**Steven Shattuck**

**The Nonprofit Strategy Revolution** David La Piana, 2018-08-07 Turner Publishing proudly presents a fully-updated edition of *The Nonprofit Strategy Revolution* FINALIST, Ben Franklin Awards, Independent Book Publishers Association, Business Category. The world changes continuously and rapidly. It's foolhardy to believe that strategies should not do so as well. Nonprofit leaders already know this, but traditional strategic planning has locked them into a process that's divorced from today's reality. That's why plans sit on the shelf and why smart executives are always seeking workarounds in between planning periods. *The Nonprofit Strategy Revolution* offers a nimble and powerful alternative. In this groundbreaking book, strategy expert David La Piana introduces "Real-Time Strategic Planning," a fluid, organic process that engages staff and board in a program of systematic readiness and continuous responsiveness. With it, your nonprofit will be able to identify, understand, and act on challenges and opportunities as they arise. At the heart of this practical book is the Real-Time Strategic Planning Cycle. Based on four years of research and testing with a variety of nonprofits, this proven process guides you through the steps to sound strategy. You'll find tools for clarifying your competitive advantage; generating a strategy screen—criteria for evaluating strategies to be able to respond quickly; handling big questions; developing and testing strategies; and implementing and adapting strategies. This useful guide also includes exhibits and case examples showing how concepts play out in real-life; a total of 27 tools—10 of which are essential for forming strategies; Theory to Action sidebars telling you which tool to use for a given task; and a link to downloadable content with all the tools and interactive worksheets you'll need, as well as a Facilitator's Guide to Real-Time Strategic Planning that gives you everything you need: the day's agenda, instructions for preparing flip charts, prework to be done, handouts, and worksheets. Use *The Nonprofit Strategy Revolution* and get the clarity and direction you need for maximum mission success.

[Joan Garry's Guide to Nonprofit Leadership](#) Joan Garry, 2017-03-06 Nonprofit leadership is messy. Nonprofits leaders are optimistic by nature. They believe with time, energy, smarts, strategy and sheer will, they can change the world. But as staff or board leader, you know nonprofits present unique challenges. Too many cooks, not enough money, an abundance of passion. It's enough to make you feel overwhelmed and alone. The people you help need you to be successful. But there are so many obstacles: a micromanaging board that doesn't understand its true role; insufficient fundraising and donors who make unreasonable demands; unclear and inconsistent messaging and marketing; a leader who's a star in her sector but a

difficult boss... And yet, many nonprofits do thrive. Joan Garry's *Guide to Nonprofit Leadership* will show you how to do just that. Funny, honest, intensely actionable, and based on her decades of experience, this is the book Joan Garry wishes she had when she led GLAAD out of a financial crisis in 1997. Joan will teach you how to: Build a powerhouse board Create an impressive and sustainable fundraising program Become seen as a 'workplace of choice' Be a compelling public face of your nonprofit This book will renew your passion for your mission and organization, and help you make a bigger difference in the world.

**Implementing and Sustaining Your Strategic Plan** John M. Bryson, Sharon Roe Anderson, Farnum K. Alston, 2011-08-09 Based on John Bryson's acclaimed comprehensive approach to strategic planning, the *Implementing and Sustaining Your Strategic Plan* workbook provides a step-by-step process, tools, techniques, and worksheets to help successfully implement, manage, and troubleshoot an organization's strategy over the long haul. This new and immensely practical workbook helps organizations work through the typical challenges of leading implementation for sustained change. It spotlights the importance of effective leadership for long-term successful strategic plan implementation. The authors include a wealth of tools designed to help with goal and objective setting, budgeting, stakeholder analysis, priority reconciliation, strategies in practice, special leadership roles, cultural changes, and more. The workbook's conceptual framework, step-by-step process, and worksheets can be applied in a variety of ways. It can be used as a whole, or selected parts can be used by board members, boards of directors, senior management teams, implementation teams, and task forces on a regular basis throughout the process of sustained implementation. The workbook's individual worksheets, or combinations of worksheets, can be used as needed to address a variety of implementation-related tasks.

