**The 12 Week Year** Brian P. Moran, Michael Lennington, 2013-05-15 The guide to shortening your execution cycle down from one year to twelve weeks Most organizations and individuals work in the context of annual goals and plans; a twelve-month execution cycle. Instead, The 12 Week Year avoids the pitfalls and low productivity of annualized thinking. This book redefines your year to be 12 weeks long. In 12 weeks, there just isn't enough time to get complacent, and urgency increases and intensifies. The 12 Week Year creates focus and clarity on what matters most and a sense of urgency to do it now. In the end more of the important stuff gets done and the impact on results is profound. Explains how to leverage the power of a 12 week year to drive improved results in any area of your life Offers a how-to book for both individuals and organizations seeking to improve their execution effectiveness Authors are leading experts on execution and implementation Turn your organization's idea of a year on its head, and speed your journey to success.

**The Recovering Spender** Lauren Greutman, 2016-09-13 After learning how to curb her spending habits, Lauren Greutman shares her hard-earned knowledge on how to get out of debt and live without the financial pressures that many people face today. Millions of Americans today are near financial disaster—spending more money than they are bringing in, and losing control of their money. Lauren Greutman knows how that feels. For years, she struggled with too many bills to pay and not enough money to pay them. When Lauren found herself drowning in debt, she finally faced her extreme spending habits and took action. In *The Recovering Splendor*, Lauren shares her story and offers advice that is based on the many strategies she developed to change her own life and bring her family budget back to black. Lauren shows her readers, step-by-step, how to get rid of bad money habits, pay down debt, and stay within a budget. Some of the action chapters in the book are: Take an Inventory of Your Spending Declutter Your Finances Do an Expense Audit Curb Your Spending and Define Your Values Lauren exchanged the overrated, stressed-out American dream for a new one—a happier life filled with family, friends, and financial freedom—and now you can do the same!

**Atomic Habits** James Clear, 2018-10-16 The #1 New York Times bestseller. Over 20 million copies sold! Translated into 60+ languages! Tiny Changes, Remarkable Results No matter your goals, *Atomic Habits* offers a proven framework for improving—every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If

you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.
