Big Fat Negative Emma Haslett, Gabby Griffith, 2022-01-20 'This book is totally brilliant - informative, sensitive, funny and wise. Reading it is like talking to a fairy godmother who also happens to be a gynaecologist and expert on all things fertility' Sophia Money-Coutts Big Fat Negative (BFN) - a term commonly used on internet forums to refer to a negative pregnancy test. Infertility can be a lonely journey. One in every six couples will struggle to conceive but, despite this, many don't feel comfortable talking openly about their experiences and sharing what they are going through. As a result, they feel isolated and alone. It doesn't have to be this way. By talking, laughing and shouting about our experiences we can start to lift the cloak of shame that so often engulfs those going through it. Big Fat Negative does just that. This no-nonsense, honest guide to infertility from the hosts of the Big Fat Negative podcast smashes the taboo around this isolating and heartbreaking illness, offering first-hand experience, an understanding voice when friends don't get it, expert advice, reassurance for when you feel alone and - most importantly - humour when it you need it the most. Using first-hand accounts of the various hurdles of infertility, from work to diagnoses and IVF, coupled with advice from leading experts, Big Fat Negative will hold your hand on the not-so simple journey to motherhood - helping you to face and defeat the trials of trying for a baby.

Wild Creations Hilton Carter, 2021-04-06 Namechecked as the LeBron James of plant styling... by Good Morning America, Hilton Carter now shows how you can make, style, decorate and care for your own stunning plant-inspired interior with his 25 step-by-step DIY projects and plant hacks. Carter, the Instagram star of the plant world and creator of green interiors has given us glimpses into many stunning plant-filled homes where ivy and creeping figs hang miraculously from ceilings, moss and ferns grow effortlessly to create living walls, fiddle leaf ferns and cheese plants thrive, whilst air plants beautify artworks and succulents flourish whether in pots on windowsills or planted in terrariums... Now in his third book, *Wild Creations*, Hilton actually shows you how you can create these amazing fixtures that enable plants to become such an integral part of an interior. Divided into four sections, Wild Ideas, Wild Hacks, Wild Rants and Wild Plants, *Wild Creations* shows you step by step how you can create air plant wreaths, moss walls, leather hanging plant stands, terrariums and many more stunning projects that will give you the green interior you crave. And just so your plants feel at home in your interior there is even a painting by numbers jungle mural, plus plant-scented candles to make sure your interior not only stays wild but that you and all its inhabitants thrive from the health giving benefits of greenery.

Ditch That Textbook Matt Miller,2015-04-13 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting by the textbook implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

Podcasting Junior Tidal,2021-05-06 *Podcasting: A Practical Guide* guides librarians through the process of creating a podcast. It will help librarians digitally record their podcasts, which can highlight library collections, connect with patrons, provide library instruction, and market library services across the Internet. Highlights include Step-by-step guidance for how to record a podcast specifically tailored for libraries and librarians. Specifications on what kind of equipment, software, and hardware, is necessary to record their own episodes. Pre-production techniques including script writing, storyboard creation, and how to find guests will be explored. Coverage of the post-production stage including, audio editing, incorporating music and effects, and mixing episodes down for distribution, will be explored. Resources for help with on marketing the podcast, using freely available and Creative Commons media to enhance episodes, privacy issues related to the medium, and making content accessible.

Tiny Leaps, Big Changes Gregg Clunis,2019-01-15 Achieve your goals and crush procrastination with these practical personal development strategies based on the hit podcast *Tiny Leaps, Big Changes* by Gregg Clunis. In today's world, we are constantly overloaded with positive messages, such as follow your passion, or dream big, that are supposed to spark change and accomplishments in our lives. But why doesn't anyone ever give practical advice on how exactly to achieve those lofty goals? *Tiny Leaps, Big Changes* explores the reality behind personal development -- that all big changes come from the small decisions we make every day. Using scientific and psychological research, Gregg Clunis shows you what hidden factors drive our behavior and gives you the tools to form helpful, daily habits to accomplish your goals. After reading *Tiny Leaps, Big Changes*, you'll know how to crush procrastination, double your productivity, and lessen the gap between what you want for your life and how you get it.

