**The 12 Week Year** Brian P. Moran, Michael Lennington, 2013-05-15 The guide to shortening your execution cycle down from one year to twelve weeks Most organizations and individuals work in the context of annual goals and plans; a twelve-month execution cycle. Instead, The 12 Week Year avoids the pitfalls and low productivity of annualized thinking. This book redefines your year to be 12 weeks long. In 12 weeks, there just isn't enough time to get complacent, and urgency increases and intensifies. The 12 Week Year creates focus and clarity on what matters most and a sense of urgency to do it now. In the end more of the important stuff gets done and the impact on results is profound. Explains how to leverage the power of a 12 week year to drive improved results in any area of your life Offers a how-to book for both individuals and organizations seeking to improve their execution effectiveness Authors are leading experts on execution and implementation Turn your organization's idea of a year on its head, and speed your journey to success.

**Getting Things Done** David Allen, 2015-03-17 The book Lifehack calls The Bible of business and personal productivity. A completely revised and updated edition of the blockbuster bestseller from 'the personal productivity guru'—Fast Company Since it was first published almost fifteen years ago, David Allen's Getting Things Done has become one of the most influential business books of its era, and the ultimate book on personal organization. "GTD" is now shorthand for an entire way of approaching professional and personal tasks, and has spawned an entire culture of websites, organizational tools, seminars, and offshoots. Allen has rewritten the book from start to finish, tweaking his classic text with important perspectives on the new workplace, and adding material that will make the book fresh and relevant for years to come. This new edition of Getting Things Done will be welcomed not only by its hundreds of thousands of existing fans but also by a whole new generation eager to adopt its proven principles.

**She's on the Money: The award-winning #1 finance bestseller** Victoria Devine, 2021-06-16 Winner of the ABIA General Non-fiction Book of the Year 2022 Winner of the Best Personal Finance & Investment Book of the Year at the 2021 Business Book Awards Through her phenomenally popular and award-winning podcast, She's on the Money, Victoria Devine has built an empowered and supportive community of women finding their way to financial freedom. Honest, relatable, non-

judgemental and motivating, Victoria is a financial adviser who knows what millennial life is really like and where we can get stuck with money stuff. (Did someone say 'Afterpay'...?) So, to help you hit your money goals without skimping on brunch, she's put all her expert advice into this accessible guide that will set you up for a healthy and happy future. Learn how to be more secure, independent and informed with your money - with clear steps on how to budget, clear debts, build savings, start investing, buy property and much more. And along with all the practical information, Victoria will guide you through the sometimes-tricky psychology surrounding money so you can establish the values, habits and confidence that will help you build your wealth long-term. This indispensable guide will help you to: \*Discover how personal stories shape financial decisions and set ambitious goals \*Master budgeting and cash flow essentials, positioning finances for success \*Navigate the basics of banking, investing, home loans, and effective debt management \*Understand superannuation, taxes, and the benefits of side hustles for income boosts \*Integrate financial wisdom into relationships, family planning, and ensure legacy with estate planning \*Decide on the right financial guidance and remain accountable with a 12-month actionable plan Just like the podcast, the book is full of real-life money stories from members of the She's on the Money community who candidly share their experiences, wins and lessons learned to inspire others to turn their stories around, too. And with templates and activities throughout, plus a twelve-month plan to get you started, you can immediately put Victoria's recommendations into action in your own life. You are not alone on your financial journey, and with the money principles in this book you'll go further than you ever thought possible.

The Power of Habit Charles Duhigg, 2012-02-28 NEW YORK TIMES BESTSELLER • MORE THAN 3 MILLION COPIES SOLD • This instant classic explores how we can change our lives by changing our habits. "Few [books] become essential manuals for business and living. The Power of Habit is an exception."—Financial Times A WALL STREET JOURNAL AND FINANCIAL TIMES BEST BOOK OF THE YEAR In The Power of Habit, award-winning business reporter Charles Duhigg takes us to the thrilling edge of scientific discoveries that explain why habits exist and how they can be changed. Distilling vast amounts of information into engrossing narratives that take us from the boardrooms of Procter & Gamble to the sidelines of the NFL to the front lines of the civil rights movement, Duhigg presents a whole new understanding of human nature and its potential. At its core, The Power of Habit contains an exhilarating argument: The key to exercising regularly, losing weight, being more productive, and achieving success is understanding how habits work. As Duhigg shows, by harnessing this new science, we can transform our businesses, our communities, and our lives. With a new Afterword by the author