*The Nonprofit Marketing Guide* Kivi Leroux Miller, 2010-05-13 A nonprofit's real-world survival guide and nitty-gritty how-to handbook This down-to-earth book shows how to hack through the bewildering jungle of marketing options and miles-long to-do lists to clear a marketing path that's right for your organization, no matter how understaffed or underfunded. You'll see how to shape a marketing program that starts from where you are now and grows with your organization, using smart and savvy communications techniques, both offline and online. Combining big-picture management and strategic decision-making with reader-friendly tips for implementing a marketing program day in and day out, this book provides a simple yet powerful framework for building support for your organization's mission and programs. Includes cost-effective strategies and proven tactics for nonprofits An ideal resource for thriving during challenging times Fast, friendly, and realistic advice to help you navigate the day-by-day demands of any nonprofit Written by one of the leading sources of how-to info and can-do inspiration for small and medium-sized nonprofit organizations, Kivi Leroux Miller is, among other things, a communication consultant and trainer, and president of EcoScribe Communications and *Nonprofit Marketing Guide.com*.

*Fundraising Principles and Practice* Adrian Sargeant, Jen Shang, 2017-03-06 The complete guide to fundraising planning,

tools, methods, and more Fundraising Principles and Practice provides a unique resource for students and professionals seeking to deepen their understanding of fundraising in the current nonprofit environment. Based on emerging research drawn from economics, psychology, social psychology, and sociology, this book provides comprehensive analysis of the nonprofit sector. The discussion delves into donor behavior, decision making, social influences, and models, then uses that context to describe today's fundraising methods, tools, and practices. A robust planning framework helps you set objectives, formulate strategies, create a budget, schedule, and monitor activities, with in-depth guidance toward assessing and fine-tuning your approach. Coverage includes online fundraising, major gifts, planned giving, direct response, grants, corporate fundraising, and donor retention, with an integrated pedagogical approach that facilitates active learning. Case studies and examples illustrate the theory and principles presented, and the companion website offers additional opportunity to deepen your learning and assess your knowledge. Fundraising has become a career specialty, and those who are successful at it are among the most in-demand in the nonprofit world. Great fundraisers make an organization's mission possible, and this book covers the essential information you need to help your organization succeed. Adopt an organized approach to fundraising planning Learn the common behaviors and motivations of donors Master the tools and practices of nonprofit fundraising Manage volunteers, monitor progress, evaluate events, and more Fundraising is the the nonprofit's powerhouse. It's the critical component that supports and maintains all activities, and forms the foundation of the organization itself. Steady management, clear organization, effective methods, and the most up-to-date tools are vital to the role, and familiarity with donor psychology is essential for using these tools to their utmost capability. Fundraising Principles and Practice provides a comprehensive guide to all aspects of the field, with in-depth coverage of today's most effective approaches.

**Robots Make Bad Fundraisers** Steven Shattuck,2020-03-12 In some ways, we're in a golden age of fundraising. There have never been more ways to capture attention, rally supporters, generate revenue, and measure fundraising performance than there are today. The accessibility of this technology has also never been greater, even to the smallest charities. When the robots work, amazing things can happen. We can A/B test the performance of emails and donation forms, stream HD video from the other side of the globe with a device that fits in our pocket, dissect website traffic data down to single visitor behavior, and predict donor behavior thanks to AI and machine learning.

**Nonprofit Strategic Planning** Lynne T. Dean,Linda Lysakowski,2015-08-20 Nonprofit Strategic Planning is the book you need if you serve on the board or hold a management position in a nonprofit. Okay, we know-you'd love to do strategic planning but who has the time? You're running a nonprofit, working lean and mean. You're overworked and understaffed. You're busy serving your mission. Your clients come first. Your board doesn't want to get bogged down in meeting after meeting to plan for the future. We need to deal with today! What, you say you wouldn't love to do strategic planning? You've been there, done that, and have the battle scars to prove it. You have a dandy plan that is somewhere in your office-let's see

now, where was that plan again? Oh darn, those pesky funders are asking to see our plan. Well, I guess if we have to do it, let's get it over as quickly and painlessly as possible. Oh wait, those clients that come first-have I really thought about their future? And those board members that don't want to take time to plan-do they really understand our mission and vision? And those staff people who are so overworked-could we make their job easier and their work time more productive? Hmm, maybe this planning idea isn't so bad after all. But-how can I do it while balancing all my other work? We've been there and done this ourselves. This is why we, the authors, wrote the book-to let you know you can do it, too. You can develop a plan that works. You can get people in your organization not only willing, but enthused, about writing the plan, and you can implement the plan to bring about change in your organization. In this book the authors cover: Chapter One: Why Strategic Planning? Chapter Two: Planning to Plan Chapter Three: Who Will Participate? Chapter Four: Close Encounters with Assessments, Scans, and Audits Chapter Five: The Planning Retreat Chapter Six: Values, Mission, and Vision Chapter Seven: Goals and Objectives Chapter Eight: Strategies and Tactics (Action Steps) Chapter Nine: Timelines, Budgets, and Areas of Responsibility Chapter Ten: Financing the Plan Chapter Eleven: The Product Chapter Twelve: Ensuring Board Buy-In Chapter Thirteen: Implementing the Plan Chapter Fourteen: Monitoring and Evaluating the Plan Chapter Fifteen: Planning for the Next Plan Appendix A: Sample Plan Appendix B: Planning Tools Appendix C: Sample Benchmarking Appendix D: Templates

