**The Little Book** Kurt Bakley, 2016-12-23 You should, in a short time after reading this book, be saved from the strong delusion of the end. The other books will also help you know the truth about the end and the one-thousand-year period of December 21-25, 2018, when many events happen and the evil rapture occurs as Ecclesiastes chapter 12 predicts, as well as the book of Luke in the Bible. Many may challenge this book, but time will tell the truth if we don't see the Lord and the good Rapture by AD 2100. By AD 3005, people wouldn't believe anyone of the coming of the Lord, Rapture, and new earth. Others may be so confused that they think the Kingdom of God has come and Christ has been here all along. But he will be the antichrist. And they will all be swept away in a fire storm (solar flares?). Buy as many of these books as you can and start spreading the Gospel of Jesus Christ no matter what time you're in. These books predict two great earthquakes and tidal waves that will hit the West Coast of the United States on AD December 21-25, 2017, and the other on the East Coast of the United States on AD December 21-25, 2018, killing eight million Americans each or both. On the latter date, the earth's rotation may stop for three days and start up again with Venus's rotation counterclockwise--the opposite of what it is now. This will bring in the Kingdom Age of earth with paradise on it and no more aging, curse on animals, and the earth. The people will soon after follow a certain man or young child for one thousand years as if he is Christ.

The present Guidelines are intended to be implemented in any situation in which health care is delivered either to a patient or to a specific group in a population.
