*Think Like a Monk* Jay Shetty, 2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the *Forbes* magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, *On Purpose*, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He

transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

If you are looking to take your preaching to the next level, this book will help. -Carey Nieuwhof, Founding Pastor of Connexus Church and author of Didn't See It Coming In 16 years of pastoring, preaching was the one thing I did, which had the most potential for Kingdom impact, took the most time in my week, and yet where I always felt I could improve. This book reads easily, almost like Lane is sitting with you in a coaching session. I'm thankful for this comprehensive tool to help pastors do what we've been called to do. -Ron Edmondson, CEO, Leadership Network Two things I know for sure is everyone gets better with a coach and nothing grows a church faster than when a preacher gets better. Preaching Killer Sermons Lane Sebring, 2016-04-19 Lane provides practical tools to help pastors deliver engaging messages. Anyone who preaches or teaches will benefit from this book. -Mark Batterson, New York Times bestselling Author of *The Circle Maker*, Lead Pastor of National Community Church. Today's audiences are more distracted than ever, but sermons can only be effective if people are listening. You have to capture people's attention. But how? In *Preaching Killer Sermons*, author and pastor Lane Sebring reveals practical preparation and delivery techniques that will enable you to better connect with your listeners. Discover how to: -Capture and maintain the interest of your listeners -Structure each sermon for the greatest impact -Maximize your prep time on a tight schedule -Overcome distractions & communicate with clarity -Inspire people toward life-change If you want to discover practical methods to communicate clearly every time you preach, this book is for you. What church leaders are saying about *Preaching Killer Sermons*: Lane has written a very helpful, practical book for preachers and teachers. I think there are two great sins in preaching: misusing the text and boring your audience. In teaching pastors and seminary students, I find there are plenty of resources and attention given to avoid the first great sin. But there is a lack of resources on how not to bore people. And too many preachers feel that if they have rightly divided the Word of Truth, they have done everything God requires them to do. I think accuracy and effectiveness are equally important in preaching. *Preaching Killer Sermons* is a great resource to help pastors truly be effective in communicating the powerful truth of God's Word. I plan to start using this with the preaching students I teach. -David Whiting, Executive Search Consultant, Vanderbloemen, former Lead Pastor, Northridge Church, Rochester, NY The hardest thing I do each week is not leadership development or pastoral care - it's crafting a message which will communicate truth in an engaging and impactful way. I genuinely want to get better at what I believe is God's greatest call on my life. I'm thankful for Lane's heart to help us be better preachers. I'm thankful for this book. -Ron Edmondson, Senior Pastor, Immanuel Baptist Church, Lexington, KY, Church leadership blogger, RonEdmondson.com Pastor Lane Sebring has done an outstanding job of reverse engineering the great sermon. His efforts will help all who preach to preach better prepared sermons, and become better prepared communicators. *Preaching Killer Sermons* should be included reading in homiletics courses around the world. -Brett Fuller, Senior Pastor, Grace Covenant Church, Chantilly, VA Chaplain, Washington Redskins If you are a communicator in the local church you need to pick up this book. Lane brings practical insights and helpful encouragement on every page. Pick it up ... and apply the lessons contained within. -Rich Birch, unSeminary, Executive Pastor, Liquid Church, Mountainside NJ The concepts Lane shares in this book have helped sharpen my effectiveness in communicating the content of God's inerrant Word! I would highly recommend this book to both the novice and the experienced preacher. -Dr. Billy Ross, Senior Pastor, Centreville Baptist Church, Centreville, VA Trustee, The Southern Baptist Theological Seminary I serve on a

Teaching Team with Lane, so I watch him live out Preaching Killer Sermons each week. Lane's heart is to communicate God's Word in culturally relevant and engaging ways. Now he's sharing his passion in a book full of practical tools to help preachers (and teachers/speakers). You'll hear his heart as he challenges you to examine and refine your own preaching habits. -Elaine Bonds, sought after speaker, Graduate, Proverbs 31 She Speaks and CLASSEminars

**10 Steps to 10K Per Week: Complete Step by Step Blueprint for Reaching Financial Independence Online , The Digital Coach** Stella Kanatouri,2020 Thanks to digital media, coaching doesn't have to be constrained by geographical and temporal boundaries. Using digital media to facilitate coaching processes however, creates a distinct form of coaching practice that requires additional skill from the coach. The Digital Coach contains insights based on a

comprehensive, exploratory research that analysed the discussions of a 1,000 member strong online community of coaches and several interviews with coaches to understand their practical experiences of working with technology. At the same time, the book offers information, insights, and examples that can be readily used by the coaching practitioner. Based on the developments in the field, the book provides suggestions about improving the usability of coaching software, and it offers reflections on how emerging technologies like immersive Virtual Reality, Augmented Reality, and Artificial Intelligence might extend coaching practice. Whilst acknowledging the limitations and potential risks that may arise by integrating digital media in coaching, the book suggests that coaching success doesn't only depend on media capabilities, but also on the coach. The digital coach develops enhanced coaching skills and adapts coaching practice to the media in use. The book is dedicated to the coaching practitioner who uses digital media or who is considering doing so, and is relevant for coaching supervisors, buyers of coaching services, human resource professionals, and software designers.