The Man Who Ran Washington Peter Baker,Susan Glasser,2020-09-29 BEST BOOK OF THE YEAR: The New York Times • The Washington Post • Fortune • Bloomberg From two of America's most revered political journalists comes the definitive biography of legendary White House chief of staff and secretary of state James A. Baker III: the man who ran Washington when Washington ran the world. For a quarter-century, from the end of Watergate to the aftermath of the Cold War, no Republican won the presidency without his help or ran the White House without his advice. James Addison Baker III was the indispensable man for four presidents because he understood better than anyone how to make Washington work at a time when America was shaping events around the world. The Man Who Ran Washington is a page-turning portrait of a power broker who influenced America's destiny for generations. A scion of Texas aristocracy who became George H. W. Bush's best

friend on the tennis courts of the Houston Country Club, Baker had never even worked in Washington until a devastating family tragedy struck when he was thirty-nine. Within a few years, he was leading Gerald Ford's campaign and would go on to manage a total of five presidential races and win a sixth for George W. Bush in a Florida recount. He ran Ronald Reagan's White House and became the most consequential secretary of state since Henry Kissinger. He negotiated with Democrats at home and Soviets abroad, rewrote the tax code, assembled the coalition that won the Gulf War, brokered the reunification of Germany and helped bring a decades-long nuclear superpower standoff to an end. Ruthlessly partisan during campaign season, Baker governed as the avatar of pragmatism over purity and deal-making over division, a lost art in today's fractured nation. His story is a case study in the acquisition, exercise, and preservation of power in late twentieth-century America and the story of Washington and the world in the modern era--how it once worked and how it has transformed into an era of gridlock and polarization. This masterly biography by two brilliant observers of the American political scene is destined to become a classic.

The Great CEO Within: The Tactical Guide to Company Building Matt Mochary,2019-12-05 Matt Mochary coaches the CEOs of many of the fastest-scaling technology companies in Silicon Valley. With *The Great CEO Within*, he shares his highly effective leadership and business-operating tools with any CEO or manager in the world. Learn how to efficiently scale your business from startup to corporation by implementing a system of accountability, effective problem-solving, and transparent feedback. Now you have the guidance you need in one book.

It's Complicated Danah Boyd,2014-02-25 Surveys the online social habits of American teens and analyzes the role technology and social media plays in their lives, examining common misconceptions about such topics as identity, privacy, danger, and bullying.

*The Time Trap* R. Alec Mackenzie,Pat Nickerson,2009 Focusing on twenty major obstacles to effective time management, a guide to using time well offers practical solutions to the problem.

Broke Millennial Erin Lowry,2017-05-02 WASHINGTON POST "COLOR OF MONEY" BOOK CLUB PICK Stop Living Paycheck to Paycheck and Get Your Financial Life Together (#GYFLT)! If you're a cash-strapped 20- or 30-something, it's easy to get freaked out by finances. But you're not doomed to spend your life drowning in debt or mystified by money. It's time to stop scraping by and take control of your money and your life with this savvy and smart guide. *Broke Millennial* shows step-by-step how to go from flat-broke to financial badass. Unlike most personal finance books out there, it doesn't just cover boring stuff like credit card debt, investing, and dealing with the dreaded "B" word (budgeting). Financial expert Erin Lowry goes beyond the basics to tackle tricky money matters and situations most of us face #IRL, including: - Understanding your relationship with moolah: do you treat it like a Tinder date or marriage material? - Managing student loans without

having a full-on panic attack - What to do when you're out with your crew and can't afford to split the bill evenly - How to get "financially naked" with your partner and find out his or her "number" (debt number, of course) . . . and much more. Packed with refreshingly simple advice and hilarious true stories, Broke Millennial is the essential roadmap every financially clueless millennial needs to become a money master. So what are you waiting for? Let's #GYFLT!