About the In the Trenches Series You'll know an In the Trenches book not just by its cover but also by the author's fun, upbeat writing style. But don't be fooled by its down-to-earth approach and ample use of sidebars. In the Trenches books, published by CharityChannel Press, are authoritative and cover what a beginner should know to get started and progress rapidly as well as what a more experienced nonprofit-sector practitioner needs to know to move forward in the subject.

**Strategic Planning for Nonprofit Organizations** Michael Allison, Jude Kaye, 2011-01-11 Your total guide to putting a powerful management tool to work in your organization Why strategic planning? Because a well wrought strategic plan helps you set priorities and acquire and allocate the resources needed to achieve your goals. It provides a framework for analyzing and quickly adapting to future challenges. And it helps all board and staff members focus more clearly on your organization's priorities, while building commitment and promoting cooperation and innovation But to be effective, your plan will need to address the special needs of the nonprofit sector. And for more than a decade, Strategic Planning for Nonprofit Organizations has been the number-one source of guidance on all facets of strategic planning for managers at nonprofits of every size and budget. This thoroughly revised, updated, and expanded edition arms you with the expert knowledge and tools you need to develop and implement surefire strategic plans, including tested-in-the-trenches worksheets, checklists, and tables--in print and on the companion website--along with a book-length case study that lets you observe strategic planning in action. Packed with real-world insights and practical pointers, it shows you how to: Develop a clear mission, vision, and set of values Conduct SWOT analyses and program evaluations Assess client needs and determine stakeholder concerns Set

priorities and develop core strategies, goals, and objectives Balance the dual bottom lines of mission and money Write and implement a solid strategic plan Develop a user-friendly annual work plan Establish planning cycles, gauge progress, and update strategies

**Strategic Planning for Public and Nonprofit Organizations** John M. Bryson, 2011-07-05 How can leaders use strategic planning to strengthen their public and nonprofit organizations? In this fourth edition of his perennial bestseller *Strategic Planning for Public and Nonprofit Organizations*, Bryson provides the most updated version of his thoughtful strategic planning model and outlines the reasons public and nonprofit organizations must embrace strategic planning to improve their performance. Introduced in the first edition and refined over the past 18 years, the Strategy Change Cycle--a proven planning process used successfully by a large number of nonprofit and public organizations--is the framework used to guide the reader through the strategic planning process. Bryson offers detailed guidance on implementing the process, and specific tools and techniques to make the process work in any organization. In addition, he clarifies the organizational designs through which strategic thought and action will be encouraged and embraced throughout an entire organization. In addition to updated examples, new cases, and additional information on boundaries, distinctive competencies, Actor-Network theory, Bryson will create an instructor's manual with sample syllabi, PowerPoint teaching slides, and additional cases.

Strategic Planning in the Arts Michael M. Kaiser, 2018-10-23 A guide for strategic planning in the arts, based on the current ecology of arts organizations and the culture surrounding them--

*Nonprofit Sustainability* Jeanne Bell, Jan Masaoka, Steve Zimmerman, 2010-11-05 Praise for NONPROFIT SUSTAINABILITY This is much more than a financial how-to book. It's a nonprofit's guide to empowerment. It demystifies mission impact and financial viability using The Matrix Map to provide strategic options for any organization. A must-read for every nonprofit CEO, CFO, and board member. —Julia A. McClendon, chief executive officer, YWCA Elgin, Illinois This book should stay within easy reaching distance and end up completely dog-eared because it walks the reader through a practical but sometimes revelatory process of choosing the right mix of programs for mission impact and financial sustainability. Its use is a practice in which every nonprofit should engage its board once a year. —Ruth McCambridge, editor in chief, *The Nonprofit Quarterly* Up until a few years ago, funding and managing a nonprofit was a bit like undertaking an ocean voyage. Now, it's akin to windsurfing—you must be nimble, prepared to maximize even the slightest breeze, and open to modifying your course at a moment's notice. Innovative executive directors or bold board members who want their organization to be able to ride the big waves of the new American economy must read this book. —Robert L. E. Egger, president, DC Central Kitchen/Campus Kitchens Project/V3 Campaign Most nonprofits struggle to find a long-term sustainable business model that will enable them to deliver impact on their mission. Thanks to Jeanne Bell, Jan Masaoka, and Steve Zimmerman help is now in sight. This book offers practical, concrete steps you can take to develop your own unique path to sustainability without