Brave New Work Aaron Dignan,2019-02-19 “This is the management book of the year. Clear, powerful and urgent, it's a must read for anyone who cares about where they work and how they work.” —Seth Godin, author of *This is Marketing* “This book is a breath of fresh air. Read it now, and make sure your boss does too.” —Adam Grant, New York Times bestselling author of *Give and Take*, *Originals*, and *Option B* with Sheryl Sandberg When fast-scaling startups and global organizations get stuck, they call Aaron Dignan. In this book, he reveals his proven approach for eliminating red tape, dissolving bureaucracy, and doing the best work of your life. He’s found that nearly everyone, from Wall Street to Silicon Valley, points

to the same frustrations: lack of trust, bottlenecks in decision making, siloed functions and teams, meeting and email overload, tiresome budgeting, short-term thinking, and more. Is there any hope for a solution? Haven't countless business gurus promised the answer, yet changed almost nothing about the way we work? That's because we fail to recognize that organizations aren't machines to be predicted and controlled. They're complex human systems full of potential waiting to be released. Dignan says you can't fix a team, department, or organization by tinkering around the edges. Over the years, he has helped his clients completely reinvent their operating systems—the fundamental principles and practices that shape their culture—with extraordinary success. Imagine a bank that abandoned traditional budgeting, only to outperform its competition for decades. An appliance manufacturer that divided itself into 2,000 autonomous teams, resulting not in chaos but rapid growth. A healthcare provider with an HQ of just 50 people supporting over 14,000 people in the field—that is named the “best place to work” year after year. And even a team that saved \$3 million per year by cancelling one monthly meeting. Their stories may sound improbable, but in *Brave New Work* you'll learn exactly how they and other organizations are inventing a smarter, healthier, and more effective way to work. Not through top down mandates, but through a groundswell of autonomy, trust, and transparency. Whether you lead a team of ten or ten thousand, improving your operating system is the single most powerful thing you can do. The only question is, are you ready?

[Art, Money, Success](#) Maria Brophy, 2017 Finally make a living doing what you love. A compete and easy-to-follow system for the artist who wasn't born with a business mind. Learn how to find buyers, get paid fairly, negotiate nicely, deal with copycats and sell more art.

[How to Save the World](#) Katie Patrick, 2019-05 You want to change the world. You want your work to have meaning. Maybe you're even audacious enough to want saving the world to be fun. What if saving the Earth were a game? Not just any game, but the greatest game we've ever played. This workbook helps social and environmental change professionals learn how to implement powerful techniques from the fields of game design, behavioral psychology, design, data science, and storytelling, that are not only proven to have impact, but also can make your project fun. In a 10-step framework of exercises, tutorials, and case studies, *How to Save the World* will teach you the art of changing the world - and it's often not what you think. Did you know that just by putting a sign above a recycling bin that showed people the number of cans inside increased the recycling rate by 67 percent? Or when people standing in line at a cafe were told that other customers before them had ordered a vegetarian meal, that this simple intervention doubled the total rate of vegetarian meal orders? As you implement these academically researched and measurement-driven techniques, *How to Save the World* will drive you to dig into your creativity and unearth your greatest ideas that shift the numbers on the causes you most care about, so you can experience the joy and satisfaction of seeing your work really, actually change the world every single day.

