Fashion Portfolio Anna Kiper,2016-10-01 The book takes the reader through all the major steps of fashion portfolio creation. It features the main components of the design process from the identification of inspiration sources and fashion trends research to conceptualization of a complete fashion collection. The topics covered include mood/fabric boards development, creation of original and innovative textiles as well as fashion silhouettes and garment details development through extensive research, quick design sketching, fabric manipulation, and draping experimentation. Great original designs and illustrations by the author as well as design sketch samples by established designers are provided throughout. There are samples of sketchbooks from professional and emerging fashion artists. The book provides some insight from established fashion and accessories designers on the highlights and challenges of the creative process. It is a great professional reference for techniques in the portfolio development. A beautiful but practical book that provides useful techniques and helps the reader get inside the mind of the designer.

The 5 Second Journal Mel Robbins, 2017-12-19 The most powerful journal on the planet. In the international bestseller *The 5 Second Rule*, Mel Robbins inspired millions to 5 - 4 - 3 - 2 - 1...take action, get results, and live a more courageous life! Now, in *The 5 Second Journal*, Mel guides you step-by-step through a simple research-backed daily journaling method that will help you become the most productive, confident, and happiest you. It is the most powerful journal on the planet because it uses science to unlock the greatest force in the universe...YOU. Using this journal, you will: GET SH*T DONE You won't just get more done-you'll do it in half the time. Your life is way too important to spend it procrastinating. Invest a little time in here every day and in return you'll get the best tools psychology, organizational behavioral, and neuroscience have to offer. KISS OVERWHELM GOODBYE Stop being ruled by your to-do list and start getting the important work done. Filling your days with menial tasks will not lead to a meaningful life. This journal will keep your focus on what's most important, even in between conference calls and running errands. CULTIVATE ROCKSTAR CONFIDENCE Confidence is a skill YOU can build. Yes, you. And it's not as difficult as you may think. Every day this journal will give you a chance to step outside your comfort zone so you can feel proud of yourself and watch your self-confidence grow. AMP YOUR PASSION Want to live a more passionate life? Stop focusing on sh*t that drains you. Seriously. This journal will show you a cool way to power up your

energy levels and tap into that inner zen that knows exactly what fuels your fire. GET CONTROL OF YOUR LIFE If you get to the end of the day and wonder where it all went, it's time to take stock. Using research from Harvard Business School, you'll learn one simple mindset trick that keeps you present to what matters most, which is the secret to being in control. BE THE HAPPIEST YOU Science proves that your mood in the morning impacts your entire day. That's why this journal is designed to boost your mood first thing, so you can become a happier, smarter, and more positive person all day. The fact is, happier people get sh*t done.

The Devouring Wolf Natalie C. Parker,2022-08-02 A perfect read for every kid and every kid at heart who's ever felt like they weren't enough. This story of family in all its many forms is as deliciously fun to read as it is deeply relevant. —Julie Murphy, #1 New York Times bestselling author of *Dear Sweet Pea* A queer tale about kid werewolves, big bad mistakes, and terrifying creatures, perfect for fans of Katherine Arden and R.L. Stine. Little wolf, little wolf, here I come. It's the eve of the first full moon of summer and twelve-year-old Riley Callahan is ready to turn into a wolf. Nothing can ruin her mood: not her little brother Milo's teasing, not Mama N's smothering, and not even Mama C's absence from their pack's ceremony. But then the unthinkable happens—something that violates every rule of wolf magic—Riley and four other kids don't shift. Riley is left with questions that even the pack leaders don't have answers to. And to make matters far worse, it appears something was awoken in the woods that same night. *The Devouring Wolf*. The elders tell the tale of the Devouring Wolf to scare young pups into obedience. It's a terrifying campfire story for fledging wolves, an old legend of a giant creature who consumes the magic inside young werewolves. But to Riley, the Devouring Wolf is more than lore: it's real and it's after her and her friends.

(street food), and Cucina dei Monsù (sophisticated food) - alongside profiles on local chefs and food producers, The Sicily Cookbook invites you to discover the island's culinary culture and let your summer cooking burst with Mediterranean sunshine.

MindJournal Ollie Aplin,2017-05-04 The simple aim of this book is to help and support you through life. It is a tool to help you be a stronger version of the man you already are. Back in the day, keeping a journal was the manly thing to do. All the great thinkers, writers and explorers of the past kept a journal on a regular basis - from Ernest Hemmingway to Bruce Lee. It was a simple habitual practice; a clever therapeutic outlet, particularly for men, that has been lost. This book aims to bring it back. While the gym strengthens your body, think about this book as a workout for your mind. This is brain training to build a positive mental attitude and, ultimately, a better and more resilient you. Contains three interactive sections: Warm Up, Hurdles and Strength, each with prompts, challenges and motivators to help get you started. Plus the MindManual, which offers further support, checks and advice to keep your brain training on track.

Book Marketing Is Dead Derek Murphy,2013-12-31 How to sell a ton of books (even if you're starting with no platform). If you've found this book I'm assuming you have or will soon have a book out on the market, and are exploring ways to turn it into a best-selling powerhouse that will slaughter the competition and pay for your retirement. The indie publishing world is thrilling because of the possible returns, and I hope you and your book do well. You're probably searching for things like book marketing and book promotion so you can learn how to find readers and convince them to buy your book. But almost everything you read will be wrong. That's because marketing in general is dead. Advertising is dead. Selling and convincing people to buy: also dead. The new law of book sales is this: if you're talking about your book, promoting your book, sharing your book... you're screwing it all up. Don't make Old School marketing mistakes that will sabotage your efforts! This book will help you to... Avoid the common mistakes that kill book sales Set up an author platform quickly that will triple your results Use Social Media (like an expert) without being annoying Advertise for maximum impact (at the lowest cost) Make powerful friends online who can move thousands of books Before you spend a lot of money on book marketing services or author publicity... Make sure you've plugged all the holes in your sales funnel so you're not throwing money away. If you're looking for a Bestseller Campaign but don't have a big budget... This book will show you plenty of ways to improve sales without spending a dime.
