**The Third Door** Alex Banayan, 2018-06-05 FORBES #1 CAREER BOOK TO READ IN 2018 The larger-than-life journey of an 18-year-old college freshman who set out from his dorm room to track down Bill Gates, Lady Gaga, and dozens more of the world's most successful people to uncover how they broke through and launched their careers. The Third Door takes readers on an unprecedented adventure—from hacking Warren Buffett's shareholders meeting to chasing Larry King through a grocery store to celebrating in a nightclub with Lady Gaga—as Alex Banayan travels from icon to icon, decoding their success. After remarkable one-on-one interviews with Bill Gates, Maya Angelou, Steve Wozniak, Jane Goodall, Larry King, Jessica Alba, Pitbull, Tim Ferriss, Quincy Jones, and many more, Alex discovered the one key they have in common: they all took the Third Door. Life, business, success... it's just like a nightclub. There are always three ways in. There's the First Door: the main entrance, where ninety-nine percent of people wait in line, hoping to get in. The Second Door: the VIP entrance, where the billionaires and celebrities slip through. But what no one tells you is that there is always, always... the Third Door. It's the entrance where you have to jump out of line, run down the alley, bang on the door a hundred times, climb over the dumpster, crack open the window, sneak through the kitchen—there's always a way in. Whether it's how Bill Gates sold his first piece of software or how Steven Spielberg became the youngest studio director in Hollywood history, they all took the Third Door.

*How to College* Andrea Malkin Brenner, Lara Hope Schwartz, 2019-04-23 The first practical guide of its kind that helps students transition smoothly from high school to college The transition from high school—and home—to college can be stressful. Students and parents often arrive on campus unprepared for what college is really like. Academic standards and expectations are different from high school; families aren't present to serve as “scaffolding” for students; and first-years have to do what they call “adulthood.” Nothing in the college admissions process prepares students for these new realities. As a result, first-year college students report higher stress, more mental health issues, and lower completion rates than in the past. In fact, up to one third of first-year college students will not return for their second year—and colleges are reporting an increase in underprepared first-year students. *How to College* is here to help. Professors Andrea Malkin Brenner and Lara Schwartz guide first-year students and their families through the transition process, during the summer after high school graduation and throughout the school year, preparing students to succeed and thrive as they transition and adapt to college. The book draws on the authors' experience teaching, writing curricula, and designing programs for thousands of first-year college students over decades.

*The Art of Gathering* Priya Parker, 2020-04-14 Hosts of all kinds, this is a must-read! --Chris Anderson, owner and curator of TED From the host of the New York Times podcast *Together Apart*, an exciting new approach to how we gather that will transform the ways we spend our time together—at home, at work, in our communities, and beyond. In *The Art of Gathering*, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise

as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. The Art of Gathering will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.

**Ask a Manager** Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

*2 Billion Under 20* Jared Kleinert, Stacey Ferreira, 2015-07-28 An exciting look at 75 contributors under age 20 who have done remarkable things, from entrepreneurship to athletics to music and more.

**Cold Email Manifesto** Robert Indries, Alex Berman, 2023-10-24 Cold Email is a superpower. According to “Cold Email King,” Alex Berman and business executive Robert Indries, business professionals can take their sales teams to the next level by implementing Silicon Valley's multi-billion dollar secret weapon: Cold Email. Most organizations struggle to grow, with the average sales team citing issues like never having enough leads or too low conversion rates. *Cold Email Manifesto*,

Berman and Indries' newest resource for business leaders and entrepreneurs, addresses both of those common concerns. It distills their professional insights into clear, engaging chapters that outline a tested and predictable system for finding leads, communicating and selling to those leads, and growing a profitable sales team. Within Cold Email Manifesto, readers will learn how to: Pitch to companies/professional contacts—without a mutual connection Successfully sell to new leads Clone profitable clients Add predictability to their sales pipeline By applying the practices of over 100,000 successful business professionals across the globe, Cold Email Manifesto will transform anyone's business—and in just 90 days!

*Your Digital Afterlife* Evan Carroll, John Romano, 2010-11-15 Almost without realizing it, we have shifted toward an all-digital culture. Future heirlooms like family photos, home movies, and personal letters now exist only in digital form, and in many cases they are stored using popular services like Flickr, YouTube, and Gmail. These digital possessions form a rich collection that chronicles our lives and connects us to each other. But have you considered what will happen to your treasured digital possessions when you die? Unfortunately the answer isn't as certain as we might presume. There are numerous legal, cultural, and technical issues that could prevent access to these assets, and if you don't take steps to make them available to your heirs, your digital legacy could be lost forever. Written by the creators of TheDigitalBeyond.com, this book helps you secure your valuable digital assets for your loved ones and perhaps posterity. Whether you're the casual email user or the hyper-connected digital dweller, you'll come away with peace of mind knowing that your digital heirlooms won't be lost in the shuffle. "Death is the final frontier of cyberspace—and this book provides a road map to the key issues, problems and future prospects for bridging this ultimate transition with dignity, security and grace." — Daniel "Dazza" Greenwood, Executive Director of the eCitizen Foundation "To be ahead of one's time usually means stepping to the side of one's time in order to see it clearly. This book does just that, putting our digital lives and afterlives into sharp focus. Fascinating." — David Eagleman, neuroscientist and author