Wild Interiors Hilton Carter, 2020-04-14 We work with Hilton because he's both a plant stylist and an incredible plant-

care wizard. Hilton doesn't just teach you how to get your plants to thrive - he teaches you how to bond with them. - Apartment Therapy Bestselling author Hilton Carter brings his unique eye and love of plants to show you how to create lush interiors that not only look amazing but are good for your well-being, too. Hilton first guides you through his own plant journey, his inspirations, and his top ten favourite house plants. He then takes you on a Journey in Greenery where he showcases the homes of 12 inspiring plant parents that demonstrate the versatility of decorating with plants. From a tiny house in Venice, California and a light-filled loft in New York City, to a Berlin apartment decorated with vintage finds, and the Barcelona home of a ceramic artist, there are ideas for all types of spaces and budgets. Hilton then sets you off on your very own plant journey, taking you room by room, profiling the plants that are most suited to each: those that thrive in the tropical humidity of bathrooms, the erratic heat changes of kitchens and plants that can live happily in the indirect light of an entryway or bedroom. Packed full of interior design advice such as using 'statement plants' like Fiddle-leaf figs to create a focal point, how to layer your greenery by using hanging baskets, and how to assemble the perfect plant shelf, Hilton shows you how bringing houseplants into your home creates instant impact. Be inspired to create your own Wild Interiors with Hilton's expert styling advice, plus his hints and tips on plant care that take the mystery out of looking after your green friends.

Boy Mom Monica Swanson, 2019-08-06 This guidebook, packed with wisdom, practical advice, resources, and encouragement, explores how moms can equip their sons with what they most need to succeed in life. Monica Swanson knew she'd tapped a heartfelt concern when nearly two million readers shared her blog post What a Teenage Boy Needs Most from His Mom. In this helpful book, she takes mothers deeper into the insights they need for the boy-raising journey, covering topics from dealing with the daily influences of friends and technology to helping a boy grow to be physically, spiritually, and emotionally healthy. She also addresses learning and finding passions, perspectives on relationships and dating, and work ethics and money management. Each chapter features relatable stories, handy checklists, and practical advice based on a combination of research, experience, and biblical truth to guide and equip a mom in helping her son achieve his God-given potential. Praise for Boy Mom "In Boy Mom Monica Swanson offers readers practical advice and resounding hope that parenting our sons well through all seasons is not only possible but also enjoyable. This book is like an essential trail guide that I'll refer to again and again in the beautiful and challenging adventure of motherhood."—Becky Keife, author of No Better Mom for the Job and mom of three spirited boys "Monica Swanson is the friend we all need in our lives: humble, straightforward, warm, full of wisdom, and short on nonsense—and she knows her stuff like no one else. In Boy Mom she holds the bar high yet is forthcoming about her own struggles and imperfections. Inside these pages you'll find deeply rooted biblical and practical advice along with calls to action when you don't know where to start. The Boy Mom Manifesto at the end will not only inspire you but also make your heart swell."—Kate Merrick, author of Here, Now: Unearthing Peace and

Presence in an Overconnected World “Monica Swanson is the ultimate Boy Mom mentor. While her perspective on parenting is grounded in biblical wisdom, each chapter holds excellent practical tools for how to work out that wisdom on a daily basis in our homes. Of course, we know there aren’t formulas that will ensure we get it all right, but we also know that gleaned wisdom from women who have gone before us (and are still in the trenches with us) is invaluable in the wonderful adventure of helping boys become all God created them to be.”—Jeannie Cunnion, author of Mom Set Free

A Spacious Life Ashley Hales,2021-09-14 Society constantly tells us to follow our dreams and live our best lives. But contrary to what we've been told, the good life we crave is not accomplished through limitless possibilities or even hustle and hurry—it can only be found in the confines of God's loving limits. Inviting us to discover a better way, Ashley Hales shows us a spacious life filled with purpose, joy, and rest.

