Mothering Earth Julia Rockwell, 2023-10-10 This Earth—and money—saving guide to sustainable living empowers families everywhere to fight climate change by making practical lifestyle changes—at home at their own pace. A perfect gift for parents, homeowners, and anyone looking to simplify their daily routines. Expert author Julia Rockwell provides a road map to simplify and streamline our lives in a way that benefits overall well-being and the health of the planet—all without sacrificing comforts or turning our lives upside down. And to do so you... do not need to carve out separate time to focus on sustainability, do not need to spend more money, do not need to partake in DIY projects, do not need to be perfect, do not need to get rid of all the plastic in your home, do not need to turn your family's life upside down, do not need to feel guilty (you didn't create this mess we are in), do not need to live off the grid. Written and designed to reach all families, this inspiring and useful book highlights "eco-action" solutions that support a climate-friendly lifestyle at your own pace. Some of the eco-actions topics covered are: Take a Trash Tally Find Your Free Marketplace Switch to Reusables Help Kids Eat, Not Waste It shows us how caring for a healthy planet doesn't just boost mental wellness, reduce stress, and heighten sense of community, but also saves time and money, too. Includes a comprehensive list of eco-insider resources, a 31-day Eco-Family Challenge, a guide to creating a personalized roadmap to resources in your area, and the book itself is printed on responsibly forested, FSC certified paper. Realistic yet impactful, *Mothering Earth* gives readers a feasible guide for simple and meaningful change, while at the same time sparks calmness and connection. With the tools to create an effective and healthy eco-routine, readers take a holistic look at shifting habits and making them stick in this Earth-saving guidebook. "We know women and girls will be most affected by climate change. *Mothering Earth* has us all thinking about how to take agency in our own lives while fighting for the systemic changes we need for a thriving planet." —Eve Rodsky, author of New York Times bestseller *Fair Play* and *Find Your Unicorn Space* This book is a powerful and practical guide for how we can individually make small shifts and daily choices to collectively create a more just, equitable world - and a more climate resilient future - for our children and for generations to come. —Melinda Kramer, Co-Founder and Co-Director of Women's Earth Alliance

Conscious parenting is not an easy task, but Julia will show you how it's not only possible - it's the foundation for a whole new kind of life. And one that you don't want to miss out on. —Anne Therese Gennari, author of *The Climate Optimist Handbook*
Mothering Earth is the approachable, accessible guide I've needed to move from overwhelm to action. Julia skillfully outlines the small, simple changes my family can make to live more sustainably and create a stronger planet. —Jill Koziol, Co-Founder & CEO, *Motherly Julia* has done incredibly thorough research coupled with her dedicated experience and testing in order to offer a wide host of solutions for every aspect of domestic life. This book will be an incredibly valuable resource for parents and non-parents alike... —Danielle Jezienicki, Director of Sustainability at Grove Collaborative

[Strategic Planning for Public Libraries](#) Joy L. Fuller, 2021-09-06 *Strategic Planning for Public Libraries* is a complete planning toolkit. A Project Manager's Book of Forms Cynthia Snyder Dionisio, 2017-11-21 Essential project management forms aligned to the PMBOK® Guide—Sixth Edition *A Project Manager's Book of Forms* is an essential companion to the Project Management Institute's *A Guide to the Project Management Body of Knowledge*. Packed with ready-made forms for managing every stage in any project, this book offers both new and experienced project managers an invaluable resource for thorough documentation and repeatable processes. Endorsed by PMI and aligned with the PMBOK® Guide, these forms cover all aspects of initiating, planning, executing, monitoring and controlling, and closing; each form can be used as-is directly from the book, or downloaded from the companion website and tailored to your project's unique needs. This new third edition has been updated to align with the newest PMBOK® Guide, and includes forms for agile, the PMI Talent Triangle, technical project management, leadership, strategic and business management, and more. The PMBOK® Guide is the primary reference for project management, and the final authority on best practices—but implementation can quickly become complex for new managers on large projects, or even experienced managers juggling multiple projects with multiple demands. This book helps you stay organized and on-track, helping you ensure thorough documentation throughout the project life cycle. Adopt PMI-endorsed forms for documenting every process group Customize each form to suit each project's specific needs Organize project data and implement a repeatable management process Streamline PMBOK® Guide implementation at any level of project management experience Instead of wasting time interpreting and translating the PMBOK® Guide to real-world application, allow PMI to do the work for you: *A Project Manager's Book of Forms* provides the PMBOK®-aligned forms you need to quickly and easily implement project management concepts and practices.

