*The Fast Track Inbound Marketing Roadmap* Kavoos Stark, 2022-01-01 ♦ How can my business survive in this over-saturated market? ♦ How can I cut through the noise in my market? ♦ How can I build a successful online business with no authority and no testimonials? ♦ What tools do I need to start my online business? In this book, Kavoos Stark, the German online business coach, will answer all these questions. Kavoos stepped too late into the coaching market, and the results were unsatisfying! So he stopped everything and started documenting what worked well and what didn't. He did that in four steps: □ He realized he needed to document all the problems he needed to solve. □ Then, he understood that the root of many of his obstacles was his mindset. □ After that, he started to test what works and what does not. So he found out the only activities that brought him results were inbound, so he chose to have an inbound mentality and system. That became his

roadmap, and in this book, he is sharing it without holding anything back. □ He created a toolset for his customers to implement his roadmap. Each of the steps became a chapter in this book. To get the best out of this book and to get the latest updates, workbook, checklist, and resources of this book, join the other Fast Track Inbound Roadmap and get everything you need to start your business: [fasttrackinbound.com](http://fasttrackinbound.com)
