Happy Derren Brown,2016-09-22 The Sunday Times Bestseller 'Really brilliant and just crammed with wisdom and insight. It will genuinely make a difference to me and the way I think about myself.' Stephen Fry ___ Everyone says they want to be happy. But that's much more easily said than done. What does being happy actually mean? And how do you even know when you feel it? In Happy Derren Brown explores changing concepts of happiness - from the surprisingly modern wisdom of the Stoics and Epicureans in classical times right up until today, when the self-help industry has attempted to claim happiness as its own. He shows how many of self-help's suggested routes to happiness and success - such as positive thinking, self-belief and setting goals - can be disastrous to follow and, indeed, actually cause anxiety. Happy aims to reclaim happiness and to enable us to appreciate the good things in life, in all their transient glory. By taking control of the stories we tell ourselves, by remembering that 'everything's fine' even when it might not feel that way, we can allow ourselves to flourish and to live more happily. ___ What readers are saying: ***** 'Immensely positive and life-affirming' ***** 'This is the blue print to a good life' ***** 'Thought provoking and potentially life-changing.'

The Third Door Alex Banayan,2018-06-05 FORBES #1 CAREER BOOK TO READ IN 2018 The larger-than-life journey of an 18-year-old college freshman who set out from his dorm room to track down Bill Gates, Lady Gaga, and dozens more of the world's most successful people to uncover how they broke through and launched their careers. The Third Door takes readers on an unprecedented adventure—from hacking Warren Buffett's shareholders meeting to chasing Larry King through a grocery store to celebrating in a nightclub with Lady Gaga—as Alex Banayan travels from icon to icon, decoding their success. After remarkable one-on-one interviews with Bill Gates, Maya Angelou, Steve Wozniak, Jane Goodall, Larry King, Jessica Alba, Pitbull, Tim Ferriss, Quincy Jones, and many more, Alex discovered the one key they have in common: they all took the Third Door. Life, business, success... it's just like a nightclub. There are always three ways in. There's the First Door: the main entrance, where ninety-nine percent of people wait in line, hoping to get in. The Second Door: the VIP entrance, where the billionaires and celebrities slip through. But what no one tells you is that there is always, always... the

Third Door. It's the entrance where you have to jump out of line, run down the alley, bang on the door a hundred times, climb over the dumpster, crack open the window, sneak through the kitchen—there's always a way in. Whether it's how Bill Gates sold his first piece of software or how Steven Spielberg became the youngest studio director in Hollywood history, they all took the Third Door.