compromising your mission. —Heather McLeod Grant, consultant, Monitor Institute, and author, *Forces for Good: The Six Practices of High-Impact Nonprofits* At last! An urgently needed framework to prepare leaders to meet head-on the persistent twin challenges of impact and sustainability. This is a practical tool based on good business principles that can bring boards and staff members together to lead their organizations to sustainable futures. —Nora Silver, adjunct professor and director, Center for Nonprofit and Public Leadership, Haas School of Business, University of California, Berkeley Together, Jeanne Bell, Jan Masaoka, and Steve Zimmerman equal wisdom, experience, and know-how on sustainability and lots of other things. Buy, read, and learn from this terrific book! —Clara Miller, president and CEO, Nonprofit Finance Fund Wisdom, experience, and know-how. Buy, read, and learn from this terrific book! —Clara Miller, president and CEO, Nonprofit Finance Fund

The One Page Business Plan for Non-Profit Organizations Jim Horan, 2019-06-06 LATEST EDITION! This edition of the One Page Business Plan Series has been specifically designed for Non-Profits! If you are responsible for founding or managing a non-profit organization... this book was written just for you! Now you can easily write a draft plan on a single page in less than two hours. Thousands of non-profits have already successfully written and implemented One Page Plans with this simple and effective planning methodology. This special version of The One Page Business Plan has been called The One Page Promise because it helps directors, boards, management and volunteers clearly define and live up to their promises at organizational, departmental, project and program levels... all in fast, easy to communicate and actionable terms! Includes free downloadable templates, planning worksheets, and sample plans!

Seeing Through a Donor's Eyes Tom Ahern, 2009 Why should I give you my hard-earned money? Effective fundraisers answer this essential question every time they ask for a gift. What's their secret to success? They have a winning case for support. As Tom Ahern, America's premier fundraising writer, makes clear, a case isn't some fancy argument you only develop for capital campaigns, when you're chasing millions. Successful donor newsletters, websites, annual reports, donor acquisition programs, email, direct mail, advertising, planned giving programs, and, yes, capital campaigns, too all have one thing in common: behind each stands a well-reasoned, emotionally satisfying case for support. Donors are sure to have questions. Your case gives you great answers. Complements Ahern's acclaimed book, *How to Write Fundraising Materials that Raise More Money*.--Amazon.com.

The One Page Business Plan Jim Horan, James T. Horan, Jr., 1998 The One Page Business Plan is the new way to business plan. This innovative process cuts the fluff and filler of traditional business plans and gets the essence of any business onto one page. Traditional business plans remain one of the most difficult documents for any business owner to write, until now. The innovative One Page Business Plan TM removes the mystique and terror of business planning so that any business owner can write a comprehensive business

*The Happy, Healthy Nonprofit* Beth Kanter, Aliza Sherman, 2016-09-26 Steer your organization away from burnout while boosting all-around performance The Happy, Healthy Nonprofit presents realistic strategies for leaders looking to optimize organizational achievement while avoiding the common nonprofit burnout. With a uniquely holistic approach to nonprofit leadership strategy, this book functions as a handbook to help leaders examine their existing organization, identify trouble spots, and resolve issues with attention to all aspects of operations and culture. The expert author team walks you through the process of building a happier, healthier organization from the ground up, with a balanced approach that considers more than just quantitative results. Employee wellbeing takes a front seat next to organizational performance, with clear guidance on establishing optimal systems and processes that bring about better results while allowing a healthier work-life balance. By improving attitudes and personal habits at all levels, you'll implement a positive cultural change with sustainable impact. Nonprofits are driven to do more, more, more, often with fewer and fewer resources; there comes a breaking point where passion dwindles under the weight of pressure, and the mission suffers as a result. This book shows you how to revamp your organization to do more and do it better, by putting cultural considerations at the heart of strategy. Find and relieve cultural and behavioral pain points Achieve better results with attention to well-being Redefine your organizational culture to avoid burnout Establish systems and processes that enable sustainable change At its core, a nonprofit is driven by passion. What begins as a personal investment in the organization's mission can quickly become the driver of stress and overwork that leads to overall lackluster performance. Executing a cultural about-face can be the lifeline your organization needs to thrive. The Happy, Healthy Nonprofit provides a blueprint for sustainable change, with a holistic approach to improving organizational outlook.

