Invitation to Archaeology James Deetz,1967 James Deetz explores the principles, methods, and problems of the present-day archaeologist from the viewpoint of how he works, the nature of his evidence and how it is analyzed, and where archaeology fits into the broader scheme of anthropological study. Excavation, radiocarbon dating, form analysis, space-time slope patterns, as well as the context, function, and structure of uncovered artifacts and sites are all carefully considered; and their role in piecing together cultures of the past is discussed.--Jacket.

Unmuted Heather Hansen,2022-03-17 An essential guide to professional communication Professional communication has become more complex than ever as, with the rise of remote working and the increasing prominence of social media, we frequently find ourselves muted - when we can't find the opportunities to speak up or our ideas aren't getting the credit they deserve. In Unmuted, Heather Hansen draws upon her years of experience as a communication specialist and consultant to illustrate how you can overcome these obstacles and make your voice heard. Building upon research from business

psychology, cultural studies and linguistics, Unmuted is the essential guide to professional communication. Through the unique 'Unmuted' framework, it provides practical strategies that will bring confidence and clarity to every aspect of your career, from writing perfectly worded emails to delivering powerful presentations.

Event Planning and Management Ruth Dowson,David Bassett,2015-09-03 The events industry is an exciting, innovative, diverse and highly challenging environment in which to work. Event Planning and Management offers a structured, practical approach to all types of events, from the initial planning, to final evaluating stages. It introduces the key models and theories but focuses on the practical side of building and working with a team, choosing a location, creating a programme, dealing with stakeholders and sponsors, promoting the event, essential financial and procurement considerations and finally evaluating the event. Each stage of the process is fully supported with online resources including templates and discussion questions to make up a complete event planner's toolkit. Balancing coverage of the key theory and models with essential practical guidance, tools and case studies from organizations such as London 2012 and the Prince's Trust, Event Planning and Management is an ideal handbook for students and practitioners alike. About the PR in Practice series: Published in collaboration with the Chartered Institute of Public Relations (CIPR), the PR in Practice series comprises accessible, practical introductions to day-to-day issues of public relations practice and management. The series' action-oriented approach keeps knowledge and skills up to date.

The Jinn and the Sword Robert Truss Peacock, Sara Lawrence Cook, 2018-01-25 Certain elements of digital artistry and formatting, as depicted in the hardcover and paperback editions of this book, cannot be replicated in the ebook version due to device limitations. The sixteenth century was rife with turmoil throughout Europe. The Topkapi Palace in Istanbul (Konstantiniyye), the seat of the Ottoman Empire, was not immune to the strife and chaos. The imperial court of Suleyman the Magnificent was a focal point for recondite, multilayered mysteries, and a breeding ground for plots. Topkapi officials who may be conflict. Suleyman summons Conte Vincenzo Lupo de Venezia (II Lupo the Wolf) to assist in the resolution of the proliferating intrigues and thwart assassination attempts against the sultan and his favored harem concubine, Roxelana. II Lupo is renowned as a master swordsman and for his remarkable investigation skills and acumen, having foiled recent plots against the French king, Francis I, and Albert, Duke of Prussia. II Lupo established a martial arts academy in Venice where the finest fighters from around the world seek his expert tutelage, including his seventeen-year-old daughter, Francesca. Having lost his wife during childbirth, II Lupo has raised Francesca as a single father. A master of the martial arts and disguise, Francesca travels with her father disguised as a boy. Arriving in Istanbul, they are escorted by Kemal, Suleyman's personal bodyguard and captain of the palace guard, the Elite Beyliks. Born a Palestine Jew, Kemal was torn from his home at age eleven, enslaved by the Ottomans, and educated in the palace school as a janissary. He rose to his esteemed status at the age of twenty-six. His public persona of a handsome and fearsome warrior is juxtaposed against that of a brilliant, sensitive poet with deeply suppressed longings for his homeland. A romance between Francesca and Kemal blossoms as they join forces with II Lupo and Aziz, Roxelana's formidable and favored black eunuch, to quash assassination attempts and solve mysteries surrounding the theft of sacred relics of Muhammad from their Topkapi repository. Theft masterminded by a seemingly supernatural Shaitan are accompanied by gruesome murders committed by a demonic jinn, dwelling in labyrinthine secret passageways a subterranean maze running through the ancient Byzantine acropolis upon which the Topkapi Palace was built. Although filled with intrigue, action, and suspense as its heart, the book is a story of love, yearning, awakening and beneficence that touches the human spirit. This verisimilar story is presented with a visual richness evocative of the times and the tale and artistry reminiscent of the illuminated manuscripts and calligraphy of the era.

Essentials for Quality and Safety Improvement in Health Care Christopher Ente, Michael Ukpe, 2022-02-01 Patient safety and quality improvement in health care remain a global priority. Subpar performance in health care, however, is still common more than a decade after the christening of patient safety in Africa. The core principle of safety and quality improvement systems is to identify and assess the root cause of failures in order to learn from them and devise a means to improve and to avoid recurrence. This book is designed to encourage, facilitate and empower healthcare workers in the development and implementation of strategically driven patient safety and quality improvement initiatives for safer healthcare systems and healthcare facilities in low- and middle-income countries (LMICs) of Africa. It also highlights some of

the profound challenges and barriers to designing and implementing patient safety and quality improvement interventions or programmes in the region and reiterates the need to remain focused and determined to work out solutions with confidence and overcome these barriers. In the book, chapters highlight six essential components crucial for achieving evolutionary progress in safety and quality improvement in a healthcare system: Standard operating procedure Audit Research Safety management Quality management Evaluation Practical steps in planning and conducting these six essential components are outlined with some specific features to aid learning and facilitate their implementation. The authors have experience and expertise in the medical practice gained in Africa and a decade of knowledge and experience from consultancy work in safety and quality improvement in health care within and outside the region. Essentials for Quality and Safety Improvement in Health Care: A Resource for Developing Countries is authored for both medical professionals and those from other professions who are interested in and enthusiastic about patient safety and healthcare quality and therefore willing to build a career in this field. It is relevant to all health institutions, health and non-health workers, and can be used as a checklist while rendering quality and safe health care.
