Insurance Agency Optimization Scott Grates,2019-05-20 Insurance Agency Optimization was written by a multi-line insurance agency owner, for multi-line insurance agency owners. It was written to help agency owners understand that they are not alone. The reality is almost nobody who owns an insurance agency ever planned on owning an insurance agency. Once upon a time I was a highly successful salesperson, or sales manager, or corporate executive or somebody special in some other field. Then, I got sick of working for somebody else and I thought it would be awesome to own my own business, create my own schedule, make tons of money, travel the world and golf a lot. So I opened my own insurance agency. The problem is insurance agency owners who jumped into this industry during the 21st century have a much different looking opportunity than those who came before them. It's still a tremendous opportunity, but the rewards aren't realized until several years of dues are paid. This book was written to save agency owners time and money as an alternative to present day trainings and seminars which offer quick fixes, silver bullets and shortcuts to success; none of which exist. Insurance Agency Optimization uses simple, easy to understand mindsets, systems and processes which have worked in all sales industries since the beginning of time. This book focuses on the common denominators all successful agencies share. Readers will learn to consistently focus on daily disciplines which increase levels of health, happiness and overall productivity. You'll be given

the essential mindset required to win each moment so you can win every day. And it will provide you and your teams with the tools required to dominate your market and ultimately work so efficiently your competition cannot even be compared to you. The insurance business is simple, but it's certainly not easy. You recruit, hire, train, educate and continuously motivate highly productive team members. You get to know your prospects by having conversations which uncover needs and then you offer the best possible solutions to satisfy those needs. Sounds simple, but again...it's not easy. This book was written and The Positive Impact Club was developed to make your life as the proud owner of a multi-line insurance agency much easier and will put you and your team on the right path to: Recognize and optimize every customer opportunity within every interaction each and every day Stand above and ultimately eliminate your competition Create a winning office culture with personal and team accountability Plan, prepare, track and ultimately WIN every day Implement a simple, repeatable sales processes to uncover multiple customer needs within one relaxed conversation EARN more referrals, ELIMINATE wasted marketing dollars and RETAIN more customers than ever before Become the happiest, healthiest and most productive version of yourself Perhaps you didn't fully understand what you were jumping into when you opened your insurance agency. And chances are you often times feel overwhelmed, confused or frustrated. The good news is you are not alone. The better news is there are proven ways to improve your results spelled out in this book. The best news is, this book will show you how to close the knowledge/action gap. It's great to know things, but without action knowledge is useless. Insurance Agency Optimization will challenge you to take one, two or three key components that best suit your agency and implement them immediately. The strategies shared in this book are proven to work and grow your business regardless of where you are today. After reading Insurance Agency Optimization and joining The Positive Impact Club the only regret you'll have is that you didn't know all of this sooner!

**The Paleo Gut Healing Cookbook** Alison Marras, 2021-12-09 With a 14-day meal plan, 75 delicious recipes, food lists, and gut-healing strategies, The Paleo Gut Healing Cookbook is your comprehensive gut-reset guide. Restoring gut health is one of the key tenets of the Paleo diet. By removing allergy-provoking, nutrient-devoid foods such as grains, legumes, dairy, sugar, and artificial ingredients, generalized inflammation in the body is reduced, gut health is restored, and autoimmune symptoms are alleviated. However, what to eat is only part of the equation; to restore digestive health, we also need to replicate how our paleolithic ancestors ate. Modern-day eating habits such as: eating quickly, eating while stressed, eating

too many different types of foods at one meal, and eating at the wrong times of the day can negate even the most nutritious diet. This book gives you the whole equation for restoring gut health. The Paleo Gut Healing Cookbook combines flavorful, nourishing Paleo and AIP recipes with 10 key digestive strategies to address both the “what to eat” and “how to eat,” including: Rhythmic Eating/Interval Fasting to allow gut-repair time between meals Mindful Eating to activate the parasympathetic nervous system (“Rest & Digest” state) for more efficient breakdown of food Food Combining to optimize absorption and assimilation of nutrients. The restorative recipes include: Creamy Ginger, Pear, and Butternut Squash Soup Teriyaki Salmon and Bok Choy Bone Broth Garlic Kale Rosemary Parsnip Purée Chicken Pad Thai with Green Papaya Noodles Smoked Salmon Salad with Jammy Eggs No-churn Blueberry Cardamom Nice Cream Cranberry Orange Flourless Muffins Heal your gut for good with the recipes and strategies in The Paleo Gut Healing Cookbook.