Saleshood Elay Cohen, 2014-04-15 A playbook that empowers sales managers to think like CEOs and act like

entrepreneurs At Salesforce.com, Elay Cohen created and executed the sales productivity programs that accelerated the company's growth to a \$3 billion-plus enterprise. The innovation delivered over these years by Elay and his team resulted in unprecedented sales productivity excellence. Based on that experience, Elay embarked on a journey to help every company in the world grow like Salesforce.com. After working with many organizations and further reflecting on his time at Salesforce.com, it became apparent that one key player was best positioned to accelerate growth in organizations: the first-line sales manager. Empowering sales managers to own and execute their own sales programs, as entrepreneurs would, became the focus of this book and his technology company. First-line sales managers are the backbone of every sales organization. They make it happen. They're where the rubber meets the road in pipeline generation, revenue growth, and customer success. These sales managers serve as the voice of salespeople to organizations, and as the organizational voice back to salespeople. In this accessible guide, Cohen shares how sales managers can build an inspired, engaged team, equipping them with the tools they need to drive up sales productivity and grow the business. He reveals, among many other lessons, how you can nurture a winning sales culture; build world-class training programs that encourage salespeople to learn from each other; and execute sales processes, playbooks, and deals in a way that gives your salespeople the winning edge.

Organizational Behavior Mary Uhl-Bien, Ronald F. Piccolo, John R. Schermerhorn, Jr., 2023-05-23 An accessible and practical discussion of organizational behavior In the newly updated third edition of *Organizational Behavior*, a team of accomplished educators delivers a multidimensional text that combines analysis, knowledge, personal development, and synthesis with useful pedagogical features that bring organizational behavior to life. This edition reconsiders organizational behavior from an interdisciplinary vantage point, showing students the interdependence of factors that explain human behavior. Frequently addressed organizational behavior subjects are considered from within an integrated framework and are employed to answer functionally relevant questions about why people behave the ways in which they do, as well as how to effectively influence and manage others.

Enablement Mastery Elay Cohen, 2019-01-08 *Multiply Your Revenue. Enable Organizational Excellence.* When sales enablement is embraced as a company-wide initiative and is sponsored by leadership all the way up to the CEO, organizational magic happens. Teams align. Business results accelerate. Culture transforms. In *Enablement Mastery*, author Elay Cohen gives you his proven, straightforward, and effective method for aligning people, processes, and priorities with relevant learning, coaching, and communications. This book will show you how to build organizational value and multiply revenue outcomes by enabling your employees and partners to be the best they can be. Geared toward sales enablement professionals, this book teaches leadership teams how to deploy the Enablement Process Map to align go-to-market teams, create a learning culture, and make communications relevant. Cohen will help you elevate customer engagement and achieve

hyper-growth business outcomes.

Enhancing Higher Education Accessibility Through Open Education and Prior Learning Stevenson, Carolyn N., 2021-02-05 Institutions of higher learning are providing access to free and low-cost open resources to support students with prior college-level learning during every step of their educational journey. This unconventional approach to education removes traditional barriers to college credit by placing learners in an open environment, which encourages accessibility to higher education and fosters independent and critical thinking. By providing learners with free resources, more learners have the resources needed to be successful in college. Prior learning assessment is an excellent way for students to demonstrate the skills and knowledge gained throughout the course of their lives. By developing a portfolio of artifacts that support prior learning outside of the classroom, learners reduce the time and money needed to complete a degree. Open educational resources, prior learning assessment, and competency-based learning offer the potential to provide access to higher education to those who may not have the opportunity to earn a college degree. As the costs of higher education continue to rise, these flexible, open approaches to learning can bridge the equity gap and provide more opportunity to earn a college degree. *Enhancing Higher Education Accessibility Through Open Education and Prior Learning* provides a comprehensive resource book on open resources and prior learning in order to provide access and equity to higher education. The chapters pull together resources and case studies that exemplify alternative means to higher education. Highlighted topics within this book include remote e-learning, online fundraising, smart learning and assessments, effective learning, and faculty mentorship. This book is essential for curriculum designers; administrators; policymakers; government executives; professors and instructors in higher education; students; researchers in adult education, competency-based education, social justice, and open educational resources; and practitioners interested in open educational resources and accessibility in higher education.

Modern Etiquette Made Easy Myka Meier, 2020-01-21 The founder of The Plaza Hotel's Finishing Program spills her insider knowledge to help you become instantly more polished. dining, business, and networking etiquette. In this refreshingly entertaining etiquette guide, Myka combines her passion for etiquette and love of humor to share tips that are sure to give you a competitive edge in both your social and professional life. Through easy-to-follow chapters and relatable lessons, you'll learn how to: Create the best first impression Become the most coveted party guest Network like a pro Practice good table manners And much, much more! Perfect for everyone who's ever gone for the cheek kiss as the new acquaintance offered a handshake, or hobbled home from a networking event in stilettos. Fitting for messy-bun millennials who find themselves suddenly adulting without a clue, or mid-career professionals hoping to revamp their image. Or really, for anyone at all—at the end of the day, we could all use some more respect and kindness, and Modern Etiquette Made Easy offers advice and insight like a friend. Pinkies down!

