Beloved Brands Graham Robertson, 2018-01-06 Beloved Brands is a book every CMO or would-be CMO should read. Al Ries With Beloved Brands, you will learn everything you need to know so you can build a brand that your consumers will love. You will learn how to think strategically, define your brand with a positioning statement and a brand idea, write a brand plan everyone can follow, inspire smart and creative marketing execution, and be able to analyze the performance of your brand through a deep-dive business review. Marketing pros and entrepreneurs, this book is for you. Whether you are a VP, CMO, director, brand manager or just starting your marketing career, I promise you will learn how to realize your full potential. You could be in brand management working for an organization or an owner-operator managing a branded business. Beloved Brands provides a toolbox intended to help you every day in your job. Keep it on your desk and refer to it whenever you need to write a brand plan, create a brand idea, develop a creative brief, make advertising decisions or lead a deep-dive business review. You can even pass on the tools to your team, so they can learn how to deliver the fundamentals needed for your brands. This book is also an excellent resource for marketing professors, who can use it as an in-class textbook to develop future marketers. It will challenge communications agency professionals, who are looking to get better at managing brands, including those who work in advertising, public relations, in-store marketing, digital advertising or event marketing. Most books on branding are really for the MARCOM crowd. They sound good, but you find it's all fluff when you try to take it from words to actions. THIS BOOK IS DIFFERENT! Graham does a wonderful job laying out the steps in clear language and goes beyond advertising and social media to show how branding relates to all aspects of GENERAL as well as marketing management. Make no mistake: there is a strong theoretical foundation for all he says...but he spares you the buzzwords.

Next year my students will all be using this book. Kenneth B. (Ken) Wong, Queen's University If you are an entrepreneur who has a great product and wants to turn it into a brand, you can use this book as a playbook. These tips will help you take full advantage of branding and marketing, and make your brand more powerful and more profitable. You will learn how to think, define, plan, execute and analyze, and I provide every tool you will ever need to run your brand. You will find models and examples for each of the four strategic thinking methods, looking at core strength, competitive, consumer and situational strategies. To define the brand, I will provide a tool for writing a brand positioning statement as well as a consumer profile and a consumer benefits ladder. I have created lists of potential functional and emotional benefits to kickstart your thinking on brand positioning. We explore the step-by-step process to come up with your brand idea and bring it all together with a tool for writing the ideal brand concept. For brand plans, I provide formats for a long-range brand strategy roadmap and the annual brand plan with definitions for each planning element. From there, I show how to build a brand execution plan that includes the creative brief, innovation process, and sales plan. I provide tools for how to create a brand calendar and specific project plans. To grow your brand, I show how to make smart decisions on execution around creative advertising and media choices. When it comes time for the analytics, I provide all the tools you need to write a deep-dive business review, looking at the marketplace, consumer, channels, competitors and the brand. Write everything so that it is easy to follow and implement for your brand. My promise to help make you smarter so you can realize your full potential.

Unleashing Your Inner Leader Vickie Bevenour, 2015-02-17 Leverage your brand of leadership for maximum results *Unleashing Your Inner Leader: Executive Coach Tells All* presents the premise that there is a powerful leader inside each of us. The focus is on real life exercises and case studies to help you discover, release, and leverage your inner leader: to reach heights in your career that you never thought possible. The book discusses the individual’s impact on the organization and which professional behaviors most frequently demonstrate leadership competencies. Conduct a “forensic intervention” to find out what is going awry in your professional development, or what has gone wrong in the past, and craft a strategy to overcome obstacles, gain unmistakable clarity about yourself, and focus your abilities to match organizational needs. Great leaders start their assessments from the inside out, and their passion is so strong that it permeates their organizations and builds the culture, regardless of rank. They inspire their teams by sharing the spotlight and encouraging coworkers to excel, operating with clean authenticity to maximize results. *Unleashing Your Inner Leader* helps you recognize where you fall on the leadership spectrum, and provides practical advice for shaping your brand of leadership to capitalize on your authentic capability and potential. You’ll find expert insight as an executive business coach guides you to: Evaluate your strengths, values, and personal impact to craft a vision for the world around you Discover what’s holding you back from maximum effectiveness Tap into your undiscovered potential, and inspire your team to excellence Recognize what it will take to move you and your organization to the next level It is often very difficult for leaders to see their own greatness, unlock it, and use it in a practical way to get results. Be the spark that ignites your team, and steer your own development toward becoming an

impactful leader with Unleashing Your Inner Leader.