*The Professor Is In* Karen Kelsky, 2015-08-04 The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site *The Professor is In*, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish -Writing a foolproof grant application - Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap - Making the leap to nonacademic work, when the time is right *The Professor Is In* addresses all of these issues, and many more.

**The Book Proposal Book** Laura Portwood-Stacer, 2021-07-13 A step-by-step guide to crafting a compelling scholarly book proposal—and seeing your book through to successful publication The scholarly book proposal may be academia's most mysterious genre. You have to write one to get published, but most scholars receive no training on how to do so—and you may have never even seen a proposal before you're expected to produce your own. *The Book Proposal Book* cuts through the mystery and guides prospective authors step by step through the process of crafting a compelling proposal and pitching it to university presses and other academic publishers. Laura Portwood-Stacer, an experienced developmental editor and publishing consultant for academic authors, shows how to select the right presses to target, identify audiences and

competing titles, and write a project description that will grab the attention of editors—breaking the entire process into discrete, manageable tasks. The book features over fifty time-tested tips to make your proposal stand out; sample prospectuses, a letter of inquiry, and a response to reader reports from real authors; optional worksheets and checklists; answers to dozens of the most common questions about the scholarly publishing process; and much, much more. Whether you're hoping to publish your first book or you're a seasoned author with an unfinished proposal languishing on your hard drive, *The Book Proposal Book* provides honest, empathetic, and invaluable advice on how to overcome common sticking points and get your book published. It also shows why, far from being merely a hurdle to clear, a well-conceived proposal can help lead to an outstanding book.

*Chief Marketing Officers at Work* Josh Steimle, 2016-08-04 Read 29 in-depth, candid interviews with people holding the top marketing roles within their organizations. Interviewees include CMOs and other top marketers from established companies and organizations—such as Linda Boff of GE, Jeff Jones of Target, and Kenny Brian of the Harvard Business School—to startups—such as Matt Price of Zendesk, Seth Farbman of Spotify, and Heather Zynczak of Domo. Interviewer Josh Steimle (contributor to business publications such as *Forbes*, *Mashable*, and *TechCrunch* and founder of an international marketing agency) elicits a bounty of biographical anecdotes, professional insights, and career advice from each of the prominent marketers profiled in this book. *Chief Marketing Officers at Work*: Tells how CMOs and other top marketers from leading corporations, nonprofits, government entities, and startups got to where they are today, what their jobs entail, and the skills they use to thrive in their roles. Shows how top marketing executives continuously adapt to changes in technology, language, and culture that have an impact on their jobs. Locates where the boundaries between role of CMOs and the roles of CEOs, CTOs, and COOs are blurring. Explores how the CMO decisions are now driven by data rather than gut feelings. The current realities in marketing are clearly revealed in this book as interviewees discuss the challenges of their jobs and share their visions and techniques for breaking down silos, working with other departments, and following the data. These no-holds-barred interviews will be of great interest to all those who interact with marketing departments, including other C-level executives, managers, and other professionals at any level within the organization.

**The Art of Asking** Amanda Palmer, 2014-11-11 Rock star, crowdfunding pioneer, and TED speaker Amanda Palmer knows all about asking. Performing as a living statue in a wedding dress, she wordlessly asked thousands of passersby for their dollars. When she became a singer, songwriter, and musician, she was not afraid to ask her audience to support her as she surfed the crowd (and slept on their couches while touring). And when she left her record label to strike out on her own, she asked her fans to support her in making an album, leading to the world's most successful music Kickstarter. Even while Amanda is both celebrated and attacked for her fearlessness in asking for help, she finds that there are important things she cannot ask for—as a musician, as a friend, and as a wife. She learns that she isn't alone in this, that so many people are afraid to ask for help, and it paralyzes their lives and relationships. In this groundbreaking book, she explores these barriers in her own life and in the lives of those around her, and discovers the emotional, philosophical, and practical aspects of *The Art of Asking*. Part manifesto, part revelation, this is the story of an artist struggling with the new rules of exchange in the twenty-first century, both on and off the Internet. *The Art of Asking* will inspire readers to rethink their own ideas about asking, giving, art, and love.