**Your Money, Your Goals** Consumer Financial Protection Bureau, 2015-03-18 Welcome to the Consumer Financial Protection Bureau's Your Money, Your Goals: A financial empowerment toolkit for social services programs! If you're reading this, you are probably a case manager, or you work with case managers. Finances affect nearly every aspect of life in the United States. But many people feel overwhelmed by their financial situations, and they don't know where to go for help. As a case manager, you're in a unique position to provide that help. Clients already know you and trust you, and in many cases, they're already sharing financial and other personal information with you. The financial stresses your clients face may interfere with their progress toward other goals, and providing financial empowerment information and tools is a natural extension of what you are already doing. What is financial empowerment and how is it different from financial education or financial literacy? Financial education is a strategy that provides people with financial knowledge, skills, and resources so they can get, manage, and use their money to achieve their goals. Financial education is about building an individual's knowledge, skills, and capacity to use resources and tools, including financial products and services. Financial education leads to financial literacy. Financial empowerment includes financial education and financial literacy, but it is focused both on building the ability of individuals to manage money and use financial services and on providing access to products that work for them. Financially empowered individuals are informed and skilled; they know where to get help with their financial challenges. This sense of empowerment can build confidence that they can effectively use their financial knowledge, skills, and resources to reach their goals. We designed this toolkit to help you help your clients become financially empowered consumers. This financial empowerment toolkit is different from a financial education curriculum. With a curriculum, you are generally expected to work through most or all of the material in the order presented to achieve a specific set of objectives. This toolkit is a collection of important financial empowerment information and tools you can access as needed based on the client's goals. In other words, the aim is not to cover all of the information and tools in the toolkit - it is to identify and use the information and tools that are best suited to help your clients reach their goals.

**The Manager's Handbook** Alex Maccaw, 2021-08-16 This handbook is the practical guide to becoming a great manager. It covers all the major topics including hiring, coaching, feedback, one-on-ones, and decision making. It also covers some of softer, but equally important, topics like conflict resolution and mental health. Great management changes lives. In fact, it's one of the most single overlooked pieces of leverage in the world. Great managers are remembered like great teachers, inspirations who help others soar. That's why it's such a shame management training is so often overlooked. Successful

individual-contributors are rewarded with a 'promotion' into management and then, more often than not, left to sink or swim. If you're a new manager, this book will shine a friendly light on the road ahead. And if you're an old dog, perhaps it'll teach you a trick or two. This handbook was written by Alex MacCaw and stress-tested at a company called Clearbit.

**The 5 Second Journal** Mel Robbins, 2017-12-19 The most powerful journal on the planet. In the international bestseller *The 5 Second Rule*, Mel Robbins inspired millions to 5 - 4 - 3 - 2 - 1...take action, get results, and live a more courageous life! Now, in *The 5 Second Journal*, Mel guides you step-by-step through a simple research-backed daily journaling method that will help you become the most productive, confident, and happiest you. It is the most powerful journal on the planet because it uses science to unlock the greatest force in the universe...YOU. Using this journal, you will: GET SH\*T DONE You won't just get more done—you'll do it in half the time. Your life is way too important to spend it procrastinating. Invest a little time in here every day and in return you'll get the best tools psychology, organizational behavioral, and neuroscience have to offer. KISS OVERWHELM GOODBYE Stop being ruled by your to-do list and start getting the important work done. Filling your days with menial tasks will not lead to a meaningful life. This journal will keep your focus on what's most important, even in between conference calls and running errands. CULTIVATE ROCKSTAR CONFIDENCE Confidence is a skill YOU can build. Yes, you. And it's not as difficult as you may think. Every day this journal will give you a chance to step outside your comfort zone so you can feel proud of yourself and watch your self-confidence grow. AMP YOUR PASSION Want to live a more passionate life? Stop focusing on sh\*t that drains you. Seriously. This journal will show you a cool way to power up your energy levels and tap into that inner zen that knows exactly what fuels your fire. GET CONTROL OF YOUR LIFE If you get to the end of the day and wonder where it all went, it's time to take stock. Using research from Harvard Business School, you'll learn one simple mindset trick that keeps you present to what matters most, which is the secret to being in control. BE THE HAPPIEST YOU Science proves that your mood in the morning impacts your entire day. That's why this journal is designed to boost your mood first thing, so you can become a happier, smarter, and more positive person all day. The fact is, happier people get sh\*t done.

**The White Coat Investor** James M. Dahle, 2014-01 Written by a practicing emergency physician, *The White Coat Investor* is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books.

This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a Backdoor Roth IRA and Stealth IRA to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For The White Coat Investor Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place. - Allan S. Roth, MBA, CPA, CFP(R), Author of How a Second Grader Beats Wall Street Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research. - William J. Bernstein, MD, Author of The Investor's Manifesto and seven other investing books This book should be in every career counselor's office and delivered with every medical degree. - Rick Van Ness, Author of Common Sense Investing The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk. - Joe Jones, DO Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis. - Dennis Bethel, MD An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust. - Greg E Wilde, M.D Scroll up, click the buy button, and get started today!