Personal Balance Sheet Randall M. Craig, 2007-07 Forty years, 10,000 days, 80,000 hours. Measure it any way you like, but this is about the length of a typical career. With so much life spent working, why not spend some time planning your career in an organized, strategic manner? - Are you a bit fuzzy on your career goals? - Is your work-life balance not under control? - Have you achieved some career success and are considering change -- but to what? - Do you feel unsure about networking -- and why it matters? - Are you uncomfortable discussing career issues with your manager? If you answered yes to even one of these questions, this book will help. You will learn: - To define your career goals and then achieve them (Reality Check Interviews) - How to take control over your balance by defining it properly (Personal Balance Sheet)- Networking that is focused on results, and doesn't rely on pointless conversations or "schmoozing" (Give to Get and Bank of Me) - How to engage your manager and others in your career development process (Career Commitment Chart)- How to be successful after a change (Gap Analysis) In this book, Randall Craig provides the process and practical tools for each person to take control over their career -- and their life.

Building PowerPoint Templates Step by Step with the Experts Echo Swinford, Julie Terberg, 2012-09-28 Building PowerPoint Templates Supercharge your PowerPoint® presentations with custom templates and themes! Want to create presentations that are more consistent and cost-effective? Presentations that fully reflect your branding? Then don't settle for Microsoft's "out-of-the-box" templates and themes: create your own! In this easy, hands-on guide, two PowerPoint MVPs teach you every skill and technique you'll need to build the perfect template—from planning and design, through theme building, custom layouts, colors, and deployment. Echo Swinford and Julie Terberg have distilled their immense PowerPoint

knowledge into simple, step-by-step techniques you can use right now, whether you're using PowerPoint 2010 or 2007 for Windows, or PowerPoint 2011 for Mac. Well-built templates are the backbone of great presentations—whether building them for your own use or designing for thousands of users, this book will guide you through the process of creating the most effective templates. Important Note: Upgrading from older versions of PowerPoint, such as PowerPoint 2003? Your old templates may no longer work. This book will help you make the transition painlessly!

- Plan new templates and themes to maximize their business value for years to come
- Understand the differences between templates and themes, and how they work together
- Make better choices about color, fonts, and slide layouts
- Create efficient templates for individual users, teams, and large organizations
- Incorporate Notes and Handout Masters into your presentation templates
- Provide example slides and default settings that lead to better presentations
- Use Microsoft's little-known Theme Builder to create effects and background styles
- Work around hidden quirks in PowerPoint's advanced template and theme features

Echo Swinford, a Microsoft PowerPoint MVP since 2000, has been a featured speaker at the Presentation Summit (formerly PowerPoint Live) since its inception. She is the expert voice and instructor behind PowerPoint 2010 LiveLessons (Video Training), the author of *Fixing PowerPoint Annoyances* and co-author of *The PowerPoint 2007 Complete Makeover Kit*. Julie Terberg is a Microsoft PowerPoint MVP and featured speaker at the Presentation Summit. She is the owner of Terberg Design and has been designing presentations since the mid-1980s. She is co-author of *Perfect Medical Presentations*. As contributing author for *Presentations Magazine*, she won awards for her Creative Techniques columns.

