At Your Best as a Plumber Juan Carosso, 2018-11-20 The only series of step-by-step guides to succeeding in the skilled trades and achieving the American dream. *At Your Best as a Plumber* is your playbook for learning if a career as a plumber is right for you, progressing from pre-apprentice to journeyman to master plumber, and launching your own small business. Learn: What does a career as a plumber look like? Why should you consider becoming a plumber? How do you become a successful craftsman as a plumber? How much can you make as a plumber? What are your career options once you become a plumber? How long does it take to be successful at each stage in a plumber's career? How and where do you find work as a plumber? What does it take to strike out on your own? What does it take to launch and build a successful small business? *At Your Best* is the only step-by-step handbook to finding if a career in the trades is right for you, educating yourself and earning the proper certifications, establishing yourself as an excellent apprentice and journeyman in the industry, and moving on to start your own small business in the trades. At each step of the way, your *At Your Best* playbook provides the information, recommendations, outside resources, and concrete actions needed for taking the next successful step in You, Inc. Whether you are beginning your first career, changing careers, or ready to move up and start your own business as a carpenter, plumber, HVAC/R tech, or other tradesman, this is the book that will tell you how. There are currently over 6.5 million unfilled jobs in the skilled trades in the US. Despite being well-paying and secure, these jobs remain open because enough qualified candidates with the skills, attitude, and experience required do not exist. Moreover, plenty of opportunity exists for established tradespeople to start their own business, but they have no guidance. The *At Your Best* Playbooks series changes that.

Start Me Up! Ebong Eka,2014-02-25 There are four major pitfalls that business owners experience that inevitably lead to failure. Start Me Up! provides strategies to avoid those pitfalls and gives you the powerful ideas you need to build your thriving business. This is the perfect time to start a small business using your existing skills. Although far too many small businesses fail in their first year, many such failures are absolutely preventable. Ebong Eka will show you how to not just survive, but thrive in your new venture. In Start Me Up!, you'll learn how to: Discard inferior business ideas before you invest your time and money in them Simplify your viable business ideas and accurately identify the best markets to target Charge your customers higher prices without losing them Avoid wasting time on mindless tasks so you can focus on running your business Create brand ambassadors, engage customers, and grow your sales—all while spending less money! The best and most successful companies know the importance of the Four S's: structure, strategy, systems, and sales. Most companies that fail, lack one or more of these necessary factors. Let Ebong show you how to be one of the former.
