*Vector Art Fundamentals* Edward Morgan MA, 2018-08-03 Welcome to Vector Art Fundamentals: Digital Media Arts Series Vol. 2 for beginning, intermediate, and advanced, arts and design users. Through a series of rigorous scaffolding

projects, this unique step-by-step instruction tool is designed to provide arts and design users with the fundamental skills and knowledge to create vector-based artwork and establishes a link to the Californian standards for the visual arts, the Californian career and technical education standards (CTE), and the standards for the International Society for Technology in Education (ISTE). The lessons in this book are designed so that you can learn at your own pace. Even if the user is new to Adobe Illustrator or vector-based drawing, the skills learned are transferable to most vector-based drawing programs. Through this book, every experienced artist will gain many advanced skills, including tips and techniques for using Adobe Illustrator CS6. Although each lesson in this book provides a step-by-step instruction for creating specific projects, the steps, techniques, and tools covered allow for students to experiment and explore their own ideas. This book is designed to be followed in sequence; however, if your skills and understanding are advanced enough, you can jump to any unit that corresponds to your interests and needs. Each lesson concludes with a “Testing Your Understanding” section and vocabulary list to summarize and reinforce what you have covered.

Draplin Design Co. Aaron James Draplin,2016-05-17 A funny, colorful, fascinating tour through the work and life of one of today’s most influential graphic designers. Esquire. Ford Motors. Burton Snowboards. The Obama Administration. While all of these brands are vastly different, they share at least one thing in common: a teeny little bit of Aaron James Draplin. Draplin is one of the new school of influential graphic designers who combine the power of design, social media, entrepreneurship, and DIY aesthetic to create a successful business and way of life. *Pretty Much Everything* is a mid-career survey of work, case studies, inspiration, road stories, lists, maps, how-tos, and advice. It includes examples of his work—posters, record covers, logos—and presents the process behind his design with projects like *Field Notes* and the “Things We Love” State Posters. Draplin also offers valuable advice and hilarious commentary that illustrates how much more goes into design than just what appears on the page. With Draplin’s humor and pointed observations on the contemporary design scene, *Pretty Much Everything* is the complete package.

**Teaching Science in Diverse Classrooms** Douglas B. Larkin,2019-08-29 As a distinctive voice in science education writing, Douglas Larkin provides a fresh perspective for science teachers who work to make real science accessible to all K-12 students. Through compelling anecdotes and vignettes, this book draws deeply on research to present a vision of successful and inspiring science teaching that builds upon the prior knowledge, experiences, and interests of students. With empathy for the challenges faced by contemporary science teachers, *Teaching Science in Diverse Classrooms* encourages teachers to embrace the intellectual task of engaging their students in learning science, and offers an abundance of examples

of what high-quality science teaching for all students looks like. Divided into three sections, this book is a connected set of chapters around the central idea that the decisions made by good science teachers help light the way for their students along both familiar and unfamiliar pathways to understanding. The book addresses topics and issues that occur in the daily lives and career arcs of science teachers such as: • Aiming for culturally relevant science teaching • Eliciting and working with students' ideas • Introducing discussion and debate • Reshaping school science with scientific practices • Viewing science teachers as science learners Grounded in the Next Generation Science Standards (NGSS), this is a perfect supplementary resource for both preservice and inservice teachers and teacher educators that addresses the intellectual challenges of teaching science in contemporary classrooms and models how to enact effective, reform

*Heart and Brain* The Awkward Yeti, Nick Seluk, 2015-10-20 Boasting more than two million pageviews per month, TheAwkwardYeti.com has become a webcomic staple since its creation in 2012. *This Is Not a T-Shirt* Bobby Hundreds, 2019-06-25 The story of The Hundreds and the precepts that made it an iconic streetwear brand by Bobby Hundreds himself Streetwear occupies that rarefied space where genuine cool coexists with big business; where a star designer might work concurrently with Nike, a tattoo artist, Louis Vuitton, and a skateboard company. It's the ubiquitous style of dress comprising hoodies, sneakers, and T-shirts. In the beginning, a few brands defined this style; fewer still survived as streetwear went mainstream. They are the OGs, the "heritage brands." The Hundreds is one of those persevering companies, and Bobby Hundreds is at the center of it all. The creative force behind the brand, Bobby Kim, a.k.a. Bobby Hundreds, has emerged as a prominent face and voice in streetwear. In telling the story of his formative years, he reminds us that The Hundreds was started by outsiders; and this is truly the story of streetwear culture. In *This Is Not a T-Shirt*, Bobby Hundreds cements his spot as a champion of an industry he helped create and tells the story of The Hundreds—with anecdotes ranging from his Southern California, punk-DIY-tinged youth to the brand's explosive success. Both an inspiring memoir and an expert assessment of the history and future of streetwear, this is the tale of Bobby's commitment to his creative vision and to building a real community.