Who Am I Really Damon Davis,2019-04-20 Who Am I Really? is a question many adoptees ask when they realize they have another family of genetic relation. Damon L. Davis shares his journey through life as an adoptee to becoming an adoptive parent himself. He explores his desire to find his birth family as sparked by the flood of emotions that accompanied the birth of his son, Seth -- the first blood relative he had ever known. In his story, you'll follow his introspection when considering a search for his birth family, while coping with the heartbreak of his adoptive mother's mental illness. Within months of taking his post in the Obama Administration in 2009, Damon found his birth mother working only two blocks away and years later, his real birth father's identity was revealed unexpectedly on AncestryDNA. You'll be amazed by the coincidences that brought Damon face to face with his birth mother in a tearful, yet joyous, reunion. And your heart will be warmed by the acceptance of his birth father who didn't even know he existed.

Shake Up Learning Kasey Bell,2018-03-05 Is the learning in your classroom static or dynamic? Shake Up Learning guides you through the process of creating dynamic learning opportunities-from purposeful planning and maximizing technology to fearless implementation.

625+ Easy Digital Product Ideas For Earning Passive Income While You Sleep Om Prakash Saini,2024-02-16 Embark on a journey of endless possibilities with 625+ Easy Digital Product Ideas For Earning Passive Income While You Sleep. Complete Toolkit for Strategic Marketing is the ideal textbook for undergraduate courses in advertising, communications, public relations, and integrated marketing, and an invaluable reference for graduate students and professionals alike.

Race to the Bottom of the Earth Rebecca E. F. Barone, 2021-01-05 Equal parts adventure and STEM, Rebecca E. F. Barone's *Race to the Bottom of the Earth: Surviving Antarctica* is a thrilling nonfiction book for young readers chronicling two treacherous, groundbreaking expeditions to the South Pole—and includes eye-catching photos of the Antarctic landscape. Riveting! I raced to the end of this book! —Alan Gratz, *New York Times* bestselling author of *Refugee* In 1910, Captain Robert Scott prepared his crew for a trip that no one had ever completed: a journey to the South Pole. He vowed to get there any way he could, even if it meant looking death in the eye. Then, not long before he set out, another intrepid explorer, Roald Amundsen, set his sights on the same goal. Suddenly two teams were vying to be the first to make history—what was to be an expedition had become a perilous race. In 2018, Captain Louis Rudd readied himself for a similarly grueling task: the first unaided, unsupported solo crossing of treacherous Antarctica. But little did he know that athlete Colin O'Brady was training for the same trek—and he was determined to beat Louis to the finish line. For fans of Michael Tougias' *The Finest Hours*, this gripping account of two history-making moments of exploration and competition is perfect for budding scientists, survivalists, and thrill seekers. A nail-biting tale of adventure, tragedy, and superhuman determination—and also a luminous example of how our present lives are shaped by our immeasurably deep connection to our past. —Elizabeth Wein, #1 *New York Times* bestselling author of *Code Name Verity* A huge treat for adventure story fans—not one, but two incredible races across the fearsome and fascinating Antarctic! —Steve Sheinkin, *New York Times* bestselling author of *Bomb* and *Undeclared*

Social Media Measurement and Management Jeremy Harris Lipschultz, 2024-08-01 This revised and updated textbook applies a critical and practical lens to the world of social media analytics. Author Jeremy Harris Lipschultz explores the foundations of digital data, strategic tools, and best practices in an accessible volume for students and practitioners of

social media communication. This second edition expands upon entrepreneurship, marketing, and technological principles, demonstrating how raising awareness, sparking engagement, and producing business outcomes all require emphasis on customers, employees, and other stakeholders within paid, earned, social, and owned media. It also looks to the future, examining how the movement toward artificial intelligence and machine learning raises new legal and ethical issues in effective management of social media data. Additionally, the book offers a solid grounding in the principles of social media measurement itself, teaching the strategies and techniques that enable effective analysis. It features theoretical and practical advice, a comprehensive glossary of key terms, and case studies from academic and industry thought leaders. A perfect primer for this developing industry, this book is ideal for students, scholars, and practitioners of digital media seeking to hone their skills and expand their bank of new tools and resources.