A Beginner's Guide for Business Proposal Management Gaurav Sinha,2016-07-01 Business Proposals play an extremely vital role in today's competitive Business-2-Business (B2B) sales, as it represents the supplier's offer and the value that they can provide to the buyer. Many sales organizations spend a lot of money on building strong Proposal Management practices. For individuals, it is a field that offers an extremely rewarding career. In the real world of Request for Proposals (RFPs) and their responses, one can see a lot of variations (based on Industry, organization type and other relevant factors). A one-size-fits-all scenario or format is never seen to exist. However, if fundamentals are understood well, then, addressing any variation of the RFP is not difficult. This book is a beginner's guide to understand Business Proposal Management, written in a simple way to help aspiring individuals. If YOU are new to the World of Proposals, and want to understand it, then this book is JUST RIGHT FOR YOU!

The Making of a Manager Julie Zhuo,2019-03-19 Instant Wall Street Journal Bestseller! Congratulations, you're a manager! After you pop the champagne, accept the shiny new title, and step into this thrilling next chapter of your career, the truth descends like a fog: you don't really know what you're doing. That's exactly how Julie Zhuo felt when she became a rookie manager at the age of 25. She stared at a long list of logistics--from hiring to firing, from meeting to messaging, from planning to pitching--and faced a thousand questions and uncertainties. How was she supposed to spin teamwork into value? How could she be a good steward of her reports' careers? What was the secret to leading with confidence in new and unexpected situations? Now, having managed dozens of teams spanning tens to hundreds of people, Julie knows the most important lesson of all: great managers are made, not born. If you care enough to be reading this, then you care enough to be a great manager. The Making of a Manager is a modern field guide packed everyday examples and transformative insights, including: * How to tell a great manager from an average manager (illustrations included) * When you should look past an awkward interview and hire someone anyway * How to build trust with your reports through not being a boss * Where to look

when you lose faith and lack the answers Whether you're new to the job, a veteran leader, or looking to be promoted, this is the handbook you need to be the kind of manager you wish you had.

The Conversion Code Chris Smith,2016-02-11 If you need more traffic, leads and sales, you need The Conversion Code. Neil Patel co-founder Crazy Egg We've helped 11,000+ businesses generate more than 31 million leads and consider The Conversion Code a must read. Oli Gardner co-founder Unbounce We'd been closing 55% of our qualified appointments. We increased that to 76% as a direct result of implementing The Conversion Code. Dan Stewart CEO Happy Grasshopper The strategies in The Conversion Code are highly effective and immediately helped our entire sales team. The book explains the science behind selling in a way that is simple to remember and easy to implement. Steve Pacinelli CMO BombBomb Capture and close more Internet leads with a new sales script and powerful marketing templates The Conversion Code provides a step-by-step blueprint for increasing sales in the modern, Internet-driven era. Today's consumers are savvy, and they have more options than ever before. Capturing their attention and turning it into revenue requires a whole new approach to marketing and sales. This book provides clear guidance toward conquering the new paradigm shift towards online lead generation and inside sales. You'll learn how to capture those invaluable Internet leads, convert them into appointments, and close more deals. Regardless of product or industry, this proven process will increase both the quantity and quality of leads and put your sales figures on the rise. Traditional sales and marketing advice is becoming less and less relevant as today's consumers are spending much more time online, and salespeople are calling, emailing, and texting leads instead of meeting them in person. This book shows you where to find them, how to engage them, and how to position your company as the ideal solution to their needs. Engage with consumers more effectively online Leverage the strengths of social media, apps, and blogs to capture more leads for less money Convert more Internet leads into real-world prospects and sales appointments

Make connections on every call and learn the exact words that close more sales The business world is moving away from belly-to-belly interactions and traditional advertising. Companies are forced to engage with prospective customers first online—the vast majority through social media, mobile apps, blogs, and live chat—before ever meeting in person. Yesterday's marketing advice no longer applies to today's tech savvy, mobile-first, social media-addicted consumer, and the new sales environment demands that you meet consumers where they are and close them, quickly. The Conversion Code gives you an actionable blueprint for capturing Internet leads and turning them into customers.

The Writing Revolution Judith C. Hochman, Natalie Wexler, 2017-08-07 Why you need a writing revolution in your classroom and how to lead it The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, The Writing Revolution can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

Hacks, Leaks, and Revelations Micah Lee, 2024-01-09 Data-science investigations have brought journalism into the 21st century, and—guided by The Intercept's infosec expert Micah Lee— this book is your blueprint for uncovering hidden secrets in hacked datasets.