***Fashion and Textile Design with Photoshop and Illustrator*** Robert Hume, 2020-08-20 A step-by-step guide to two essential tools for textile and fashion designers. Designer and educator Robert Hume guides you from novice to expert through 20 carefully crafted projects. You'll start by mastering layers and custom brushes, learning about stripes and weaves, scanning and manipulation before moving on to repeats, colorways, and simple geometry. Next, transformations, filters and effects become tools for your personal creativity and you'll explore varied approaches to drawing garments. Finally, you'll learn about key layout and presentation techniques in both programs. There's also advice on sharing,

communication and output, and help with diagnosing and correcting common problems. Files for many of the projects are available from: [www.bloomsburyonlineresources.com/fashion-and-textile-design-with-photoshop-and-illustrator-2e](http://www.bloomsburyonlineresources.com/fashion-and-textile-design-with-photoshop-and-illustrator-2e) Seven case studies showcase the work and creative thinking of innovative professional designers. These designers offer insight and inspiration to help you develop your own successful and inventive designs. This new edition incorporates updates to Photoshop and Illustrator CC and a new extended introduction outlines the layout of each program and good practice in working with their tools and windows. There are also two new projects, the first will help you draw a pair of jeans using closed path ways, incorporating distressing and treatments such as stone-washing and whiskering. The second new project shows how to create a paisley design using Illustrator brushes to add complexity in design work.

All of This Is for You Ruby Jones,2021-03-16 A beautiful and uplifting collection of heartfelt, hand-lettered full-color artwork and soothing messages that provide compassion and connection for everyone feeling overwhelmed in their lives. All of This is for You is balm for anyone feeling lost and detached from today's confusing, hectic world. In her luminous four-color hand-lettered artwork and accompanying heartfelt notes, acclaimed illustrator Ruby Jones reminds us that even when times are tough, it remains important to be kind and gentle with ourselves and those around us. Jones received worldwide recognition after she posted an illustration of two women—one of them a Muslim wearing a hijab—embracing after the 2019 Christchurch terrorist attacks. The image was accompanied by an extraordinary message of empathy and understanding: This is your home and you should have been safe here. A beacon of hope and kindness, All of This is for You is for every one of us, because no matter the individual issue—whether it's self-image, identity, depression, grief, or anxiety—we all struggle with challenges. Jones's gentle illustrations and soothing insights are a breath of fresh air during tough times, and a reminder of humanity's inherent and enduring goodness.

**A Book of Hours** Donald Culross Peattie,2013-10-10 A Book of Hours contains 24 essays, one for each hour of the day, that seek to bridge the gap between definitive scientific philosophy and the sheer unadulterated beauty that Donald Culross Peattie envisioned within everyday life. The Boston Transcript referred to this collection as “science, in sheer poetry,” and the Chicago Daily Tribune mused that “it leaves one a better man for having read it” and offers “the inevitableness of natural laws and the truth of beauty, if one cares to seek it.”

*Vector Basic Training* Von Glitschka,2015-09-21 Attention, designers, it's time to get serious about your creative process. For too long you've allowed yourself to go soft, relying on your software to do all of your creative work at the expense of your craftsmanship. This book will NOT show you how to use every tool and feature in Adobe Illustrator. This book WILL, however, teach you the importance of drawing out your ideas, analyzing the shapes, and then methodically building them precisely in vector form using the techniques explained in this book. In *Vector Basic Training, Second Edition* acclaimed illustrative designer Von Glitschka takes you through his systematic process for creating the kind of precise vector graphics

that separate the pros from the mere toolers. Along the way, he'll whip your drawing skills into shape and show you how to create elegant curves and precise anchor points for your designs. In addition to new illustrative examples throughout the book, this edition includes an all-new chapter on how to apply color and detail to your illustrations using tried-and-true methods that you'll use over and over again. You'll also get access to over seven hours of all-new HD video tutorials and source files so you can follow along with Von as he walks you through his entire process. Whether you're creating illustrations in Adobe Illustrator, Affinity Designer, CorelDRAW, or even Inkscape, you'll be able to use Von's techniques to establish a successful creative process for crafting consistently precise illustrations every single time you pick up your pen, stylus, or mouse. In *Vector Basic Training, Second Edition*, you'll learn: The tools and shortcuts that make up a design pro's creative arsenal How to use "The Clockwork Method" to create accurate curves every time When and where to set just the right number of anchor points for any design How to build shapes quickly using basic Illustrator tools and plug-ins Techniques for art directing yourself to get the results you desire Fundamental methods for applying color and detail to your illustrations

Illustrator CS2 for Windows and Macintosh Elaine Weinmann, Peter Lourekas, 2006 If you're looking forward to using cool new tools like Illustrator CS2's Live Trace or Live Paint in your vector artwork, or eager to take advantage of its more than 200 professionally designed templates, you'll need to get up to speed on every aspect of Illustrator CS2 now with this Visual QuickStart Guide! As the standard Illustrator text in many design schools, this popular, task-based best seller has taught a generation of users how to make the most out of Adobe's vector-graphics powerhouse. Now it's back--revised and updated--to teach the next. Using simple step-by-step instructions, loads of screen shots, and an array of time-saving tips and tricks, this volume represents the quickest route to Illustrator CS2 proficiency. **Atomic Habits** James Clear, 2018-10-16 The #1 New York Times bestseller. Over 20 million copies sold! Translated into 60+ languages! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.
