The Personal Librarian: A GMA Book Club Pick Marie Benedict, Victoria Christopher Murray, 2022-06-07 The Instant New York Times Bestseller! A Good Morning America* Book Club Pick! Named a Best Book of the Year by NPR! Named a Notable Book of the Year by the Washington Post! “Historical fiction at its best!”* A remarkable novel about J. P. Morgan’s personal librarian, Belle da Costa Greene, the Black American woman who was forced to hide her true identity and pass as white in order to leave a lasting legacy that enriched our nation, from New York Times bestselling authors Marie Benedict and Victoria Christopher Murray. In her twenties, Belle da Costa Greene is hired by J. P. Morgan to curate a collection of rare manuscripts, books, and artwork for his newly built Pierpont Morgan Library. Belle becomes a fixture in New York City society and one of the most powerful people in the art and book world, known for her impeccable taste and shrewd negotiating for critical works as she helps create a world-class collection. But Belle has a secret, one she must protect at all costs. She was born not Belle da Costa Greene but Belle Marion Greener. She is the daughter of Richard Greener, the first Black graduate of Harvard and a well-known advocate for equality. Belle’s complexion isn’t dark because of her alleged Portuguese heritage that lets her pass as white—her complexion is dark because she is African American. The Personal Librarian tells the story of an extraordinary woman, famous for her intellect, style, and wit, and shares the lengths she must go to—for the protection of her family and her legacy—to preserve her carefully crafted white identity in the racist world in

which she lives.

The Moderns Steven Heller, Greg D'Onofrio, 2017-09-19 In *The Moderns*, we meet the men and women who invented and shaped Midcentury Modern graphic design in America. The book is made up of generously illustrated profiles, many based on interviews, of more than 60 designers whose magazine, book, and record covers; advertisements and package designs; posters; and other projects created the visual aesthetics of postwar modernity. Some were émigrés from Europe; others were homegrown—all were intoxicated by elemental typography, primary colors, photography, and geometric or biomorphic forms. Some are well-known, others are honored in this volume for the first time, and together they comprised a movement that changed our design world.

Midnight in Broad Daylight Pamela Rotner Sakamoto, 2016-01-05 Meticulously researched and beautifully written, the true story of a Japanese American family that found itself on opposite sides during World War II—an epic tale of family, separation, divided loyalties, love, reconciliation, loss, and redemption—and a riveting chronicle of U.S.-Japan relations and the Japanese experience in America After their father's death, Harry, Frank, and Pierce Fukuhara—all born and raised in the Pacific Northwest—moved to Hiroshima, their mother's ancestral home. Eager to go back to America, Harry returned in the late 1930s. Then came Pearl Harbor. Harry was sent to an internment camp until a call came for Japanese translators and he dutifully volunteered to serve his country. Back in Hiroshima, his brothers Frank and Pierce became soldiers in the Japanese Imperial Army. As the war raged on, Harry, one of the finest bilingual interpreters in the United States Army, island-hopped across the Pacific, moving ever closer to the enemy—and to his younger brothers. But before the Fukuharas would have to face each other in battle, the U.S. detonated the atomic bomb over Hiroshima, gravely injuring tens of thousands of civilians, including members of their family. Alternating between the American and Japanese perspectives, *Midnight in Broad Daylight* captures the uncertainty and intensity of those charged with the fighting as well as the deteriorating home front of Hiroshima—as never told before in English—and provides a fresh look at the dropping of the first atomic bomb. Intimate and evocative, it is an indelible portrait of a resilient family, a scathing examination of racism and xenophobia, an homage to the tremendous Japanese American contribution to the American war effort, and an invaluable addition to the historical record of this extraordinary time.
