Women searching for ways to increase their self-worth and confidence will find many gems.” —Publishers Weekly Women: it’s time to break the good girl myths that are holding you back and share your true gifts with this groundbreaking book from Stanford University-trained designer and women’s leadership expert Majo Molfino. For thousands of years, women have been taught to be “good” instead of powerful. But when we embody the good girl, we hold back their voices and gifts in a world that desperately needs female perspectives. Drawing on countless coaching sessions and conversations with female leaders, Majo identifies five self-sabotaging tendencies (“the five Good Girl Myths”) every woman must overcome to unleash her power and design a more purposeful life: The Myth of Rules The Myth of Perfection The Myth of Logic The Myth of Harmony The Myth of Sacrifice While there are many women’s leadership books, Majo uses her knowledge and training in design thinking (which is used by the world’s most innovative people and companies) to help you build creative confidence and break free from these disempowering myths once and for all. Discover how each myth negatively affects your relationships, career, and well-being and identify your primary good girl myth—the blindspot that’s zapping most of your power as a creative badass. “An elegant, powerful framework for female liberation.” —Amber Rae, author of Choose Wonder over Worry “Smart, empowering, and practical . . . guides you in creating a better future for yourself—and the planet.” —BJ Fogg, PhD, New York Times-bestselling author
