It's the first comprehensive book of its kind, explaining every step from installing Adobe(R) InDesign(R) right through to sending the files to press. For those who want to design their own books but have little idea how to proceed, Book Design Made Simple is a semester of book design instruction plus a publishing class rolled into one. Let two experts guide you through the process with easy step-by-step instructions, resulting in a professional-looking top-quality book

Meet Me at the Summit Mandi Lynn,2021-08-31 For most 19-year-olds, a cross-country trip is an offer you can't refuse, but for Marly, it's the last thing she wants after losing both her parents in a car accident. Nine months after their death, Marly would rather stay home working the retail job she hates, than deal with her loss. It isn't until family and friends corner her into driving her mom's renovated 1978 VW bus from Washington to New Hampshire that Marly is forced to face her grief and understand the guilt she feels over her parents' death. Skeptical, Marly goes on the trip, warily exploring the life her

parents knew she always wanted-hiking mountains and living out her photography dreams. On the way, she'll discover places and people who'll test her emotions and a guy who pushes at the walls she's so carefully built around herself. Marly must decide: can she face her deepest wounds and reclaim the life she thought was gone forever? Meet Me at the Summit is an intimate tale of grief, finding yourself after deep loss, and coming to terms with how life changes when you least expect it. It follows Marly as she both runs from and towards the emotions she has long held back regarding her parents' death. A deep, insightful look into the coming-of-age theme through a heart-breaking narrative.

Adobe InDesign 1.5 Patti D. Sokol,2000 Andres presents a visual, step-by-step guide to practical uses of InDesign's most powerful features, including conversion of legacy documents, support for PDF, streamlined work flow, and color management. Readers are guided through levels of document creation in a hands-on way that uses screen shots, focused examples, and exercises.

ePublishing with InDesign CS6 Pariah S. Burke,2012-11-28 Here's the designer's guide to creating excellent e-books with InDesign Creative professionals are designing more and more e-books and e-zines as digital publishing increasingly gains market share. This book pulls together a wide range of essential information to help them maximize the versatility of InDesign for e-publishing. Designers are seeking to sharpen their skills to compete in today's e-publishing market, and this book is packed with necessary information about creating and adapting content for e-publication Explains how to plan a new digital publication, convert a print publication to digital, add multimedia and interactivity, and publish and distribute the finished product Covers platforms, devices, and formats; creating media-rich content; designing for different devices; and managing digital publications Examines Adobe's Digital Publishing System, CSS, HTML5, and other commercial vehicles available for e-publishing on multiple platforms, including iPad, Kindle, NOOK, and other tablets and e-readers ePublishing with InDesign is a valuable tool for designers seeking to boost their skills and create cutting-edge e-publications.

Fashion Portfolio Anna Kiper,2016-10-01 The book takes the reader through all the major steps of fashion portfolio creation. It features the main components of the design process from the identification of inspiration sources and fashion trends research to conceptualization of a complete fashion collection. The topics covered include mood/fabric boards development, creation of original and innovative textiles as well as fashion silhouettes and garment details development through extensive research, quick design sketching, fabric manipulation, and draping experimentation. Great original designs and illustrations by the author as well as design sketch samples by established designers are provided throughout. There are samples of sketchbooks from professional and emerging fashion artists. The book provides some insight from

established fashion and accessories designers on the highlights and challenges of the creative process. It is a great professional reference for techniques in the portfolio development. A beautiful but practical book that provides useful techniques and helps the reader get inside the mind of the designer.

InDesign CS4 for Macintosh and Windows Sandee Cohen,2008-11-17 Adobe InDesign CS4, Adobe's page-design component of Creative Suite 4, offers exciting new enhancements to its already powerful tools. Among the exciting features users will find are new Live Preflighting capabilities and seamless integration with Adobe Flash, including direct translation of InDesign pages into SWF files. Adobe InDesignCS4 for Macintosh and Windows: Visual QuickStart Guide will highlight the important new features, as well as covering the ones readers have relied on in previous versions of InDesign. Using the task-based, visual approach that readers count on in the Visual QuickStart Guides, this volume introduces readers to all aspects of InDesign CS4. Users will learn how to create and automate documents, import and style text and objects, manage long documents, export files for a wide variety of purposes, and much more.

GREP in InDesign Peter Kahrel,2008-10-27 Updated: June 2015. Author Peter Kahrel updated this Short Cut to cover InDesign CC. Several examples have been added, and most examples are now analysed in more detail. Updated: August 2010. Author Peter Kahrel updated this Short Cut to cover InDesign CS5. Updated: November 2009. Author Peter Kahrel updated this Short Cut to address typos and reader comments. GREP (short for General Regular-Expression Print) is a powerful tool that lets you use wildcards (jokers) to search and replace text. InDesign's GREP implementation can be used for text and also for formatting codes, finding patterns in text as well as literal text. GREP moves beyond the restrictions that hampered earlier InDesign search features, but unfortunately it does have the reputation of being difficult to master. As with many things, it can be challenging to learn, but, fortunately, a lot can be done with surprisingly simple expressions. The aim of this Short Cut is to show how to create simple but powerful regular expressions.

Understanding Photobooks Jorg Colberg,2016-11-10 Understanding Photobooks is a user-friendly guide to engaging with the photographic book— or, as it is widely known, the photobook. Despite its importance as a central medium in which many photographers showcase their work today, there is surprisingly little information on the mechanics of the photobook: what exactly it does and how it does it. Written for makers and artists, this book will help you develop a better understanding of the images, concept, sequence, design, and production of the photobook. With an awareness of the connections between these elements, you'll be able to evaluate photobooks more clearly and easily, ultimately allowing for a deeper and more rewarding experience of the work.

Palatino Robert Bringhurst,2016 Typographer, translator, cultural historian, poet, and linguist Robert Bringhurst presents a taxonomic study of the many iterations of the typeface Herman Zapf's Palatino, along with a broader overview of the cultural history of type design. This is an important book, writes David R. Godine, that argues, as eloquently and as convincingly as has ever been argued, that type design belongs squarely in the humanist tradition, that it is as much a member of the fine arts as painting and printmaking and calligraphy.

I Am Mercy Mandi Lynn,2018-12-11 In 14th century France, Aida is accused of being a witch when the Black Death wipes through her village. Abandoned by her family, she is surrounded by death and disease, but when a woman who may actually be a witch tells her how to cure the plague, it may mean uncovering a dark magic.