**Driving Strategic Planning** Susan A. Waechter, 2009

*Back to Work After Baby* Lori Mihalich-Levin, 2017-04-11 There are books out there on every baby-related topic imaginable. But how about one that helps you plan your return to work, ease your concerns and fears about the transition so you can focus on your baby, introduce you to a community of other returning-to-work mamas, and empower you to make calm and thoughtful choices? *Back to Work After Baby* fills this much-needed gap. Whether you are a brand new mom wondering how this return from maternity leave will go or it's your second or third return, *Back to Work After Baby* will inspire you with new ideas on how to approach the return with a healthy mindset, tackle all those logistics, view your leave and return as a leadership opportunity, and commit to staying in community with other working mamas.

[Ten Basic Responsibilities of Nonprofit Boards](#) Richard T. Ingram, 2009 Designed to help nonprofit board members and senior staff, The six books address all of the fundamental elements of service common to most boards, including board member responsibilities, how to structure the board in the most efficient manner, and how to accomplish governance work in the spirit of the mission of the organization.--Pg. 2 of Book 1

**Church and Ministry Strategic Planning** William Winston, Robert E Stevens, David L Loudon, R Henry Migliore, 2012-10-12 Spiritual management is required for spiritual organization, and yet a ministry's master plan should be the Master's plan for that ministry. Church and Ministry Strategic Planning assists readers in developing a Biblically based blueprint for carrying out the many activities in which the church or ministry is involved. The authors show clearly how careful planning is inspired by the Scriptures ("Suppose one of you wants to build a tower. Will he not first sit down and estimate the cost to see if he has enough money to complete it?"--Luke 14:28) and how it improves making decisions today which ultimately affect the ministry's effectiveness tomorrow. Church and Ministry Strategic Planning covers all areas of this type of planning and can be read and reviewed quickly. Through the use of a model of the strategic planning process, the authors show how to develop mission statements, define strategic objectives, develop strategy options and operating strategies, appraise performance, and monitor strategic planning. Readers are led step-by-step through these key areas of creating a strategic plan. Examples and worksheets at the end of each chapter enable pastors, administrators, and lay leaders to develop a strategic plan fitting to their specific ministry or church. The appendixes provide tools used in planning as well as a complete sample strategic plan for a large church. Put these concepts to immediate use in decisionmaking and pursue God's purpose and vision for the church or ministry. If readers take the time and effort to study this book, apply its format, and prayerfully keep God in every step of the plan, here is what the authors believe plan administrators can expect:

1. A sense of enthusiasm in the church or ministry
2. A 5-year plan in writing to which everyone is committed
3. A sense of commitment by the entire church to its overall direction
4. Time for the leaders to do what they have been called to do
5. Clear job duties and responsibilities
6. Clear and evident improvement in the health and vitality of every member of the church staff
7. Measurable improvement in the personal lives of all those in responsible positions with time for vacations, family, and personal pursuits
8. The ability to measure very specifically, the growth and contribution made by senior pastors or evangelists at the close of their careers
9. Guaranteed leadership of the church or ministry because a plan is in place--in writing--and is understood. Even more importantly, a management team and philosophy will be in place to guide the church or ministry into its next era of growth

Explore this Biblical perspective on planning and develop a strategic plan that is systematic and continuous and allows the church or ministry to assess its market position, establish goals, objectives, priorities, and strategies to be completed within specified time periods, achieve greater staff and member commitment and teamwork aimed at meeting challenges and solving problems, and muster its resources to meet these changes through anticipation.

**The Little Book of Nonprofit Leadership** Erik Hanberg, 2021-02-16 What does an Executive Director actually do? And how can you lead your organization to a stronger place? Nonprofit expert Erik Hanberg wrote *The Little Book of Nonprofit Leadership* to speak directly to Executive Directors of small (and very small) nonprofits who are asking these questions. EDs,

especially at small nonprofits, tend to be dropped into the deep end of the pool with the expectation that they know how to swim. The Little Book of Nonprofit Leadership will be a welcome rescue line. The book is filled with practical tips and big-picture ideas about: the basics of the job; program, people, and money—the three essential areas that a nonprofit ED needs to master; working with your board (including how to ask for a raise!); your first 100 days as a new ED; a guide to being a part-time Executive Director ; and more, including access to bonus chapters and special resources! Erik Hanberg has twenty years of nonprofit experience at organizations of all sizes. He’s channeled that experience into his four “little books” for nonprofits, which together have sold tens of thousands of copies.

### **Nonprofit Annual Plan Template** Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has be much more evident than ever. They have the ability to inspire, provoke, and ignite change.
