Digital Marketing Sudhir Sreedharan,2015-06-06 Omni channel is not just a fancier name for multi channel. It represents a truly new methodology that is customer centric and non linear. It provides a seamless experience to the customer no matter the channel they interact with. Marketing today is more about outcomes than interactions. Outcomes are what omni channel marketing is all about, putting the customer at the center of the brand experience so that engagement turns into revenue and loyalty. There are major people, process, and technology challenges with moving from multi channel to omni channel. This requires a real strategic focus and commitment. In this day and age, there is a proliferation of channels and tactics and it is highly recommended that you, as a marketer, need to have a broad understanding of all of this. To learn more you need to understand channels to some level of detail before embarking upon omni channel personalization.

Product-Led Onboarding Ramli John, 2021-06-04 When you borrow a plate from grandma, does she ask you to pay a deposit? Of course not. Likewise, blocking your non-paying (freemium) customers from the core experience of your product, is like chopping your own leg off while running a marathon. Yet, this is just one of the crucial mistakes that most SaaS companies make right off the bat. Think about it. Do YOU have... Stalled accounts taking up valuable space? Sub-par clients who only expect freebies and don't ever use the full features of your product? Low conversion from free accounts to paid? Then, you might have a shot-yourself-in-the-foot problem. In this book, you'll find the easy, 6-step formula you can apply to your operations today that can change absolutely everything. You'll be able to count your company among giants like Mixpanel, Ubisoft, and Outsystems when you: Captivate clients' attention from the get-go. Make it easier for clients to get good at using your software so they are more likely to use it. Create a fool-proof checklist to make your product go viral. Match services with behaviors, and get users addicted to your product. Win rave reviews by making clients feel like VIPs. Use this strategy at each level in your team to supercharge its effect. Rinse and repeat, and watch your business grow while you

sleep. In short, you'll discover why putting your customer first is the ultimate secret to growing your company. And how you can achieve astronomical conversions and customer loyalty without even trying. Check out what others are saying:

Founding Sales Peter R Kazanjy, 2020-08-04 This book is specifically targeted for founders who find themselves at the point where they need to transition into a selling role. Specifically founders who are leading organizations that have a B2B, direct sales model that involves sales professionals engaging in verbal, commercial conversations with buyers. Moreover, many examples in this book will be targeted specifically to the realm of B2B SAAS software, and specifically as regards new, potentially innovative or disruptive offerings that are being brought to market for the first time. In short, direct sales of the sort a B2B SAAS software startup would engage in. With that said, if you are looking to be a first time salesperson, transitioning in from another type of role, or fresh out of school, in an organization that meets those characteristics above, you will get value out of this book. Similarly, if you are a first time sales manager, either of the founder type, or a sales individual contributor who is transitioning into that role, again, in an organization who meets the criteria above, you will also get value from this book.
