State, Territorial, Indian Tribal, and local government capabilities to respond, it requests a joint Preliminary Damage Assessment (PDA) with the Federal Emergency Management Agency (FEMA). Federal, State, Territorial, Indian Tribal, local government, and certain private nonprofit (PNP) organization officials work together to estimate and document the impact and magnitude of the incident. Why buy a book you can download for free? We print the paperback book so you don't have to. First you gotta find a good clean (legible) copy and make sure it's the latest version (not always easy). Some documents found on the web are missing some pages or the image quality is so poor, they are difficult to read. If you find a good copy, you could print it using a network printer you share with 100 other people (typically its either out of paper or toner). If it's just a 10-page document, no problem, but if it's 250-pages, you will need to punch 3 holes in all those pages and put it in a 3-ring binder. Takes at least an hour. It's much more cost-effective to just order the bound paperback from Amazon.com This book includes original commentary which is copyright material. Note that government documents are in the public domain. We print these paperbacks as a service so you don't have to. The books are compact, tightly-bound paperback, full-size (8 1/2 by 11 inches), with large text and glossy covers. 4th Watch Publishing Co. is a HUBZONE SDVOSB. <https://usgovpub.com> Buy the paperback from Amazon and get Kindle eBook FREE using MATCHBOOK. go to <https://usgovpub.com> to learn how