Sprint Jake Knapp, John Zeratsky, Braden Kowitz, 2016-03-08 From inside Google Ventures, a unique five-day process for solving tough problems, proven at thousands of companies in mobile, e-commerce, healthcare, finance, and more. Entrepreneurs and leaders face big questions every day: What's the most important place to focus your effort, and how do you start? What will your idea look like in real life? How many meetings and discussions does it take before you can be sure you have the right solution? Now there's a surefire way to answer these important questions: the Design Sprint, created at Google by Jake Knapp. This method is like fast-forwarding into the future, so you can see how customers react before you invest all the time and expense of creating your new product, service, or campaign. In a Design Sprint, you take a small team, clear your schedules for a week, and rapidly progress from problem, to prototype, to tested solution using the step-by-step five-day process in this book. A practical guide to answering critical business questions, *Sprint* is a book for teams of any size, from small startups to Fortune 100s, from teachers to nonprofits. It can replace the old office defaults with a smarter, more respectful, and more effective way of solving problems that brings out the best contributions of everyone on the team—and helps you spend your time on work that really matters.

Slides for Students Gary D. Fisk, 2018-10-16 300 million powerpoint presentations are given daily, yet there is a disconnect between the amazing technology of powerpoint and a mediocre student learning experience. To unleash the full

potential of powerpoint presentations, we must do a better job of creating presentations that fit the educational needs of students. Slides for Students does just that. Slides for Students is an open and honest discussion about powerpoint in the classroom. A need exists for thoughtfully designed and implemented classroom instruction that focuses on the learner rather than on the technology. This book was written to translate academic research findings into practical suggestions about powerpoint that educators can use. Divided into two parts, Slides for Students discusses the history of powerpoint, explores academic studies on the topic, and demonstrates how to design slides to best suit educational needs and engage with students to avoid the dreaded death by powerpoint.

Brand Storytelling Miri Rodriguez, 2023-07-03 FINALIST: 2023 American Marketing Association Foundation Leonard L. Berry Marketing Book Award (first edition) Written by the award-winning storyteller Miri Rodriguez at Microsoft, this bestselling book gets back to the heart of brand loyalty, consumer behavior and engagement as a business strategy by using storytelling to trigger the emotions that humans are driven by. Despite understanding essential storytelling techniques, brands continue to explain how their product or service can help the customer, rather than showcasing how the customer's life has changed as a result of them. This second edition of Brand Storytelling contains new trends in storytelling, as well as expanding on story experience and employee experience. This book explores the future of brand storytelling in a post pandemic era. New to this edition is also a 'How to Guide' taking readers through each step of the design thinking process in order to prototype their stories. Brand Storytelling provides a step-by-step guide to assess, dismantle and rebuild a brand story, shifting the brand from a 'hero' to 'sidekick' mentality and positioning the customer as a key influencer to motivate the audience. Clarifying why machine-learning, AI and automation only tell one side of the story, this book will inspire you with cutting edge interviews and case studies from leading brands like Expedia, Coca Cola, McDonalds, Adobe and Google to tap into authentic brand loyalty and human connection.

Building a StoryBrand 2.0 Donald Miller, 2025-01-07 When you apply the StoryBrand framework your brand will stand out. Developing that framework to clarify your message and grow your business is about to get a whole lot simpler. . . Since the original publication of Building a StoryBrand, over one million business leaders have discovered Donald Miller's powerful StoryBrand framework, and their businesses are growing. Now, the classic resource for connecting with customers has been fully revised and updated, making it an even more powerful tool to prepare you to engage customers. In a world filled with constant, on-demand distractions, it has become very hard for business owners to effectively cut through the noise to reach their customers. Without a clear, distinct message, customers will not understand what you can do for them and won't engage. In Building a StoryBrand 2.0, Donald Miller not only deepens his teaching on how to use his seven universal story elements—he'll provide you with one of the most powerful and cutting-edge tools to help with your brand messaging efficacy and output. The StoryBrand framework is a proven process that has helped thousands of companies engage with their

existing customers, giving them the ultimate competitive advantage. Now you can have access to the perfected version, making it more essential. Whether you are the marketing director of a multibillion-dollar company, the owner of a small business, a politician running for office, or the lead singer of a rock band, Building a StoryBrand 2.0 will forever transform the way you talk about who you are, what you do, and the unique value you bring to your customers.
